CONSERVATION PARTNERSHIP REPORTS

USDA-Natural Resources Conservation Service: Gary O'Neill, Assistant State Conservationist, reported on the following personnel announcements:

- Boise City - Cherrie Brown, District Conservationist (DC), retired and Delfino Rodriguez, Soil Conservationist, will be the acting DC.
- Cordell - Ron Schmidt, DC, retired and Steve Kelley will be the Acting DC.
- Tishomingo - Randy Hall, DC, retired and Ann Colyer, Tribal Resource Conservationist, will be the Acting DC.
- Zone 1 - Lanny Miller, Assistant State Conservationist for Field Operations for Zone 1, retired and Brooke Taylor, Program Liaison will be Acting ASTC.
- State Soil Scientist Greg Scott retired and Steve Alspach will be the Acting State Soil Scientist.
- State Conservationist Ron Hilliard retired and Bill Porter is Acting Conservationist through January 13 then John Meuller will be Acting for 120 days.
- Anadarko - Brad Elder, Soil Conservationist, retired
- Stigler - Artie Johnson, Technician, retired.

Mr. O'Neill provided a budget update stating that the NRCS will be financially conservative, per the Chief's instructions, until they receive a budget. The Farm Bill was extended for nine months which means the NRCS can now develop contracts and plans for Farm Bill programs. He stated that new money was received for the Farm and Ranch-land Protection Program. The Conservation Reserve Program was re-authorized. There may be a targeted sign-up for the Conservation Security Program. Watershed rehabilitation was mentioned in the Farm Bill extension however money will have to be authorized in the budget.

Mr. O'Neill stated that soil health is a national initiative that the NRCS will be asking for ideas to help it expand.

Oklahoma Department of Agriculture, Food and Forestry: Blayne Arthur, Associate Commissioner, introduced Megan Trantham stating that Megan is a sophomore at Boise City High School and will be at the Department this week observing the operations of the Department.

Ms. Arthur reported that the Department received delegation authority for Agriculture Pollution Discharge Elimination system in Oklahoma from the Environmental Protection Agency (EPA) Region 6 on December 20. The EPA Region 6 has invited all Agriculture Department Commissioners and Secretaries of Agriculture from the states in the region to a meeting in Dallas on January 11 to discuss AGPDES delegation and how it works.

Ms. Arthur stated they are gearing up for the legislative session. The Ag Group, which consists of members from the commodity groups as well as other ag partners, will be meeting today.

Oklahoma Association of Conservation Districts: Clay Pope, Executive Director, reported on a tour of the North Canadian River project held for Sustainable Oklahoma members. This tour has also generated interest from the Boathouse Foundation and another tour may be planned for the spring. Mr. Pope stated they are working with the BassMasters for a tour as well. Mr. Pope stated that OACD has been invited to the Commodity Classic to discuss water quality and ties to carbon sequestration and wildlife. Staff will also be attending the Wheat Growers annual meeting in Florida in February.

Mr. Pope reported on two grants the OACD has submitted dealing with the drought and the carbon program. He then reported that he had met with Secretary of Agriculture Jim Reese to discuss a drought package as well as Senator Justice and Representatives Armes and DeWitt. A package is needed to assist with water for livestock, ponds, pasture repair, and cedar control. The OACD will also be pushing for more operation funds for the Commission to assist conservation districts with farm bill implementation.

Mr. Pope stated that a draft agenda for the OACD State Meeting has been sent and that Congressman Lucas may attend. Mr. Pope will be attending the National Association of Conservation Districts Annual Meeting.

Mr. Pope reported on meeting with OETA regarding further outreach opportunities for the Dust Bowl film and a mini documentary.

OKLAHOMA CONSERVATION COMMISSION MEMBERS

Mr. Jett reported on attending the Cimarron County Conservation District December meeting and dinner. He then stated that the water table in the panhandle area has dropped and irrigation wells are pumping 600 gallons a minutes where it used to be 1000 gallons a minute. The Beaver County Conservation District is hosting a workshop to discuss water issues.

OKLAHOMA CONSERVATION COMMISSION STAFF (each division submitted a written report which is a part of these minutes)

Administration - Executive Director: Mr. Thralls stated that the Governor may propose a drought package in her budget. He stated that the Cimarron County Conservation District has put out its cost-share program and no applications were received. In Dewey County the cost-share program requests focused on drilling wells for livestock water and more applications were received than could be funded. There is a need for livestock water, the re-establishment of pastures and cedar control. Mr. Thralls stated that a partnership with the Department of Agriculture, Food and Forestry could assist rural fire departments with wildfires. He is hopeful the Commission receives additional

operations funding. The Commission and districts have reduced 30-35 positions and in order to close the gap from contract management it would have to reduce another 30 if no funds are received.

District Services Division: Lisa Knauf Owen, Director, stated there are seven vacancies in conservation districts plus 2 pending retirements in early spring. The Commission faces a challenge because of the amount of annual leave it will be paying out so some of these positions may be left open for some time. Ms. Owen stated that a position in the Washita County Conservation District has been open for over a year because it cannot compete with oil industry salaries.

Ms. Owen stated that all employees will see a decrease in their take home salary beginning January 1, 2013 because the social security tax reverted back to 6.2%. Ms. Owen stated that the 4 technician positions with the NRCS ended on December 31 and that two of the four were hired by the NRCS.

Water Quality Program: Shanon Phillips, Director, reported on a webinar held recently with the Nonpoint Source Working Group to discuss updating the state's plan. The update will be submitted to the EPA by September 2013. This group will meet at least bi-monthly until work is complete.

The Water Quality Division has sent the EPA an updated Eucha-Spavinaw Project plan. The project has invested \$2.9 million on conservation practices in the watershed and approximately \$1.2 million of that was provided as cost-share from producers. There were 137 producers that participated in the latest round of the program which meant that 40 % of the watershed in Oklahoma is now under updated conservation plans that includes practices implemented through this program.

Ms. Phillips stated that for the first time our water quality data indicates statistically significant improvements in Spavinaw Creek, in addition to Beaty Creek. Our model documented a 37% reduction in phosphorus loading over what was expected in both Spavinaw Creek and Beaty Creek. This is a smaller reduction than the 60% previously measured for Beaty; however, the two massive storm (500 year) events that occurred in 2010 and 2011 contributed significantly to this decline in effectiveness and hopefully, the system of practices will stabilize back toward lower loading values. Soluble phosphorus was also significantly lower (64%) than expected following implementation in Spavinaw Creek. Our model also indicated a 81% reduction in nitrogen loading in Beaty Creek over what was expected. She reported that there was also a 72% reduction in E. coli bacteria and a 52% reduction in Enterococcus in Beaty Creek. Bacteria loads were slightly, but not significantly lower in Spavinaw Creek.

Abandoned Mine Land Reclamation Program: Mike Kastl, Director, reported on the Reves Phase 2 project. He stated that the Bacon project is close to a final inspection. The Northeastern Oklahoma State University project has begun. Mr. Kastl stated that the Latimer County emergency was completed on December 7.

Financial Management and Human Resources Division: Mr. Coffman stated that the employee's share of the social security tax has increased by 2 percent and therefore employee's paychecks will reflect this tax. Also, the cost of health insurance may affect employee's bring home pay.

Office of Geographic Information and Technical Services: Mike Sharp, Director, reported that IT consolidation is progressing. Two meetings will be held this week and one is to discuss the high level plan being developed. The Office of Management and Enterprise Services' plan showed that the Commission would save \$100,000 during the first year of consolidation. The Commission's analysis shows that it will break even. OMES had included all of Mr. Sharp's time but he clarified that he spends 10 percent of his time on IT. Mr. Sharp reported that after consolidation OMES will not provide technical support to the conservation districts therefore the Commission will be responsible for that support.

Conservation Programs Division: Robert Toole, Director, stated that staff has developed fact sheets regarding conservation programs that will be distributed to new senators and representatives. He stated that the drought is affecting all areas of conservation programs and some funding will need to be provided for additional training for the dam safety management team. When the rains do come this team could be activated. The drought has basically shut down watershed operation and maintenance.

Mr. Toole reported that land rights for watershed rehabilitation is becoming more challenging, complicated and complex and discussions are being held on how to deter some of these problems before construction begins.

Mr. Toole stated that staff attended a workshop in Arkansas recently regarding native pollinators and staff will now be engaging districts in this project.

Mr. Toole also stated that during recent wildfires that the Commission provided coordinates of watershed lakes to the National Guard to obtain water. He stated that state law gives the Department of Agriculture the authority to take water for fire emergencies.

Administration - Assistant Director: Mr. Pollard left the meeting and did not provide a report.

Mr. Rooker left the meeting.

NEXT MEETING

The next regular meeting of the Oklahoma Conservation Commission will be held on Monday, February 4, 2013, in the Agriculture Building Board Room, 2800 N. Lincoln Boulevard, Oklahoma City, Oklahoma beginning at 9:30 a.m.

ADJOURNMENT

There being no further business a motion was made by Mr. Grego and seconded by Mr. Jett to adjourn. Those voting aye were: Jett, Stunkard, Lowrance and Grego. Nay votes: none. Motion carried. The meeting adjourned at 10:51 a.m.

Information Officer

- Continued technical management of and updating information on OCC's web page. Created and published the following stories:
 - Photos from Ken Burns' THE DUST BOWL Screening and Community Conversation events
 - OETA's Oklahoma Forum Nov. 18, 2012: Lessons from the Dust Bowl, interview with Mike Thralls, Dean Graumann and Clay Pope
 - Remembering the Dust Bowl — OACD Area Meetings 2012
 - OETA Explores Lessons from the Dust Bowl
 - Service Award: Johnny Pelley, 25 Years
 - Service Award: Wes Shockley, 20 Years
 - Service Award: Ashley Rhea, Five Years

- Setup and staffed a booth at the Tulsa Farm Show
- Continued preparation for KNID AgriFest Enid Farm Show

Tribal Outreach Coordinator

Coordinated Partnership with the Oklahoma Tribal Conservation Advisory Council (OTCAC) –

- Facilitated a tribal outreach meeting at the Comanche Nation Tribal Complex in Lawton on December 5. We worked with the Comanche Co. CD on the meeting. There were 30 participants at the meeting.
- Currently working with the partnership on a multi-state meeting on March 4-7, 2013 in Shawnee.
- A meeting is scheduled for McAlester on February 2, 2013.
- I have worked with OTCAC to coordinate meetings for FY 2013. We will continue to partner with OTCAC and NRCS on sharing display/booth space at many of the meetings across the state. OTCAC has partnered to cover much of this expense from the standpoint of booth rental.

Oklahoma Prescribed Burn Association (OPBA -Tentative) –

- Met with Senator Barrington and Owen Laughlin, OK Insurance Department, on December 11 about the progress of the OPBA.
- OPBA Board members met with representatives from TX, KS and NE state burn associations in Ft. Worth on 11/26 to discuss strengthening the partnerships and possible formation of the national prescribed fire association.
- A meeting was held at the Noble Foundation on November 29 to discuss the OPBA and the efforts to get more prescribed fire on the Oklahoma landscape. This looks as if it will be a positive partnership.
- The underwriter providing liability coverage in Texas has decided to pull out of this line of coverage. This happened due to a burn in TX that was outside of prescription that has resulted in litigation. The underwriter feels it is better to settle than go through litigation even though the person burning did so outside of prescription. This is disappointing but we are discussing this with the other states to find another underwriter.

Oklahoma Prescribed Fire Council (OPFC) –

- The OPFC met in Oklahoma City on September 11. There was a good turn out for this meeting and the group is engaged to continue to provide information on prescribed fire and advocate for its use.

Oklahoma Invasive Species Council (OKIPC) –

- I will attend a board meeting on December 14 in OKC.
- A list of the “Dirty Dozen” plants will be released soon. These are plants that are highly invasive.
- The annual meeting was held July 10 at ODWC’s facility at Arcadia Lake. I am now on the board for this group and will keep you updated on ongoing activities.

Blue Thumb Pictorial Report

December, 2012

"Quality Urban Streams" was held in Broken Arrow on December 3. This workshop, put together by Kevin Gustavson, taught municipal employees and others how to protect streams in an urban environment. Thirty-eight people attended.

Kevin

Middle School students from Regents Preparatory School in Tulsa attend a Blue Thumb Mini-academy (November 30) where they learned about stream life and were introduced to Blue Thumb monitoring.

Water Quality staff members attended a Blue Thumb Introductory workshop to learn about on-site activities with Blue Thumb volunteers. Many members of the Water Quality Division have accepted a role with Blue Thumb in which they will be helping volunteers with winter and summer field collections. This will enable the Blue Thumb staff to dedicate more time to volunteer education and expansion of the program.
