PRESENTATION OF COMMISSION AGREEMENTS

Prior to presenting agreements, Ben Pollard, Assistant Director, stated that four agreements with the Natural Resources Conservation Service are recommended for ratification today. Money is being added to these agreements because retired State Conservationist Darrel Dominick took a stand and questioned the lack of technical assistance dollars coming to Oklahoma. Since Mr. Dominick's reassignment by NRCS, which he declined and chose early retirement instead, the Conservation Commission has received an additional \$472,000. In addition, NRCS has received new technical assistance funds to fill positions that have been vacant for some time, for instance the District Conservationist position in Stephens County that has been vacant for 7 months and will now be filled. The additional funding from Washington NRCS has also allowed the NRCS to fulfill agreements with the Department of Wildlife Conservation, Ducks Unlimited and the RC&D Councils.

Mr. Pollard stated that his first reaction would be to decline these funds but that Mr. Dominick would want the Commission to accept the money and then do the best it can to put conservation on the land. Mr. Pollard acknowledged the work of NRCS staff members Kevin Norton, Gary O'Neill and Bill Porter for their work in getting these agreements ready for approval

in such a short time frame. He also acknowledged Acting State Conservationist Pat Leavenworth for signing the agreements.

Mr. Pollard then presented agreements as listed in Exhibit #3. After discussion, a motion was made by Mr. Jeans and seconded by Mr. Lowrance to ratify approval of agreements (a) through (e). Those voting aye were: Stunkard, Lowrance, Kidd, Gard and Jeans. Nay votes: none. Motion carried.

The Commission will also be requesting the legislature to remove the cap on REAP fund transfers to provide additional funding for watershed rehabilitation, conservation cost-share, and a conservation reserve enhancement program.

OKLAHOMA CONSERVATION COMMISSION MEMBERS

Mr. Gard will be attending the Governor's Biofuels Conference in Norman on October 3-4.

She questioned if funds would be available for a Phase II project. Ms. Kidd also reported on attending an OACD strategic planning committee meeting to discuss association membership issues.

Mr. Lowrance reported on attending the National Watershed Coalition's Organizing for Action Workshop. District staff that attended the workshop thanked the Commission for sponsoring their attendance. Mr. Thralls shared letters of thanks from employees.

Both were related to questions Oklahoma had regarding the allocation of NRCS technical assistance funds. He stated that his questions were answered and that it was now time to move on although events could have been avoided if these questions would have been answered earlier in the year. Mr. Lowrance stated that Mr. Wilson has met with new NRCS Chief Arlen Lancaster and that Mr. Lancaster has new ideas about the allocation of NRCS funds.

Mr. Stunkard attended the Commission's full staff meeting held in Jay, Oklahoma as well as the tour of the water quality demonstration farm. OKLAHOMA CONSERVATION COMMISSION STAFF

Administration: Mike Thralls, Executive Director, congratulated Mike Sharp and Mike Kastl on receiving awards during the National AML Association meeting. Mr. Thralls reported on attending the National Association of State Conservation Agencies annual meeting in San Antonio, Texas. NACD President Bill Wilson was in attendance and introduced NRCS Chief Arlen Lancaster to the group. He was accompanied by Doug McCaleb, NRCS Information Officer. Mr. Thralls

stated that the comments from Chief Lancaster were positive. Mr. Lancaster wants to build strong partnerships with state agencies. Comments to the Chief were that states have a good partnership with NRCS but that the partnership has been greatly damaged.

Claims continue to be processed for the cost-share program. Mr. Toole stated that dollars sent to conservation districts multiply four to seven times within the local economy as a result of the

people who are customers of the Districts.

A preconstruction meeting for the Sugar Creek, Devil's Canyon drop structure project was conducted and work should begin this month. A preconstruction meeting was conducted for the Barnitz 14 rehabilitation project and work should begin this month. A pre-bid conference will be held this month for the Mill Creek 18 rehabilitation project.

Mr. Toole stated that the watershed technicians participated in the National Watershed Coalition's Organizing for Action Workshop in Nebraska City and will be multipliers of that knowledge as they visit District board meetings.

The Wildlife Federation is putting together a task force and has asked OACD to join to discuss the Conservation Reserve Program as well as the Conservation Title of the Farm Bill.

The city of Kingfisher is writing a conservation innovation grant for a trails system along the Cimarron River.

The OACD newsletter was emailed last week and work is beginning on the handbook. Mr. Pope will be attending the state Grange meeting in Tulsa on October 20.

Mr. Stunkard reported that years ago when the Roadside Erosion Program was in existence a legislator suggested that the program be changed from the Roadside Erosion Program to the Roadside Enhancement Program; enhancement may be more receptive than erosion. He suggested OACD look at this.
