Mr. Trey Lam
Executive Director
Oklahoma Conservation Commission
2800 N. Lincoln Blvd., Suite 160
Oklahoma City, OK 73105-4210

Dear Mr. Lam,

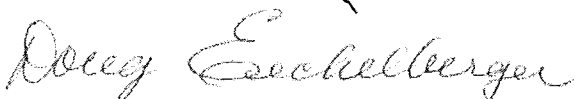

I would like to address the Commission's recent decision to decline my re-appointment to the NCCD board.

While I do admit, and realize, that attendance to the regularly scheduled board meetings is a priority, my physical absence at said meetings does not mean that I am in anyway indifferent, or not diligently working to advance the conservation message in the unique area in which I reside.

The size and diversity of my operation along with the other Ag related business' I am involved in, help me to bring diversity to the NCCD that I feel assists said district in promoting conservation while also helping to generate, thru our cooperators, locally earned funds that we have used to offset and assist the commission in the maintenance of our many flood control structures.

In closing, I have enjoyed my 15 years of voluntary service to the NCCD and would request that your decision to terminate my appointment be re-evaluated. If the Commission's decision is favorable, I will diligently make the required 75% attendance a priority.

Thank You for your Consideration in this matter.

Mr. Trey Lam
Executive Director
Oklahoma Conservation Commission
2800 N. Lincoln Blvd., Suite 160
Oklahoma City, OK 73105-4210

Dear Mr. Lam,

This letter is in regards to Doug Eichelberger's reappointment. The North Caddo board members would like the Commission to reconsider their decision to not approve his reappointment.

We understand the importance of director meeting attendance and realize that Mr. Eichelberger meeting attendance was not adequate. We also understand the importance of director participation. As stated in our previous letter, Mr. Eichelberger is a very important asset to our board. His previous attendance at meetings does not reflect the true amount of time spent fulfilling duties of a board member. His knowledge and experience has assisted our conservation district in providing the needed services and education to our district cooperators and citizens. He is our point person for the equipment needs of the district. Equipment that helps serve the needs our local cooperators. His loss as a board member would have a negative impact for our district and cooperators.

We ask you to consider reappointing Mr. Eichelberger on a commission approved probationary period.

Respectfully,
