CONSERVATION PARTNERSHIP REPORTS

Oklahoma Department of Agriculture, Food and Forestry: Betty Thompson, Deputy Commissioner, reported on the feral hog trap presentation at Conservation Day at the Capitol. Due to a miss communication in reporting of the free hog traps to land owners the Department of Agriculture fielded over 200 calls of people interested in receiving a free trap. The traps are being

given to districts who will then rent the traps out to land owners. The Department of Agriculture is working with different FFA chapters and schools to get gates welded. The new legislator luncheon is tomorrow and the deadline for bills to make it out of committee is next Thursday.

USDA-Natural Resources Conservation Service: Gary O'Neill, Natural Resources Conservation Service State Conservationist, discussed the EQIP opportunities available to land owners, especially those affected by the burn. The sign up closes April 21, 2017. He stated that assistance is available to those affected by the fire in three counties with six million dollars in funding available between three states.

Mr. O'Neill reported a signing ceremony with the Choctaw Nation in Durant on May 4, 2017.

Oklahoma Association of Conservation Districts: Trey Lam, Executive Director, presented for Jimmy Emmons, President, who was not able to attend today's Commission meeting. Mr. Lam reported that more than sixty people attended the Conservation Day at the capitol. He stated it was a great opportunity for districts to speak with legislators.

OKLAHOMA CONSERVATION COMMISSION MEMBERS

Mr. Jett attended the 75th Conservation Celebration in Beaver. He also attended Conservation Day at the Capitol and thought it was the best one yet. He thought the OACD State meeting was successful and enjoyed the OK Maps portion. He also reported and thanked Jeri Fleming for traveling to Beaver to provide training to his youth board. Mr. Jett provided a fire update and the amazing people coming from across the nation to help with hay, fence building, and even chicken house building.

Mr. Clark attended the Washington D.C. Fly-In. The meetings with legislators went well; it was a great opportunity to educate them on our conservation efforts.

Ms. LeGrand reported that she attended the Soil Health event in Major County, Beaver's 75th Celebration, Ag Day and Conservation Day at the Capitol she thought it was a great experience for districts as well as an opportunity to network.

Mr. Rooker attended the No-Till Conference, Murray County Banquet, Kay County Banquet, Ag Day at the Capitol, Conservation Day at the Capitol, and presented a demonstration of old equipment to McCloud students for their history class.

Mr. Herriman reported he attended the Washington D.C. Fly-In, Ottawa County Soil Health, and Ag Day at the Capitol.

Mr. Lam has also attended several appropriations meetings. The meetings are a mini budget session and a way to educate legislators.

Mr. Lam also thanked Karl Jett for his hard work and coordination efforts following the northwest wild fires. Mr. Jett has worked to insure those who need hay have it and coordinated volunteer efforts for the fire affected area.

Water Quality Program: Shanon Phillips, Director, stated a written report is in the packet.

Ms. Phillips informed the Commission that April is Earth Day month. The Blue Thumb and Soil Health staff have a busy month ahead with multiple events. Abandoned Mine Land Reclamation Program: Robert Toole, Director, stated a written report is in the packet. He summarized the report in phases stating that three projects were under construction, one project was in contracting for construction, four projects were in design with one design being prepared by an A&E firm and three designs being prepared in-house by AML staff, two projects were being vegetated, six projects were being monitored for vegetative cover and expect to be released to the landowner for management & maintenance, nine sites were having bathometric surveys completed and one project was undergoing maintenance. Toole also reported that H.R. 1731 (the "Revitalizing the Economy of Coal Communities by Leveraging Local Activities and Investing More Act of 2017" or "RECLAIM Act") was introduced by Congressman Hal Rogers (R-KY) on March 27th. H.R. 1731 would redirect \$1 billion of AML funds over a five year period to economic development, primarily in Appalachian Region states. The National Association of Abandoned Mine Land Reclamation Programs (NAAMLPR) was invited to provide two members to present testimony before the Energy and Mineral Resources Subcommittee of the House Natural Resources Committee on April 5.
