Mr. Thralls presented FY2015-2019 Conservation District Long Range Plans for approval as listed in Exhibit #5. A motion was made by Mr. Rooker and seconded by Mr. Herriman to approve the plans as listed. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

CONSERVATION COMMISSION - FISCAL YEAR 2015

Executive Director Salary: Mr. Toole stated that the Executive Director's salary for FY2014 was \$72,398 and recommended that same salary for FY2015. A motion was made by Mr. Rooker and seconded by Mr. Herriman to set the salary as recommended. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

Director Meeting Expense: Mr. Toole recommended setting FY2015 conservation district director meeting expense (maximum of 12 meetings) at \$25.00 per meeting. A motion was made by Mr. Herriman and seconded by Mr. Graumann to set meeting expense as recommended. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

Allocations to Districts: Mr. Toole presented FY2015 allocations to conservation districts for personnel and operating expenses as listed in Exhibit #9. He noted that Checotah and McIntosh County Conservation Districts operate out of the same office and use the same employees so their allocation will be divided between the districts. The Noble County allocation is slightly higher as staff is working with that district to headquarter a watershed aide position to assist the Noble County, Payne County, Pawnee County and Garfield County Conservation Districts. The Commission has placed a watershed aide position in the Upper Washita Conservation District. Mr. Toole stated that the Commission is working with the Tulsa County Conservation District on a pilot position for educating decision makers in urban districts. After discussion, a motion was made by Mr. Herriman and seconded by Mr. Graumann to approve FY2015 allocations as listed. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

Budget Work Program: Mr. Coffman presented the FY2015 Budget Work Program as listed in Exhibit #6. He stated that the Commission absorbed a \$95,000 cut and recently learned that it would receive another \$12,000 reduction. He stated the Commission would need \$192,000 in earnings this year for operations. Mr. Coffman also stated that the Commission's insurance for directors and districts has gone down so it will see around \$17,000 in savings. After discussion, a motion was made by Mr. Graumann and seconded by Mr. Rooker to approve the Budget Work

Program as listed. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

Personnel and Financial Management Policies: Mr. Thralls presented personnel and financial management policies for FY2015 as listed in Exhibit #7. These are the same policies as FY2014. Mr. Thralls stated that it is difficult to receive additional appropriations for personnel and that most of the Commission's budget is tied up in people. After discussion, a motion was made by Mr. Herriman and seconded by Mr. Graumann to approve the policies as presented. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

AML EMERGENCY

Mike Sharp, Abandoned Mine Land Program Interim Director, discussed the AML emergency as listed in Exhibit 8 and recommended ratification. A motion was made by Mr. Rooker and seconded by Mr. Herriman to ratify the emergency as presented. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

EUCHA/SPAVINAW 319 PROJECT

Shanon Phillips, Water Quality Program Director, presented proposed changes to the Eucha/Spavinaw 319 project as recommended by the Delaware County Conservation District board as listed in Exhibit #10. Ms. Phillips concurs with the proposed changes and recommended approval. A motion was made by Mr. Graumann and seconded by Mr. Rooker to approve the language as listed. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

COMMISSION'S NEW TAGLINE

Robert Hathorne, Public Information Officer, presented the new agency tagline for approval. He stated that a contest was held for Commission and district employees. Several taglines were submitted and narrowed down to seven. Of those seven, the tagline submitted by Mr. Toole, *Our Land · Our Heritage · Our Future*, was the winner. Mr. Toole will receive a plaque and a monetary award. A motion was made by Mr. Rooker and seconded by Mr. Graumann to approve the tagline. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

CONSERVATION PARTNERSHIP REPORTS

Oklahoma Department of Agriculture, Food and Forestry: Blayne Arthur, Deputy Commissioner, reported that the seed lab is looking carefully at germination results because of the lack of availability of quality wheat seed from this year's crop.

She reported on the forestry division stating that the Northern Long Eared Bat will likely be listed as an endangered species. The species is found in 39 counties in Oklahoma, and this will affect the way the division handles forest management planning.

The Environmental Protection Agency along with the Department of Defense will begin enforcing a 25 year old agreement that states federal excess property has to be destroyed. This will affect rural water departments as these departments use surplus federal equipment for fire fighting. The department is working with Oklahoma's congressional delegation on this matter.

The Consumer Protection Division has been fielding numerous inquiries regarding musk thistle. Ms. Arthur stated that this spring 50,000 bee hives were placed near fields averaging 300 acres of canola across the state to enhance the colony strength of the pollinators.

The Animal Industry Division is working with swine herds on the virus porcine epidemic diarrhea (PED), which is an air-borne disease that has now infected show herds in addition to commercial herds. As of now there is no vaccination that is working on this virus. Research to address the disease continues.

Ms. Arthur reported on several interim studies that have been filed dealing with prescribed burn, rural fire departments, water issues, water infrastructure, the role and future of the Oklahoma Scenic Rivers Commission, propane infrastructure and supply, and animal unit fees paid by swine producers.

USDA-Natural Resources Conservation Service: Gary O'Neill, State Conservationist, provided a written report (attached to minutes). He stated that NRCS employees are busy obligating Environmental Quality Incentive Program funds. Additional funds have been requested for this program. Easement program sign-ups will be completed in August.

Staff is verifying applications for the Conservation Stewardship Program. Producers with 2010 contracts can sign-up to renew those from July 11 through September 12. There are 880 contracts for opportunity of re-enrollment.

Mr. O'Neill reported on additional funds for watershed rehabilitation stating that a final list of projects will receive substantial resources. Staff is awaiting word on how these funds will be obligated but it looks like it will have to be done by the end of this fiscal year. There could be \$250 million obligated through agreements. He stated that all money would be obligated in agreements with a reimbursable agreement with NRCS to do some of the work.

Mr. O'Neill reported on the Regional Conservation Partnership Program stating that pre-proposals are due July 14 and full proposals will be due in September.

Mr. O'Neill will be attending a cover crop field day at Jimmy Emmons farm in Dewey County on July 8.

Mr. O'Neill discussed the field office structure team which Mr. Graumann and Lisa Knauf Owen are members. The team has put together a final proposal to look at changes to field offices. He will schedule a meeting with Mr. Thralls to discuss how conservation districts will be impacted.

Oklahoma Association of Conservation Districts: Kim Farber, President, reported that Clay and Sarah Pope are no longer employees of the Association and that they are starting their own venture. She thanked them for their work. She stated that during this transition period the OACD will be looking at some different directions to take. She feels it has gotten out of the role in dealing with issues of districts and producers. The Association will retain Larry Wright, Sarah Blaney, and Jordan Shearer. The board will be meeting on July 10 and Mr. Pope will be in attendance to make a proposal to them for some part-time representation of the association.

Ms. Farber stated that work has begun on the 2014 Area Meetings. She stated that the Association came out in the black with the National Land and Range Judging Contest. The 2015 state meeting will be held at the Reed Center during the last weekend in February. Several board members will be attending the NACD South Central meeting this month.

OKLAHOMA CONSERVATION COMMISSION MEMBERS

Mr. Herriman wrote an article for a county newsletter and referred to how dry the western part of the state was and since then that area has received more rain. He then introduced his wife, Jo.

Mr. Rooker reported on visiting with Governor Fallin in Shawnee and met with several candidates running for elected offices.

OKLAHOMA CONSERVATION COMMISSION STAFF

Executive Director: Mr. Thralls reported on additional staff changes as follows: 1) Mr. Toole will now assume the role of Abandoned Mine Land Program Director in addition to Assistant Director. He thanked Mr. Sharp for serving as interim director; 2) The Conservation Programs Director position will be advertised in the next few weeks and Tammy Sawatzky will serve as Interim Director; and 3) Karla Beatty, Education Coordinator, is now under the direction of Stacy Hansen within the Communications Team.

Mr. Thralls stated that Mr. Sharp is assisting the Oklahoma Highway Patrol with the Senior Open in Edmond.

Mr. Graumann inquired about the drought fund meeting with Secretary of Agriculture Jim Reese and Oklahoma Water Resources Board director J.D. Strong. Mr. Toole attended for the Commission and provided a summary of the funds expended by conservation districts (see Attachment A).

Operations Chief: Mr. Toole stated that Ms. Owen is on leave this week. He stated that she met with the OMES to work on IT consolidation issues. U.S. Fish and Wildlife Service funds have been allocated to the Beaver County and Okmulgee County Conservation Districts. She has been working with the following districts on personnel vacancies: Beaver County, Muskogee County, McIntosh County and Haskell County.

Water Quality Program: Shanon Phillips, Director, stated a written report was in the packet. She also reported on meeting with OMES regarding IT consolidation issues and help desk tickets.

Ms. Phillips stated that staff began fish monitoring in Washita and Upper Red creeks but those areas have received too much rain so it stalled the efforts.

The EPA has provided additional project funds in the amount of \$300,000 for streambank stabilization in the Illinois River Watershed. A tour was held with Oklahoma State University and Corps of Engineers regarding the completed ARRA funded projects.

Ms. Phillips reported on the second North Canadian River Educator Tour held recently for twenty educators. She congratulated Karla Beatty, Cheryl Cheadle, and Jean Lemmon on a great job.

Ms. Phillips reported on meeting with OACD staff Jordan Shearer to discuss RCPP potential partnering projects.

Abandoned Mine Land Reclamation Program: Mike Sharp, Interim Director, stated a written report in the packet. He stated that the Bauman and NSU projects are proceeding. Mr. Sharp then stated that the program cannot use AML funds on sites built after 1977. There is a small subsidence on a site the program worked on around 15 years ago that could qualify for Civil Penalty money.

Office of Geographic Information and Technical Services: Mike Sharp, Director, stated a written report was in the packet. He stated that they are working with OMES to resolve the remaining issues that resulted from consolidation. He stated that a change in OMES leadership has created a better working environment.

Assistant Director: Mr. Toole stated a Conservation Programs Division written report was in the packet. He called on Janet Stewart, General Counsel, to report on the proposed cost-share rule status. Ms. Stewart stated that the rules regarding rules were changed and now all rules require legislative approval. However, the legislature failed to approve rules this session so the Governor's staff has reviewed all rules and, through Executive Order, has adopted rules. Therefore, staff will be submitting the required paperwork, the rule will be published on September 12 and it will be officially adopted around September 22.

Mr. Toole stated that the Commission received three million dollars to match watershed rehabilitation projects for FY2015. He stated that one rehab project continues in Dewey County.

Mr. Toole reported on watershed operation and maintenance stating watershed techs and aides groups are being detailed to different areas of the state to assist with maintenance. He has budgeted for eight details for FY2015.

Mr. Toole provided a copy of the revised Strategic Plan (see Attachment B). The next meeting to discuss the plan is scheduled for July 17 and staff will be working on Key Performance Measures. Mr. Toole then provided copies of statewide goals prepared by the Governor's office (see Attachment C). The Governor asked her Cabinet to look at what the state should be addressing and each agency's budget will be developed around these goals as well as based on performance. The Commission has been placed under Safe Citizens/Secure Communities following a meeting with OMES staff.

CHANGE OF DATE OF SEPTEMBER 2014 MEETING

Mr. Thralls recommended changing the date of the September 8, 2014 to Thursday, September 4, 2014 as he, Mr. Toole and Lisa Knauf Owen will be out of state. A motion was made by Mr. Herriman and seconded by Mr. Rooker to approve the change of date. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried.

NEXT MEETING

The next regular meeting of the Oklahoma Conservation Commission will be held on Monday, August 4, 2014, in the Agriculture Building Board Room, 2800 N. Lincoln Boulevard, Oklahoma City, Oklahoma beginning at 9:30 a.m.

ADJOURNMENT

There being no further business a motion was made by Mr. Rooker and seconded by Mr. Herriman to adjourn. Those voting aye were: Jett, Rooker, Herriman, and Graumann. Nay votes: none. Motion carried. The meeting adjourned at 11:31 a.m.

Approved by the Oklahoma Conservation Commission on August 4, 2014.

Values and Behaviors

Rules of Conduct

Personal accountability and responsibility are two core values that are seen as critical for the employees as well as the governing body of the Oklahoma Conservation Commission. Those characteristics serve as the basis for the strength of our Agency. These values, coupled with integrity, give rise to the type of behavior we desire in our business environment. The values and behaviors that are important to an organization must start on a personal, individual level for each member of the organization. When the conduct of our employees in their daily operations adheres to these values we project the image we all desire ...that of an efficient professional organization which values its human resources, demands excellence and can stand on its reputation, track record and work product at every level.

Commissioners and agency employees are expected to function with loyalty to the agency's mission as well as reflect the leadership necessary for its success. Agency staff will support the Commission and leadership by providing honest, accurate and timely information based on reliable data and the best professional judgment delivered with respect and courtesy. Together we will strive to maintain positive, productive, professional relationships even at times when we disagree.

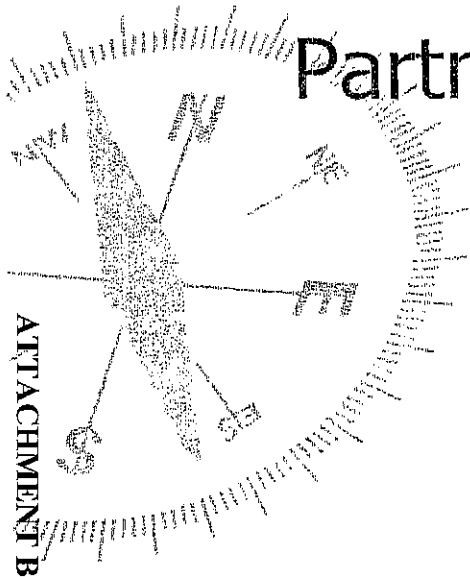

Agency leadership and staff will treat coworkers, clients, and partners with courtesy and respect. We will make timeliness, communication, and quality of work products a priority. We acknowledge a statewide workforce that has varying levels of intensity in daily supervision. We acknowledge a continuing increase in program responsibilities without an adequate increase in human and financial resources. Based on the core values and behaviors mentioned above we will focus our efforts and look within our resources for creative strategies to manage human and financial resources to reach our objectives. In the face of adversity we will remember these core values and rules of conduct which will enable us to weather the storm and remain true to our mission.

Effective incorporation of these core values will create an agency image counter to the negative image sometimes attributed to state government and the bureaucracy. Projecting a positive image that honors responsibility, accountability, honesty and effective communication will enhance the Commission's ability to accomplish its mission.

**POLICIES RECOMMENDED BY OCC STAFF TO BE CONTINUED
FOR FISCAL YEAR 2015**

1. All employee positions (District and Commission) that become vacant will be reviewed and will require justification before approval to fill the position; shared positions between 2 or more districts will be considered. Future employee allocations will be dependent on the level of legislative appropriations.
2. When an equipment manager position becomes vacant in districts, the position will transition to a non-benefitted position with a cash allocation for part-time help.
3. The maximum non-benefitted part-time employment for district positions will remain 1599 hours.
4. Failure to perform audits and/or submit pre-claim payments (for retirement and insurance) within the established time-frame will result in OCC withholding payment of district claims until compliance is accomplished.
5. In order for a district to be eligible to continue receiving a personnel allocation from OCC, the district must perform annual performance evaluations on all staff.

DECLARATION OF ABANDONED COAL MINE EMERGENCY

Under the provisions of the Oklahoma Public Competitive Bidding Act (Title 61 - Section 130), Mike Thralls, as chief administrative officer for the Oklahoma Conservation Commission, has the authority to declare an emergency.

Whenever the chief administrative officer declares an emergency, he/she shall notify the Oklahoma Conservation Commission and the State Construction Administrator - Office of Management Enterprise Services (Division of Capitol Asset Management - DCA), of such action within 10 days. Such notification shall contain a statement of the reasons for the action, and shall be recorded in the official minutes of the Oklahoma Conservation Commission.

I hereby declare the following emergency:

Emergency Number: OK 2014-03-01

Emergency Name: Perry Bedford

Reasons for Emergency Declaration:

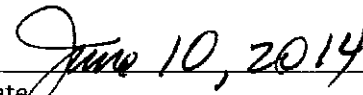

This project addresses a situation involving the sudden collapse of an abandoned underground coal mine vertical air shaft creating a vertical opening (VO) and two associated subsidences approximately 1 mile from Schulter, Oklahoma. The VO is approximately 212 feet deep. A side wall of the VO suddenly collapsed inward, creating a dangerous opening into the coal mine shaft. The subsidences have active erosion taking dirt deeper underground into the mine and possible void underneath. The subsidences side walls appear vertical, creating a danger, and have been covered/obscured with trash.

Location:

It is located in the SE¼ NE¼ of Section 13, Township 12 North, Range 12 East in Okmulgee County (Okmulgee South, Oklahoma, USGS Quadrangle), Oklahoma.

PROPOSED LANGUAGE CHANGES TO THE EUCHA/SPAVINAW 319 PROJECT

In accordance with the wrap up of the Eucha/Spavinaw 319 project, the Delaware County Conservation District Board would like to propose the following changes to the program to optimize use of remaining funds toward the greatest water quality benefits:

1. Begin a new sign-up period in September 2014, with first-come, first served service based on prioritization for approved resource concerns.
2. New sign-ups will have a 6 month contract. Failure to complete contracts will result in contract termination, although cooperators can resign up and be re-ranked.
3. Highest Priority for contracts will be septic systems and riparian fencing. Second priority will be wells, watering tanks, pipeline, and heavy use areas. However second priority practices will be paid as a system. In other words, full suite of agreed upon priority II practices must be installed before payments can be made.
4. Ponds and pasture establishment will no longer be included as part of the program.

Oklahoma Prescribed Burn Association (OPBA) –

- OPBA BOD met in OKC on June 17, 2014. Partnerships, developing concerns about NRCS' technical assistance support for prescribed fire, and future needs were discussed.
- The online prescribed fire training developed by John Weir and OSUNREM is now available. There are over 100 enrolled and completing the training. These participants are from 19 states and Canada. NRCS is adopting this training as a prerequisite for more advanced prescribed fire training.
- OPBA leadership has met with landowners in Ellis Co., Woodward Co., Blaine Co., Woods Co. and Beaver Co. and they are all revitalizing existing or forming new LPBAs.
- OPBA continues to work with various partners to provide burn trailers and other equipment for local prescribed burn associations.

Oklahoma Invasive Plant Council (OKIPC) –

- OKIPC has produced a poster of the "Dirty Dozen" plants in Oklahoma. More information can be found at <http://ok-invasive-plant-council.org/>.

 - Developed agency publications officer guide
 - Developed plan to bring agency into publication compliance
- Updated ODL ABC and Washington, D.C. leadership directories with current agency leadership
- Attended NRCS national team video shoots on western OK farms
- Attended Information Professionals for Oklahoma (iPro) monthly meeting
- Drafted revision to agency media policy
- Attended CPR training
- Attended HRDS training

- Met with OMES-ISD regarding post-consolidation service needs
- Prepared FY15 PIO budget

Carbon Program

- Attended NRCS Soil Health Committee meeting
- Attended and presented on soil health at Oklahoma Chapter of Soil & Water Conservation Society Annual Meeting/Conference
- Attended and presented at the Traveling Educators Tour of the North Canadian River Watershed
- Attended and presented at the Lincoln CCD range and soil health natural resource tour
- Worked with OACD to facilitate WFEC project final payments to participating producers
- Held Soil Health Team soil health training planning meeting

Monitoring

Staff conducted the following activities:

- Continued routine water quality monitoring for the Rotating Basin Project 3.3 (Lower Arkansas, Lower North Canadian, and Lower Canadian Basins)
- Began water quality monitoring for Rotating Basin Project – 4.3 (Washita and Upper Red Basins)
- Continued fish collections for the Rotating Basin Project – 4.3 (Washita and Upper Red Basins)
- In addition, water samples were collected for the Lake Eucha/Spavinaw, Illinois River CREP, and the North Canadian Project sites
- Staff completed the quarterly meter calibration activity and quality assurance session

Wetlands

Staff conducted the following activities:

- Conducted 40 wetland determinations
- Continued updates on the one-stop wetland website for the Oklahoma Wetlands Program
- Continued developing and testing an assessment methodology to identify, inventory, and rank wetlands in priority watersheds for Project 576: **Method Development to Incorporate Wetland Resources in Watershed Planning Efforts in Oklahoma**
- Continued reviewing information and developing a database for the FY14 Restorable Wetlands Database and Web Application Development grant
- Hosted two Oklahoma Wetland Technical Work Group meetings

Blue Thumb ~ Water Pollution Education Program

Report for: Cheryl Cheadle, Jeri Fleming, Candice Miller, and Kim Shaw.

Timeframe: June 1 - 30, 2014

Blue Thumb has sprang into summer while it is still spring by making fish collections. The Great Plains eco-region is being fished. Some collections have been rained out, but nobody is

complaining about that! Quality assurance sessions and bug collections will begin in July, and fishing will continue.

Education/Events Calendar

- 5/31 – Made in Oklahoma Festival, Midwest City, Kim and Volunteers
- 5/31 – Coal Creek Cleanup, Tulsa, Cheryl
- 6/4 – CPR, OKC, Kim, Jeri, JT (intern)
- 6/5 – Deep Fork River wetlands education, Cheryl and volunteer
- 6/5 – Problem Creek Monitoring, Cheryl and volunteer
- 6/6 – Creek walk, Eastern Band Shawnees, Seneca, Cheryl
- 6/8 – Oklahoma Aquarium, Blue Thumb presentation, Jenks, Jeri
- 6/9 – Girl Scout Camp, Blue Thumb Presentation, Stillwater, Jeri
- 6/10 – 12 – North Canadian River traveling educator tour, Candice, Jeri, Cheryl
- 6/23 – Flat Rock Creek monitoring/mini-academy, Cheryl
- 6/24 – 26 H2Ology Camp at Wondertorium, Jeri and Cheryl
- 6/26 – Sapulpa Library, Blue Thumb Presentation, Cheryl
- 6/27 – Otoe/Missouria tribe, Red Rock environmental camp, Cheryl and volunteer
- 6/28 – 4-H parent and volunteer workshop, Blue Thumb presentation, Stillwater, Jeri

Blue Thumb Training/Field Work

- May 27 – Jimmy Creek Fish Collection, Lawton area, Kim, Candice, JT, and Cheryl (plus volunteers)
- June 2 – Four Mile Creek fish collection, near El Reno, Kim, Candice, and JT (plus volunteers)
- June 3 – Six Mile Creek fish collection, near El Reno, Kim, Candice and JT (plus volunteers)
- June 5 – Spring Creek fish collections, Kay County, Kim, Candice, and JT (plus volunteers)
- June 10 – 12 – Blue Thumb Training for New Volunteers, Kiamichi Conservation District, Cheryl, Kim, and Candice (15 volunteers)
- June 19 – Crutcho Creek fish collection, Oklahoma County, Kim, Candice, and JT (plus volunteers)
- June 23 – Deer Creek, Oklahoma County, Kim, Candice, and JT (plus volunteers)
- June 23 – Flat Rock Creek monitoring and mini-academy, Cheryl

Additional Work taking place

- Planning of Blue Thumb biennial conference and celebration has begun
- Work taking place for presentations during North Canadian River tour
- Recruitment efforts for Selman Living Laboratory and Harper CC District Blue Thumb training

Upcoming

- August 1 & 2: Oklahoma Blue Thumb Association Retreat
- August 23 and 24: Blue Thumb Training for New Volunteers, near Selman Oklahoma
- September 19 & 20: "Thumbs Up! For Blue Thumb!" Biennial Conference and 20 year celebration

Management Staff

- Attended OCLWA Board meeting (06/03)

- Attended CPR training (06/04)
- Attended meeting with OMES to discuss state program performance objectives (06/05)
- Participated in the North Canadian River Watershed, Traveling Educator Workshop (06/10 – 06/12)
- Attended OMES Statewide Program Meeting on “Water” (06/16)
- Attended the “Hydraulic Fracturing State Engagement” meeting at ODEQ (06/18)
- Attended informational meeting on the Rural Conservation Partnership Program (RCPP) at state office in Stillwater (06/23)
- Met with OMES staffer to discuss agency IT issues (06/24)
- Participated in conference calls regarding Grand Lake bacterial issue at Bernice SP (various throughout month)
- Attended joint OCC/NRCS leadership meeting (06/30)
- Worked on Unified Watershed Assessment ranking revisions
- Responded to numerous internal and external info requests throughout the month

Environmental Programs Manager

NPS Management Plan

- Currently working on Plan revisions and updating the UWA.
- Greg is finalizing the UWA and it should be ready to send out for comment by early July.
- Shanon is currently editing and updating the NPS Management Plan and once we receive comments on the UWA we will send out a draft Plan for comment.

ODOT Hwy 10 – Illinois River Stream Restoration Project

- Survey work was completed in late May and a 30% plan was emailed to OCC and ODOT for review.
- Concept meeting was held on June 17, 2014 with Stantec, North State Environmental, ODOT, OCC, CAP, DEQ, EPA and U.S.A.C.E. to review the 30% plan and provide everyone an opportunity to comment and make suggestions.
- The required Section 404 permit application is in progress. Stantec and I working together to prepare it.
- A title opinion was requested from a local attorney to clarify language on the west participating landowner's property deed. The attorney declined to do the title opinion for liability reasons. However, after discussions with another title attorney and two abstractors, Janet Stewart and I determined that the east non-participating landowner does not own the land that we need to work on. The east landowner has been notified of this and will be sent notice of the public comment period for the permit.

Technical Writing & Records Management

Staff conducted the following activities:

- Worked on various reports and written outputs in fulfillment of workplan deliverables
- Fulfilled multiple information requests
- Entered sampling information
- Attended CPR training, 6/4

- Attended / assisted with North Canadian River Tour, 6/10-12
- Held meter calibration / quality assurance day for monitoring staff, 6/18

Environmental Projects Coordinator

Staff submitted the following to EPA Region 6

- FY 2014 SOP update

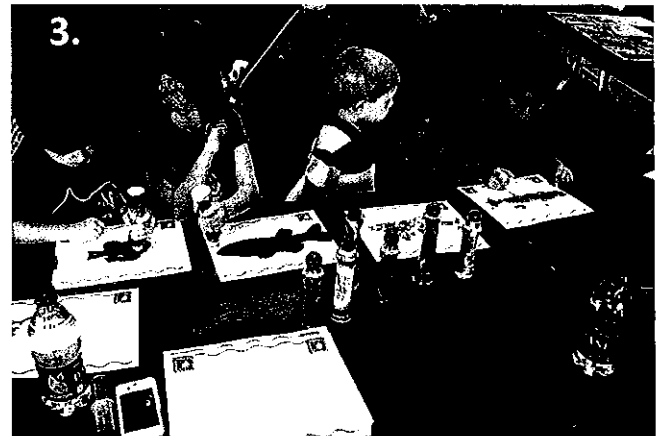

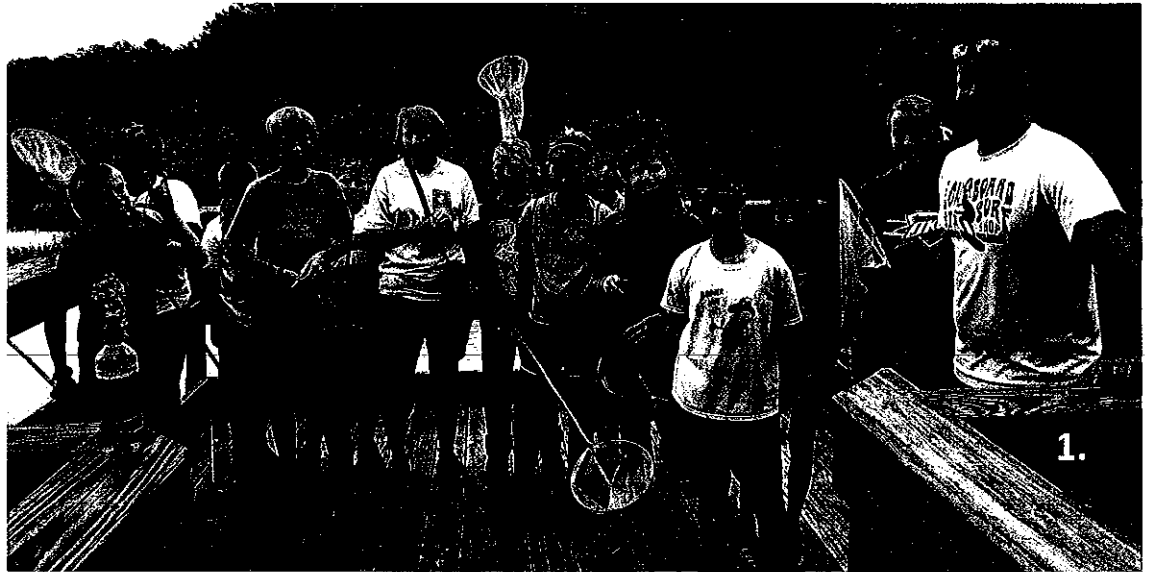

Staff received the following from EPA Region 6

- Approval of the Lake Thunderbird Wetlands Treatment Study
- Approval of the Benthos Torch QAPP
- Final award of fy 2014 EPA grant funds, \$1,445,503

Blue Thumb Pictorial Report

June, 2014

The month of June has held field work, an educational tour, and lots of education work with children!

1. Blue Thumb wetlands presentation at the Deep Fork National Wildlife Refuge south of Okmulgee.
2. Pollution prevention demonstration at Girl Scout Camp Sylvia Stapely in Stillwater (Jeri)
3. World Ocean Day at the Oklahoma Aquarium (fish printing, Jeri)
4. Volunteer Ranae Smith, Rogers County, monitoring at her site on Chambers Creek. This month her creek showed very low dissolved oxygen.

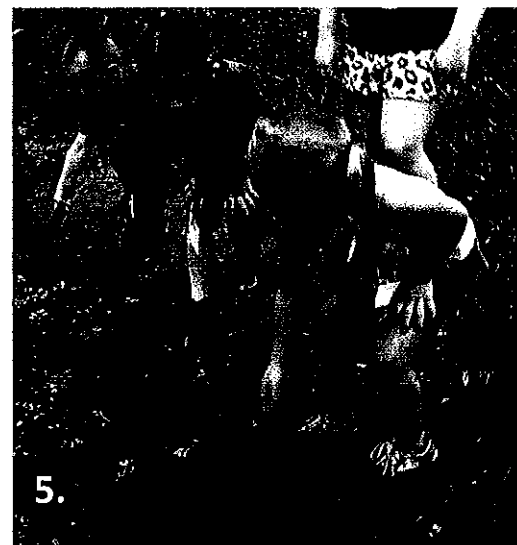

Blue Thumb fish collections are the primary field work that takes place each summer. Volunteers work with staff (Kim Shaw, Candice Miller, and JT Darling) to fish a 400 meter section of stream. This summer, the Central Great Plains eco-region Blue Thumb streams are being collected.

1. Six Mile Creek in Canadian County
2. Creek Chub from Jimmy Creek
3. Spring Creek in Kay County

An additional educational activity of June was a fishing derby held in Seneca (Oklahoma side) with the Eastern Band Shawnee Tribe, hence photographs 4 and 5.

North Canadian River Traveling Educator Tour, June 10—12, 2014

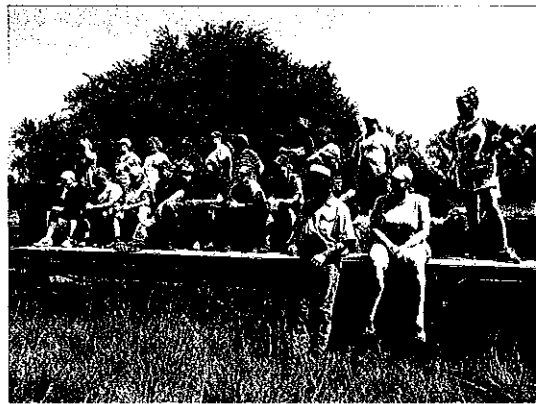

Both traditional and non-traditional educators learned all about the North Canadian River Watershed (history, geology, agriculture, and water quality) on the traveling educator tour.

Dr. Pauline Hodges, a dust bowl survivor, was a special guest on the tour. After viewing a segment of the Ken Burns' Dust Bowl documentary, Pauline shared with the tour participants details of her life as she grew up in the panhandle during the dust bowl.

Pauline's real-life accounts, tempered with her good humor and excellent ability to tell a story, brought a long-ago disaster home to the group.

Debi Carnott, OCC, and Tammy Huffstutler, land owner, tell tour participants about how water quality is protected on the ranch. Far right: tour participants get a real tour of the Huffstutler property, including conservation practices.

What's a watershed tour without spending time in the water? There were three stops along the way that allowed the class members to actually experience the North Canadian River.

Group participation allowed the students to learn through Project WET activities and to find out what makes a healthy soil as NRCS and OCC staff brought soil profiles of local land for inspection.

Blue Thumb Training, Hugo, OK (Kiamichi Conservation District)

June 16 & 17, 2014

A new set of Blue Thumb volunteers graduated from training on Tuesday afternoon, June 17. These volunteers went through the most recent training in Hugo. The new group was introduced to:

Stream ecology

Field collections

Nonpoint source pollutants

Water testing

On-site observations

Watersheds and much more.

ABANDONED MINE LAND DIVISION MONTHLY SUMMARY**

Mike Sharp, Acting AML Program Director

July 7, 2014

Status of AML projects:

Northeastern State (Wagoner County)

Construction contract is with W.W. Excavating, LLC, for \$1,816,890. The contract time is 565 days with a completion date of July 15, 2014. The contractor has completed approximately 95 percent of the work in 99 percent of the contract time. OCC will submitted a change order request to Construction and Properties to extend the contract time due to weather days.

Baumann (Rogers County)

Construction contract is with Weaver Excavating, Inc., for \$564,535.63. The contract time is 311 days with a completion date of July 26, 2014. The contractor has completed approximately 92 percent of the work in 99 percent of the contract time.

Reves Phase 3 (Sequoyah County)

Office of Surface Mining has issued the authorization to proceed. Final design is close to finished.

Thompson UM (LeFlore County)

Construction contract is with Frazier Construction Company for \$23,835. The contract time is 60 days with a completion date of August 12, 2014. The contractor has completed approximately 10 percent of the work in 40 percent of the contract time.

Peevyhouse (Haskell County)

Contract for maintenance work was awarded to Booth Environmental Sales & Service, LLC. Work was completed on May 5, 2014, for \$27,871.04.

Bacon (Rogers County)

Maintenance work was completed on May 28, 2014, for \$3,260 by Weaver Excavating, Inc. Site was revegetated by Rogers County Conservation District.

Greer Phase 3 (Rogers County)

Project is in the process of being sent to the reclamation committee for comments and sent to the newspaper for public comments.

Moore North (Rogers County)

Project is being designed by the Natural Resources Conservation Service.

Moore South (Rogers County)

Project is being designed by the Natural Resources Conservation Service.

Pryor North (Muskogee County)

Project is being designed by the Natural Resources Conservation Service.

Pryor South (Muskogee County)

Project is being designed by the Natural Resources Conservation Service.

Perry Bedford Emergency (Okmulgee County)

This project was declared an emergency on June 10, 2014, and addresses a situation involving the sudden collapse of an abandoned underground coal mine vertical air shaft creating a vertical opening (VO) and two associated subsidences approximately 1 mile from Schulter, Oklahoma. The VO is approximately 212 feet deep. A side wall of the VO suddenly collapsed inward, creating a dangerous opening into the coal mine shaft. The subsidences have active erosion taking dirt deeper underground into the mine and possible void underneath. The subsidences side walls appear vertical, creating a danger, and have been covered/obscured with trash. The site is located in the SE¼ NE¼ of Section 13, Township 12 North, Range 12 East in Okmulgee County (Okmulgee South, Oklahoma, USGS Quadrangle), Oklahoma.

Construction and Properties Department is in the process of issuing the contract to Mark's Construction, LLC, for \$38,150.

Staff Activity

- Sharp met AML Inspector Tracy Reeder at the Baumann AML Project on June 4 to review progress of work. Grading is nearly complete. Due to the very flat slopes the site becomes unworkable with small rain events.
- Reviewed draft final plans and specifications prepared by C.H. Guernsey for the Reves Phase 3 AML Project.
- Retrieved mine maps from the Oklahoma Department of Mines for the Perry Bedford Emergency. Maps were scanned and incorporated into maps showing the location of the mine workings and location of the shaft.
- Reviewed Beachner lawsuit material with the Attorney General staff.
- Ireton and Sharp worked with OCC Admin on AML budget for FY'15.

**OKLAHOMA CONSERVATION COMMISSION

Feds Feed Families

This summer, USDA will once again lead the Feds Feed Families campaign with the support of the Chief Human Capital Officers Council and other agency partners, which officially began on June 1 and will run through August 27, 2014. The USDA club at the State Office in Stillwater kicked off the event with a Pulled Pork luncheon and collected \$200 for **Cowboys with Compassion**, the nonprofit organization we will be collecting for this year.

<http://www.cowboyswithcompassion.org/>

Since the campaign began in 2009, Federal workers have donated and collected 24.1 million pounds of food and other non-perishable items to support families across America. More than 85 percent of Federal workers live and work outside the Washington D.C. area, so we are helping communities in every state.

Last year USDA collected nearly 9 million pounds of food, and asked agencies this year to set their own goals again and beat their previous best!

All Federal agencies, including field components, are asked to participate in the campaign. The field agencies can share their collections with their local food banks; we are looking forward to ensuring the FFF campaign will stretch across Oklahoma. Please bring non-perishable food items and place them into a designated collection box located in your Federal workplace.

Learn more about most wanted items in area food banks from the Capital Area Food Bank.

Cowboys with Compassion will take any kind of food.

Food donations may be canned and/or boxed.

We have placed collection boxes near each entrance door and will be making deliveries periodically throughout the food drive.

The drive ends August 27, 2014.

ENGINEERING REVIEW

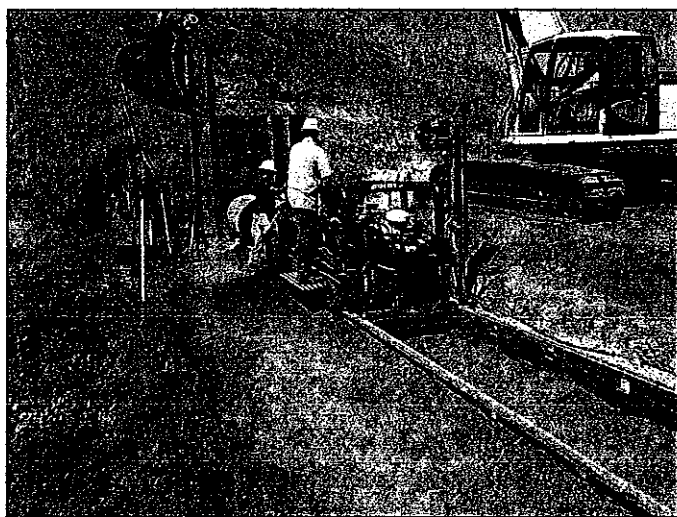

Final Inspection on Ft. Cobb Laterals Site 10 Rehab

The final inspection for Fort Cobb Laterals Site 10 Rehabilitation was conducted on June 5, 2014. Site 10 was originally constructed in 1976 as a low hazard structure but has been reclassified as high hazard. The modifications in this rehabilitation extend the life of the site and bring it into compliance with current high hazard safety criteria.

Site 10 is located 5 miles west of Anadarko, just south of State Highway 62. The sponsors for the project are the South Caddo Conservation District and the Caddo County Commissioners. The dam is 42.4 feet high and composed of 117,700 cubic yards of earthfill.

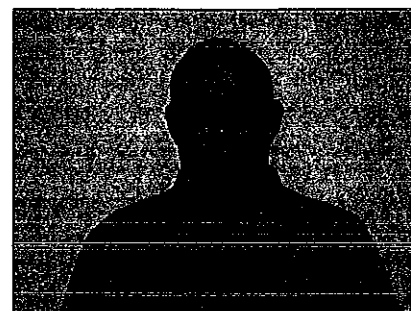

The rehabilitation of this project consisted of raising the dam 3.8 feet, increasing the auxiliary spillway width from 50 feet to 170 feet, and replacing the 18 inch principal spillway with a new 30 inch concrete pipe. The new principal spillway pipe was installed through the dam via a boring and jacking operation. An auger boring machine was used to tunnel through the embankment and install a 42 inch steel casing pipe. The 30 inch concrete pipe was then slid through this casing pipe and the voided area was filled with grout.

Heath Sand with the Oklahoma Design Section designed this project. Joe Freeland and Ron Smith with the Pauls Valley Watershed Office were the NRCS representatives during construction and Tammy Sawatzky with the Oklahoma Conservation Commission was the Contracting Officer. The contractor was T. McDonald Construction out of Eufaula, Oklahoma.

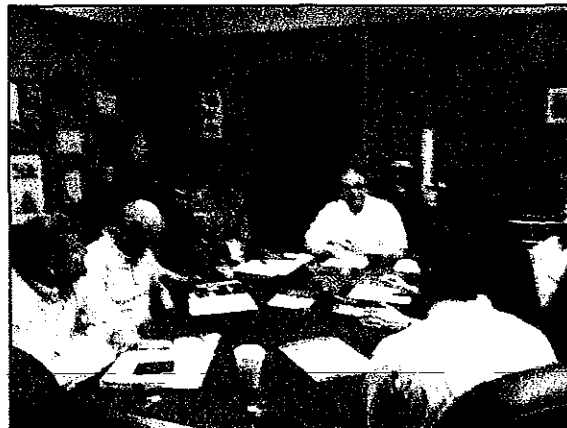

Gregg S Hudson to serve as Geologist in the NDCSMC center in Ft. Worth

Gregg S Hudson, currently serving as the Geologist in the NRCS Oklahoma State Office, has been selected, and has accepted, to serve as a Geologist in the National Design, Construction, and Soil Mechanics Center (NDCSMC) in Fort Worth, Texas; he reports July 14, 2014. Gregg has served Oklahoma since arriving in August of 2009. He began his career with the NRCS in July 2007 as the Geologist in the Utah State Office. This new position will still allow him to support Oklahoma in their efforts to put conservation on the ground. And, he looks forward to working with his successor as soon as he or she comes aboard.

OUTREACH REVIEW

The Natural Resources Conservation Service (NRCS) and Rural Development (RD) partnered to hold a tribal consultation meeting with the Osage Nation. The consultation meeting was held at the Osage Nation tribal complex in Pawhuska, Oklahoma. Representing the Osage Nation were Governor Scott Bighorn and seven tribal leaders and directors. Representing NRCS were; State Conservationist, Gary O Neill, State Tribal Liaison, Carol Crouch and State Director, Ryan McMullen, represented RD. USDA representatives provided attendees with valuable information on the 2014 Farm Bill programs and community based funding opportunities. The focus of the meeting was to consult with the Tribe to identify their conservation needs, issues, barriers or concerns; then determine if the USDA agencies could provide assistance. Informational packets were provided from the Farm Service Agency, NRCS and RD.

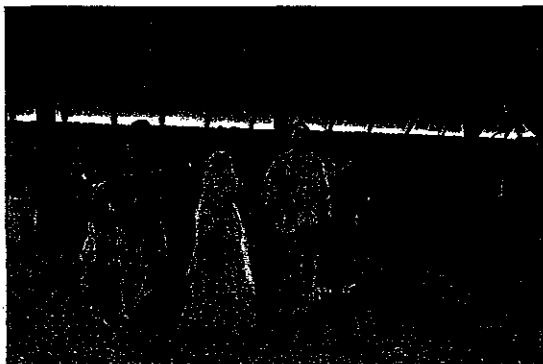

Governor Scott BigHorse , NRCS State Conservationist, Gary O Neill and Tribal leaders of the Osage Nation

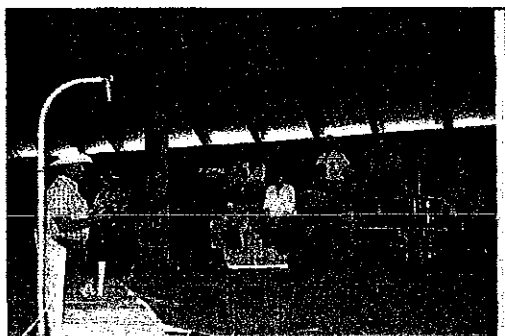

The Natural Resources Conservation Service (NRCS), the Oklahoma Tribal Conservation Advisory Council (OTCAC), the Chickasaw Nation and the Murray County Conservation District partnered to hold free conservation workshop and traditional luncheon on May 7, 2014. The workshop was held at the Chickasaw Cultural Center, in Sulphur, Oklahoma. Farmers, ranchers, Tribes, tribal members and women in agriculture attended. The workshop included a tour of the Chickasaw Cultural Center and a traditional lunch. Attendees were provided valuable information regarding the importance of soil health, best management practices for pasture and rangeland and funding opportunities through USDA 2014 Farm Bill programs. Representatives from the USDA NRCS, Farm Service Agency (FSA), Rural Development (RD), Risk Management Agency (RMA) and the Animal Plant Health and Inspection Service (APHIS) presented updates on the 2014 Farm Bill. According to NRCS Tribal Liaison, Carol Crouch, "This was a unique conservation workshop because attendees not only received valuable information regarding the Farm Bill and importance of soil; but were able to absorb the rich culture of the Chickasaw Nation."

Beaver County - Beaver Field Service Center

On June 17, 2014 the Oklahoma Department of Agriculture Food and Forestry, OSU Extension Service and Natural Resources Conservation Service Beaver Field Office hosted teachers from across the state participating in the Ag in the Classroom Tour. Dr. Pauline Hodges spoke first about her experiences growing up in Beaver County during the Dust Bowl and as a teacher. Carri Reddick, District Conservationist for the NRCS then gave a presentation on Salt Cedar in the Beaver River/North Canadian River and demonstrations were set up along the river north of town where the teachers were able to see the approximate area of the root system of Salt Cedars along with bags tied around small portions of the branches to show the amount of water loss through transpiration of Salt Cedars. Finally, Barrett Robertson, Soil Conservation Tech, gave a presentation on the Salt Cedar Beetle that has found its way into Beaver County. He spoke about the life cycle of the Beetle and its possible use as a means of biological control for Salt Cedar. All in all, it was a great day to educate these men and women on some of the issues facing the agriculture industry today and how these issues also affect them, especially in terms of the drought and water shortages. There were approximately 50 teachers that attended this event.

Every year, Oklahoma Association of Conservation Districts and the National Land and Range Judging Contest steering committee selects an honoree. Honorees are individuals who have made outstanding contributions to the National Land and Range Judging Contest. This year's selection was NRCS Soil Technician, Nick Owen, from the El Reno Field Office. Shown here with his family as they enjoyed the banquet at the Cowboy Hall of Fame where he was honored with his plaque.

Nick was honored for his important part in the site selection and layout of the National Land and Range Judging Contest. Annually he has been instrumental in contest site selection, digging pits, parking vehicles and locating the site to feed over 1000 students, sponsors, and parents in attendance, as well as making sure the judging site & lunch location was returned back to the way it was found. Oklahoma Association of Conservation Districts and the Steering Committee wanted to recognize him for all his great work that he contributes to the contest.

On Saturday, April 12th Chris Best, NRCS, District Conservationist, Erica Armstrong, District Manager and Becky Inmon, District Secretary, and the Oklahoma County Conservation District, met at Lake Overhouser for the Great American Cleanup, Keep Oklahoma Beautiful Event. We began at 8 a.m. cleaning trash out of the East Stinchcomb Wildlife Refuge. Duck Hunters like to hunt at this location so there were quite a few old rotted duck blinds and old furniture out on the edges of the lake. Becky, Erica and a few helpers picked up trash and debris, Chris and another gentleman picked up the heavy items. Two truck beds and a flatbed trailer were filled full of rotted wood and old furniture. Tiring day but extremely rewarding.

April 23rd, Erica Armstrong, District Manager, Christopher Best, D.C., El Reno F.O., Larry Hood, Soil Conservationist, Severo Cosyleon, Civil Engineer SO, Janet Stewart, OCC's Attorney and Tom Lains with the Oklahoma Corporation Commission all met with Lon Loveless, Project Manager, Dawson Geophysical Company Seismic Group.

They began with a power point demonstration of how their seismic system works and how it affects our watershed dams. Their goal was to be able to do their testing at a distance of 300 Ft from a High Hazard dam instead of the current 1,000 ft. proving that 300 feet had no effect on the dam itself. Dawson wanted to show us how it was hurting their data by being that far away and explained that Seismic monitoring is like an ultra sound that measures off of vibration which puts sound waves into the ground without damaging the soil or doing any ground damage.

We then had a field demonstration with us standing at 100 ft, 200 ft and 300 ft away from the test area. A picture of the equipment used in the test is below.

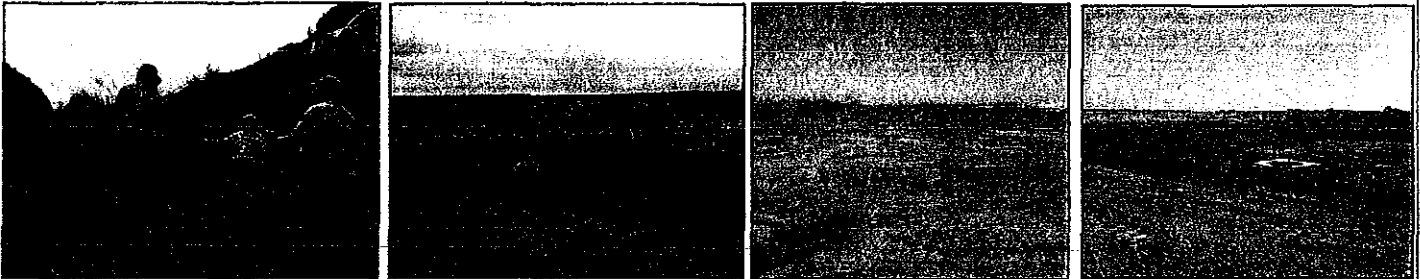

There were 11 in attendance with two from the NRCS State Office and one from the Commissioners Office.

A group of our newest NRCS employees from across the nation participated in a week long Orientation for New Employees training the week of April 14th to 18th. The group stayed in Oklahoma City and visited a number of sites during their week here including Eagle Ridge Institute and Shilo Cam. This is a facility that provides young mothers and their children with prevention and treatment programs that address issues such as drug abuse, gang violence, juvenile crime, child abuse, youth leadership and family preservation.

Rick Godfrey, an OCCD Board member, provided a Board members perspective of the partnerships between NRCS and the Conservation Districts and urban facilities such as Eagle Ridge Institute.

Steve Alspach, NRCS State Soil Scientist, provided Soil Health information and demonstrations for the class.

John Mayfield, Director of Eagle Ridge stopped by to visit and welcome the group and explain this unique partnership with the Oklahoma County Conservation District and NRCS.

Don Bartolina took the class to Junior's pond which is named after the retired technician Junior Evans who helped Eagle Ridge with the pond and wetland development, and described the challenges of urban planning and implementation of practices and the partnerships that must be maintained to accomplish these types of practices.
