SETTLEMENT AGREEMENT AND GENERAL RELEASE

THIS SETTLEMENT AGREEMENT AND GENERAL RELEASE ("Agreement") is entered into as of _____, 2017 ("Effective Date"), by and between the Oklahoma Conservation Commission ("Commission") an agency of the State of Oklahoma located at 2800 N. Lincoln Blvd., Suite 200, OKC, OK 73105 and Ernest Callison, ("Claimant") located at _____, Welch, OK 74369.

WITNESSETH:

WHEREAS, on or about January 6, 2016 the Craig County Conservation District ("District") requested clarification on an issue from a Commission employee. On January 7, 2016, the Commission employee asked the following question of the Director of the Water Quality Division of the Commission: *Are Conservation District employees and district boards eligible for the program?* (Program meaning: Neosho River Regional Conservation Partnership Program Project "NEOSHO RCPP").

WHEREAS, the response back from the Director stated as follows: *Yes, Conservation District employees and boards are eligible, same rules as normally apply.*

Whereas, Director assumed that questioner understood what was meant by the words "*same rules as normally apply*". These words in the Director's mind meant that board members can participate in the 319/state funded program, but cannot vote on program rules and as a result only the number of directors on the Board that are not needed to sustain a quorum can participate. Also, that employees and their family members can participate in EQIP, a federal program, but cannot participate in state cost share programs.

Whereas, Commission employee did not understand the words "*same rules as normally apply*" in the same context as the Director and responded back to the District that employees and their family members were eligible to participate in the NEOSHO RCPP.

Whereas, a District employee's husband, the Claimant, applied and was approved for the NEOSHO RCPP and signed a "Performance Agreement" with the District on June 1, 2016 that expired in May of 2020.

Whereas, Claimant, pursuant to the terms in his "Performance Agreement," complied with all the restrictions of use and conservation practices on his property for the first year; thus, resulting in Claimant filing a claim with the Commission at the end of the first performance year for his first initial payment of \$15,273.00.

Whereas, upon receipt and review of the claim, a Commission employee recognized that the Claimant was the husband of one of the District's employees. As such the Claimant is ineligible to participate in the cost-share program and/or to receive payment under the program. Hence, the Claimant's claim was denied by the Commission for being ineligible under the NEOSHO RCPP and also pursuant to the Oklahoma Ethics Statutes, specifically 74 O.S. Rule 4.7.

Whereas, Claimant contacted the Commission to discuss losses to his livelihood owing to reliance on the "Performance Agreement" signed in June of 2016.

WHEREAS, in the negotiation of the issues, the Parties have agreed to settle pursuant to the terms set out below.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

I. Terms.

- A. **Payment.** Subject to the terms and conditions of this Agreement, the Commission shall pay the Claimant Fifteen Thousand Two Hundred and Seventy-Three Dollars (\$15,273.00) ("Payment"). The Payment shall be paid within 30 business days of the Effective Date and shall be made out in the name of Ernest Callison. The funds used by the Commission to settle this dispute shall not be from any 319 or other cost-share monies. The Claimant acknowledges and agrees that once the Payment is received that Claimant shall be responsible for any and all applicable federal, state and local taxes.
- B. **Termination of Performance Agreement.** Claimant now understands why he is ineligible to participate in the cost-share program and agrees with the automatic and immediate termination of the "Performance Agreement." Claimant also acknowledges that no payments will be made to him through the cost-share program and that he is no longer bound by any of the restrictions on the use of his property or conservation practices detailed in the "Performance Agreement."
- C. **Release.** In consideration of the Payment by the Commission and any other benefits set forth herein, the Claimant, on behalf of himself and his family members, heirs, representatives, successors and assigns, knowingly and voluntarily waives, releases and forever discharges the Commission and the District as well as the Commission and District's respective current and former board members, employees, officers, representatives, partners, agents and any successor or assign from any claim, charge, action or cause of action whether known or unknown from the beginning of time through the date of this Agreement based upon any matter, cause, or thing whatsoever related to or arising out of the Conservation Cost-Share Program Performance Agreement signed on June 1, 2016 by Claimant. The only exception to this clause would be for any claims arising out of a breach of this Agreement or any claim that cannot be waived by law. All other claims arising under this Agreement are forever barred by this Agreement.

II. Entire Agreement. This Agreement contains the entire agreement between the Parties concerning the Commission's responsibilities and obligations to Claimant and supersedes all prior oral agreements, understandings, discussions, negotiations, and undertakings between the Parties. This Agreement may not be modified or amended except by a written addendum signed by both Parties.

III. No Admission. This Agreement is entered into in compromise of issues arising through a miscommunication on the eligibility of employees and their family members in the NEOSHO RCPP. The parties acknowledge and agree that this Agreement does not constitute and should not be construed in any way as an admission by any other party of (a) any wrongdoing or liability whatsoever, (b) any violation of the Claimant's rights or those of any other person, or (c) any violation of any order, law, statute, duty or contract.

IV. Severability. In the event that any provision or portion of this Agreement or the application of this Agreement, or the application of this Agreement to any person or circumstance is determined to be invalid or unenforceable for any reason, the remaining provisions or portions of this Agreement, and the application of the provisions to persons or circumstances other than those to whom it is found to be invalid shall be unaffected thereby and shall remain in full force and effect to the fullest extent permitted by law.

V. Titles. Agreement titles and subtitles are for convenience only and shall not be deemed to have legal effect.

VI. Interpretation; Governing Law. This Agreement shall be interpreted in accordance with the plain meaning of its terms and not strictly for or against any person or entity. To the extent that federal law controls the interpretation or enforceability of any provision of this Agreement, this Agreement shall be construed and enforced in accordance with federal law. Otherwise, this Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of Oklahoma.

VII. Approval. This Agreement shall not be deemed in effect until (1) signed by the Claimant (2) reviewed and approved by the Commissioners of the Commission during a regular Commission meeting and (3) signed by the Chair of the Commission.

VIII. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile shall be effective for all purposes.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the date first written above.

IX. Claimant's Signature. In witness whereof, the Claimant being of sound mind, acknowledges that he has read the Agreement and understands it and that he has executed this instrument both knowingly and voluntarily on the _____ day of _____, 2017.

CASE REVIEW/LEGAL ISSUES SALLISAW 33

The Sequoyah County Conservation District ("SCCD") commenced Case No. CS-09-633 by filing its Petition for condemnation to acquire certain property interest to perform rehabilitation work on a floodwater retarding structure referred to as Site 33 (the "dam" or "Site 33"), since the dam had been classified as a "high hazard" dam ("Condemnation Proceeding"). Commissioners were appointed and found just compensation due Defendants in the amount of \$77,000.00. SCCD has deposited said sum with the Court Clerk.

Benitscheck Taylor filed a Petition with the Oklahoma Water Resources Board ("OWRB"), seeking a declaration that the dam is not a "high hazard" dam. The OWRB denied the Petition. Defendants appealed the ruling of the OWRB ("Administrative Appeal") in Case No. CV-11-65. Over the objection of SCCD the Court consolidated the Administrative Appeal and the Condemnation Proceeding. On August 12, 2013, the Court summarily ruled that the dam was not "high hazard" (the "Order"). The OWRB filed its appeal. SCCD filed its brief in this appeal.

The appeals court ruled that the trial court exceeded the proper scope of review and reversed the Order of the trial court. However, the court also concluded the OWRB erred in failing to address the Taylor's petition regarding the high hazard classification "today" of the dam and remanded the petition back to the OWRB for further proceedings.

Currently, SCCD is awaiting the review and determination by the OWRB. Once a determination is made by the OWRB then the SCCD can review the findings and hopefully proceed with Case No. CS-09-633. The SCCD believes that the review and determination by the OWRB can be completed in the next 90-120 days.
