I. PROCEDURES:

A. EFFECTIVE DATE

These purchasing procedures shall become effective upon review and approval by the governing board of the Oklahoma Conservation Commission (hereafter COMMISSION). Notwithstanding, these procedures are subject to review by the Office of Management and Enterprise Services (OMES).

B. GENERAL INFORMATION

The purchasing policies and procedures contained within this document comprise the body of rules, regulations, and practices governing procurement within the COMMISSION. This document replaces and/or supersedes all previous policies, procedures, rules, regulations, memoranda, handbooks, manuals, or directives pertaining to purchasing as internally authored by the COMMISSION.

All acquisitions by the COMMISSION shall comply with these internal purchasing procedures to provide for the effective procurement of goods and services necessary to carry out the functions of the COMMISSION. The goal of this document is to provide an internal reference of policies/procedures relevant to COMMISSION purchasing activities and is not intended to circumvent or ignore relevant State laws, rules, and regulations that would control in instances of omission or unintended disagreement.

The COMMISSION's Executive Director shall designate a State Entity individual to act in formal oversight of all financial management and purchasing activities for the agency. This person or their designate shall serve as the COMMISSION's P-Card Administrator and primary Certified Procurement Officer. Unless otherwise noted, the COMMISSION's Executive Director or designate is the agency's final approval authority for financial and purchasing decisions.

C. AGENCY CERTIFIED PROCUREMENT OFFICER(S)

The Executive Director, Assistant Director and/or Division Directors within the COMMISSION shall select one or more employees as determined for process efficiency for training and certification as a Certified Procurement Officer (CPO). The COMMISSION shall designate a Primary Certified Procurement Officer, who shall serve in administrative support capacity over COMMISSION purchasing. The primary administrative support/responsibilities of this person shall include:

1. Monitoring and overseeing the COMMISSION purchasing process,
2. Supporting, guiding, and as necessary, enforcing COMMISSION staff in the use of these procedures,

3. Reviewing and processing purchasing requests in compliance with all applicable laws, rules, regulations and procedures,
4. Establishing effective working relationships with vendors, the OMES, and others,
5. Maintaining records of all purchases.

D. COMMISSION DIVISION RESPONSIBILITIES

Within their respective areas of authority, managers/supervisors of the COMMISSION are responsible for:

1. Advanced planning for acquisitions so that supplies and services can continue without interruption,
2. Assessing division needs,
3. Monitoring, auditing, and evaluating purchasing activities,
4. Effectively managing the agency's assets,
5. Providing contract oversight and enforcement,
6. Developing and assisting in the development of purchasing documents,
7. Assuring that funds are budgeted or otherwise available for requested purchases, and
8. Supporting, guiding, and as necessary, enforcing employees in the use of these procedures.

Employees of the COMMISSION are responsible for:

1. Identifying the goods and services necessary to fulfill their assigned tasks,
2. Knowing and complying with the provisions of this policy.

E. PURCHASE REQUESTS

No employee shall financially obligate the COMMISSION without first obtaining the appropriate division level and/or agency approval(s). The formality of this approval constitutes a Request for Acquisition (RFA), which shall be completed and approved for all purchases, unless otherwise noted.

1. REQUEST FOR ACQUISITION (RFA)

The RFA is designed to collect relevant information concerning the purchase request including a description of the requested product or service and the justification relating to the requested product or service. The RFA also helps to ensure that the requested product or service has received the applicable approvals prior to the expenditure and that the approved purchase will be charged to the appropriate accounts.

Purchases which exceed the estimated cost by 10% on a RFA must be re-submitted through the approval process, unless directed otherwise by an agency CPO.

All RFA's must be approved by a designated Approving Official within the COMMISSION. Unless directed otherwise by the Executive Director, RFAs must be pre-approved by the Executive Director or designee in his/her absence under the following conditions:

1. The RFA is for goods/services greater than or equal to \$1,000, or
2. The RFA is for goods/services less than \$1000 that may be considered outside scope of routine work activity.

2. EMERGENCY PURCHASES

The COMMISSION's Executive Director may authorize a COMMISSION CPO to make an emergency purchase (Title 74, O.S. §85.7(A)(4)). An emergency purchase is one which is defined as a condition resulting from a sudden unexpected happening or unforeseen occurrence or condition and situation wherein health or safety of lives and property are endangered, the situation will continue to worsen, or where there will be substantial damage to public and/or agency property. Acquisitions under this provision may not exceed \$100,000. Detailed written justification shall be provided to the ODAFF's Primary CPO for transmittal to OMES within five days following the acquisition. The written justification must state the word "emergency".

EXCEPTION

Emergencies that arise through the Abandoned Mine Land and the Conservation Programs Divisions related to construction type emergencies or dam failures shall NOT be limited by the \$100,000.00 monetary cap. These Divisions shall be responsible for following the instructions and guidelines established by the OMES DCAM Construction and Properties Division (CAP) and the processes set out by the State's Emergency Management and our federal partners. ODAFF's Primary CPO shall be immediately updated on the situation, provided with detailed paperwork and written emergency justification(s), and engaged in the process where needed to ensure sound monetary policy and quick efficient response to the emergency situation.

F. METHODS FOR PURCHASE

1. STATE USE COMMITTEE

Title 74 O.S. § 3001 through 3010 establishes the State Use Committee which designates a procurement schedule of the products directly manufactured, produced, processed or assembled, or services directly performed, offered or provided by any severely disabled person or qualified nonprofit agency for the severely disabled. State Use Committee suppliers are identified on the State Use Committee procurement schedule which is available through the OMES web site at www.ok.gov/DCS/Central_Purchasing/State_Use_Program/. Products or services available from suppliers on the State Use Committee procurement schedule must be purchased from that source unless a written exemption is obtained. An exemption may only be obtained by submitting a written request to the State Use Committee Contracting Officer. **The exemption must be requested and granted prior to the purchase.**

2. STATEWIDE CONTRACTS

The OMES DCAM Central Purchasing Division enters into agreements and contracts ("statewide contracts") for commodities of common use by state agencies and institutions. An index of and all statewide contracts are available through the OMES DCAM web site at www.OK.gov/dcs/solicit/app/contractSearch.php. The State Purchasing Director designates statewide contracts as mandatory or non-mandatory.

Products or services available from a mandatory statewide contract must be purchased from the contract unless an exemption is obtained. An exemption may be obtained by submitting a written request to the State Purchasing Director prior to the purchase to waive the requirements of a mandatory statewide contract.

Products or services available from a non-mandatory statewide contract may be purchased from the contract if it is in the best interest of the agency.

When ordering from a statewide contract, be sure the contract is current and has not expired. All orders against statewide contracts must be prepared in accordance with the specific terms and conditions of each contract. Terms and conditions vary from contract to contract. Therefore, it is important to review each contract in its entirety.

3. OKLAHOMA CORRECTIONAL INDUSTRIES (OCI)

The Department of Corrections produces an extensive line of products and services that are made available for purchase by state agencies and other qualifying not-for-profit organizations. A complete listing of the products

and services is available in the online catalog on the OCI web site at www.ocisales.com. Products or services must be purchased from Oklahoma Correctional Industries if OCI provides the lowest and best price.

4. INTER-GOVERNMENTAL PURCHASES

Purchases of products or services from government agencies at the state, federal, county, or city level are exempt from the Central Purchasing Act and are not subject to bidding requirements. However, contracting with another government agency for goods or services they would not normally provide is not allowed. Inter-governmental purchases shall not be used specifically for the purpose of evading competitive or public bidding requirements.

5. OPEN MARKET ACQUISITIONS

Products or services not available from a mandatory statewide contract, the State Use Committee procurement schedule, or Oklahoma Correctional Industries (if lowest and best) may be purchased from an open market supplier.

G. PURCHASING THRESHOLDS

The Central Purchasing Act designates dollar thresholds which determine how an open market acquisition shall be made. All components (freight, insurance, etc.) of a purchase must be considered when determining the dollar amount of the transaction. Purchases of goods or services from State Use Committee vendors, statewide contract, or other government agencies are exempt from these requirements regardless of dollar amount. Products or services not available from a mandatory statewide contract, the State Use Committee procurement schedule, or Oklahoma Correctional Industries (if lowest and best) may be purchased from an open market supplier as follows:

1. ACQUISITIONS NOT EXCEEDING \$5,000

Open market acquisitions not exceeding \$5,000 may be acquired through an agency issued purchase order or P-Card, as appropriate. Prior to the issuance of a purchase order or P-Card transaction, the division will obtain approval of the Executive Director of the COMMISSION in accordance with provisions outlined in section E , part 1, above. The CPO or purchasing agent will award the purchase to the supplier which is determined to best meet the need. **Professional Services Contract Certification (OMES-FORM-CP-021) must be obtained if expenditure is for professional services.** Purchase orders shall not be awarded to suppliers that are suspended or debarred by the State Purchasing Director, the Oklahoma Tax Commission, or the federal government, if federal funds are being used. Suppliers of products must possess an Oklahoma sales tax permit, and, as necessary/directed, verification of the sales tax permit may be documented in

the acquisition file.

2. ACQUISITIONS GREATER THAN \$5,000 BUT NOT EXCEEDING \$10,000

Open market acquisitions greater than \$5,000 but not exceeding \$10,000 may be acquired through an agency issued purchase order. Prior to the issuance of a purchase order, the division will obtain approval from the Executive Director of the COMMISSION and solicit price quotations from a minimum of three suppliers in accordance with the following criteria:

- a. Price quotations and delivery dates shall be solicited by mail, telephone, facsimile, or by means of electronic commerce.
- b. The suppliers' price quotation and delivery date(s) may be obtained by telephone, or in writing via mail, facsimile, or e-mail. The suppliers' bid(s) and delivery date(s), along with a non-collusion certification shall be secured from the suppliers.

Note: Professional Services Contract Certification (OMES-FORM-CP-021) must be obtained if expenditure is for professional services.

- c. Purchase orders shall not be awarded to suppliers that are suspended or debarred by the State Purchasing Director, the Oklahoma Tax Commission, or the federal government if federal funds are being used.
- d. Suppliers of products must possess an Oklahoma sales tax permit and, as necessary/directed, verification of the sales tax permit may be documented in the acquisition file.

Note: If vendor is out-of-state and has no Oklahoma sales tax number and shipping product via common carrier, this must be noted on the RFA.

The CPO or purchasing agent will award the purchase to the supplier providing the lowest and best quotation. If the purchase is not made from the supplier providing the lowest and best quotation, a written justification shall be attached to the procurement file regarding the reasons for the action taken.

3. ACQUISITIONS GREATER THAN \$10,000 BUT NOT EXCEEDING \$25,000

Open market acquisitions greater than \$10,000 but not exceeding \$25,000, may be acquired through an agency issued purchase order. Prior to the

issuance of a purchase order, the division will obtain the approval of the Executive Director of the COMMISSION. An agency CPO will solicit bids **from a minimum of 10 or all suppliers in the appropriate commodity classification from a current registered suppliers list compiled by the OMES DCAM Central Purchasing Division or other suppliers list as appropriate** in accordance with the following criteria:

- a. Bids shall be solicited by mail, facsimile, or by means of electronic commerce.
- b. The suppliers' bid(s) and delivery date(s), along with a non-collusion certification shall be secured from the suppliers prior to the award of the contract.
- c. Purchase orders shall not be awarded to suppliers that are suspended or debarred by the State Purchasing Director, the Oklahoma Tax Commission, or the federal government if federal funds are being used.
- d. Suppliers of products must possess an Oklahoma sales tax permit, and, as necessary/directed, verification of the sales tax permit may be documented in the acquisition file.

Note: COMMISSION's Bid Acquisition Checklist shall accompany the procurement file.

Note: If vendor is out-of-state and has no Oklahoma sales tax number and shipping product via common carrier, this must be noted on the RFA.

An agency CPO will award the purchase to the supplier providing the lowest and best solicitation or the solicitation providing the best value to the agency. The COMMISSION shall make a written evaluation of criteria considered in selection of the supplier for the acquisition. Documentation of prices, delivery dates, and the evaluation shall be placed in the acquisition file. If the purchase is not made from the supplier providing the lowest and best solicitation, a written justification shall be attached to the procurement file regarding the reasons for the action taken.

4. ACQUISITIONS GREATER THAN \$25,000 BUT NOT EXCEEDING \$50,000

Open market acquisitions greater than \$25,000 but not exceeding \$50,000, may be acquired through an agency issued purchase order. Prior to the issuance of a purchase order, the division will obtain approval by the Executive Director of the COMMISSION. An agency CPO will then solicit bids **from all suppliers in the appropriate commodity classification from**

a current registered suppliers list compiled by the OMES DCAM Central Purchasing Division or other suppliers list as appropriate in accordance with the following criteria:

- a. Bids shall be solicited by mail, facsimile, or by means of electronic commerce.
- b. The suppliers' bid(s) and delivery date(s), along with a non-collusion certification shall be secured from the suppliers, and OMES-FORM-CP-21, if professional services.
- c. Purchase orders shall not be awarded to suppliers that are suspended or debarred by the State Purchasing Director, the Oklahoma Tax Commission, or the federal government if federal funds are being used.
- d. Suppliers of products must possess an Oklahoma sales tax permit, and, as necessary/directed, verification of the sales tax permit must be documented in the acquisition file.

Note: COMMISSION's Bid Acquisition Checklist shall accompany the procurement file.

Note: If vendor is out-of-state and has no Oklahoma sales tax number and shipping product via common carrier, this must be noted on the RFA.

An Agency CPO will award the purchase to the supplier providing the lowest and best solicitation or the solicitation providing the best value to the agency. If the purchase is not made from the supplier providing the lowest and best solicitation, a written justification shall be attached to the procurement file regarding the reasons for the action taken.

5. **ACQUISITIONS GREATER THAN \$50,000**

Open market acquisitions greater than \$50,000 may be acquired through an agency issued purchase order as directed by COMMISSION's Primary CPO. Prior to the issuance of a purchase order, the division will obtain approval by the Executive Director of the COMMISSION. The division will then submit to the COMMISSION's Primary CPO the requisition request for direction and/or processing in accordance with state purchasing rules.

6. **SPLIT PURCHASES PROHIBITED**

"Split purchase" means dividing a known quantity or failing to consolidate a known quantity of an acquisition for the purpose of evading a competitive

bidding requirement. **Split purchasing for the purpose of evading competitive bidding requirements is a felony.**

H. CONTRACTS

1. CONTRACTS

Contracts, agreements and memorandums of understandings will be reviewed by the General Counsel of the COMMISSION prior to submission to the appointing authority for signature. The requesting division is responsible for monitoring and evaluating compliance of their contracts. Contract terms and conditions shall not be modified without prior approval of the COMMISSION General Counsel or OMES (if applicable). Any problems encountered with the terms of the contract or the goods and services shall immediately be brought to the attention of the COMMISSION's Primary CPO.

I. ADDITIONAL INFORMATION

1. CHANGE ORDERS

A change order could be initiated for many reasons including dollar or quantity increases/decreases, funding changes, canceling purchase orders, contract adjustments, or vendor corrections. The change order process is not intended to replace or circumvent routine purchasing procedures.

2. INFORMATION TECHNOLOGY (COMPUTER HARDWARE AND SOFTWARE) ACQUISITIONS

All requests for technology items shall be managed by the COMMISSION's Office of Geographic Information and Technical Services Division (OGITS) to ensure compliance with OMES requirements. The OGITS will review all technology requests via an RFA with supporting documents and when applicable, complete and submit the prescribed OMES hardware or software acquisition forms to the OMES Information Services Division. All acquisitions for high technology systems are subject to the provisions of 62 O.S. § 41.5a (B) and 74 O.S. § 85.7c. This pertains to the oversight and procurement requirements for technology hardware and software acquisitions by the OMES DCAM Central Purchasing Division. Acquisitions of computer hardware or software must be reviewed by the OMES Information Services Division and approved by the Director of State Finance prior to the purchase obligation.

3. INVENTORY ITEMS

Items acquired exceeding \$500.00 in cost, regardless of the method of

purchase must be added to the COMMISSION inventory database. Other items with a cost of less than \$500.00 may also be added to the COMMISSION inventory database if a need exists to track the item as an asset. Assets are to be inspected and an inventory number assigned upon receipt. The inventory database must be updated with the item description, serial number, cost and assigned location information.

4. MEMBERSHIP FEES

Payments for membership in professional organizations are authorized in the name of the agency when the agency derives a benefit from the membership. Agency membership may be in the name of the individual if the membership is for a specific position. In cases where the individual is designated, the membership must be fully transferable as the individual in the position changes.

5. MOTOR VEHICLE PURCHASES

The agency requires approval of the Executive Director for all Motor Vehicle Purchases. Title 47 O.S. § 156.3(d) requires OMES Fleet Management approval for motor vehicle purchases under 10,000 gross vehicle weight (GVW). These approvals apply to statewide contracts and open market bid purchases, verification of the OMES Fleet Management – Vehicle Acquisition Request (OMES-FORM-FMD-016) must be included with the agency's purchase order file.

6. REIMBURSEMENT FOR MISCELLANEOUS PURCHASES

Title 74 O.S. § 250.6(b) allows for reimbursement of expenses paid by state employees for purchases not available through the agency's normal purchasing process, provided the transaction does not exceed \$5,000. The reimbursement claim must be made payable to and signed by the person who paid for the item or service. An appropriate paid receipt or other proof of payment must be included with the reimbursement request. Proof of payment may be shown by a "cash" payment on a sales receipt, a cancelled check, a credit card billing statement or charge receipt, or other proof of payment provided by the vendor. Claims exceeding \$100 may be required to have attached written justification explaining why normal purchasing methods could not be used.

The intent of this procedure is to provide a method of payment for transactions that cannot be made through the agency's normal purchasing and payment process. Some examples of purchases qualifying as a reimbursable expense are listed below:

- a. When a vendor will not accept an agency purchase order or the p/ card,

- b. Miscellaneous purchases may be necessary while an employee is in travel status,
- c. Emergency purchases may be necessary after the close of business, during weekends, or holidays, or
- d. Seminars, workshops, etc., may require payment before or at time of registration.

7. SETTLEMENT AGREEMENTS

Settlement agreements are used to ratify unauthorized commitments incurred on behalf of the agency. Settlement agreements may be used when individuals in the agency have illegally or without authorization obligated the state to an expenditure of funds. Settlement agreements may also be used to pay for previous fiscal year expenditures when that years funding is no longer available.

The Appointing Authority shall approve, disapprove and sign all settlement agreements. The division will document the facts and circumstances of the commitment, and provide to the COMMISSION's General Counsel. The General Counsel or designate will draft the settlement agreement for review. Once the agreement is signed and approved by all parties, the original agreement will be forwarded to the COMMISSION's primary CPO who will forward a copy of the settlement agreement and the supporting documents to the State Purchasing Director.

8. SOLE SOURCE OR SOLE BRAND ACQUISITIONS

Situations may arise wherein the needed product or service is available through only one supplier (sole source) or one manufacturer (sole brand). When this occurs, the requestor should complete a Sole Source or Sole Brand Acquisition Certification.

A sole source acquisition is when only one specific product or service will meet the agency's needs and only one vendor can provide that product or service.

A sole brand acquisition is when only one specific product or service will meet the agency's needs but there are several vendors capable of providing the product or service. Competitive bids will be solicited for sole brand acquisitions.

All Sole Source or Sole Brand Acquisitions will be reviewed by the COMMISSION's Executive Director and Primary CPO prior to submittal to the Appointing Authority for signature.

State law allows only the Appointing Authority to sign a Sole Source or Sole Brand Acquisition Certification. The penalties for a false statement on a Sole Source or Sole Brand Acquisition Certification are severe so it is essential that the sole source or sole brand meet the required criteria.

9. **UTILITY PAYMENTS**

Payments for the installation and/or use of public utility services are not subject to the bidding requirements of the Central Purchasing Act as authorized by 74 O.S. § 85.12.B.4. The provision for exempting utilities is that the service must be regulated by a state or federal regulatory commission, or by municipal ordinance. The Corporation Commission maintains a list of all regulated utility providers. To determine if a utility is regulated, check the Corporation Commission website at www.occeweb.com.

J. REAL PROPERTY LEASING

1. All leases for space, regardless of type, size, and dollar value, must be authorized by the OMES DCAM. An authorized lease agreement must be approved by the State Leasing Administrator prior to occupying the space. Real property includes office space and storage space. The same requirements apply regardless of whether it is state owned space or non-state owned space.
2. State agencies cannot pay for permanent improvements to real property nor make direct payments to a vendor for permanent improvements if the property is being leased from a private vendor. Permanent improvements include electrical, construction of walls, and plumbing. There is no cost minimum to this restriction.

K. CONSTRUCTION

1. As specified in the Public Competitive Bidding Act of 1974, (61 O.S. § 101 et. seq.) and the Public Building Construction & Planning Act (61 O.S. § 201 et. seq.), state construction is processed in accordance with the instructions and guidelines established by the OMES DCAM Construction and Properties Division (CAP). The DCAM Construction and Properties Division assist state agencies and serves as the contracting authority for building design and construction services.
2. For projects under \$5,000, state agencies may contract directly with any suitable contractor, and pay with a direct PO or via p-card, as appropriate. [CAP Form M601](#) is a one-page contract for agency use in this situation. Proof of Insurance is also required.

3. For projects under the statutory amount (currently \$50,000 per 61 O.S. §103), state agencies issue solicitation and accept written bids, then send their requisition and procurement documents to CAP for contract award. Guidance and forms are found in [CAP Form M800](#).
4. Projects over the statutory amount (currently \$50,000 per 61 O.S. §103) are required to be publically bid. CAP places the necessary advertising and maintains a public bid desk for the distribution of plans and receipt of sealed bids. At the time and place designated in the bid solicitation, CAP publically opens and reads aloud each sealed bid. A bid tabulation is then prepared and sent to the using agency for review. Upon approval by the using agency, CAP awards the contract to the lowest responsible bidder.

II. PURCHASE CARD PROGRAM:

Program

The State of Oklahoma Purchase Card (P-Card) Program establishes the use, by designated State employees, of commercial purchase cards to facilitate the acquisition of goods and services necessary for conducting official State business. There is no limit on the amount of a P-Card transaction for purchases from a Statewide Contract or payment of utilities. For any other transaction with a state purchase card, the transaction shall not exceed Five Thousand Dollars (\$5,000.00). All purchases shall be made in accordance with State statutes, rules, and these Procedures, which include but may not be limited to:

- Central Purchasing Act, 74 O.S. § 85.1 et seq.
- State Travel Reimbursement Act (STRA), 74 O.S. § 500 et seq.
- State of Oklahoma Travel Policy
- OMES, Central Purchasing Codified Rules, OAC 260:115
- State Agency Internal Purchasing and P-Card Procedures
- Statewide Accounting Manual

State entities are encouraged to use the P-Card in lieu of purchase orders and authority orders when possible. The P-Card can be used with any merchant that accepts the current card type (e.g., Visa) as a form of payment. It is intended that P-Cards be issued to selected State employees when the use of the P-Card will enhance State Entity effectiveness or economy of operation. If used to its potential, the P-Card Program will result in a significant reduction in the volume of purchase orders and related documentation including invoices and checks. In

addition, corresponding work processes associated with ordering and check writing may be reduced.

Cards are issued in the name of the State but also bear the name of the P-Card holder, name of the P-Card holder's State Entity, and the P-Card holder's unique account number. Liability for payment to the P-Card issuer rests with the State. Employees involved in the P-Card Program are subject to State ethics laws and directives. More information can be located at <http://www.ok.gov/ethics>

Program Structure - [chart](#)

The program is a blend of centralized procedures, training and program monitoring coupled with decentralized day-to-day management and P-Card use. Key individuals in the daily operation of the program are:

State P-Card Administrator - The Central Purchasing staff member designated to assist the State Purchasing Director with implementation and operation of the P-Card Program.

State Entity P-Card Administrator - The employee in each state agency designated to manage that agency's program.

State Entity Approving Official – One or more agency staffers designated to review and approved P-Card purchases made by P-Cardholders.

P-Cardholder – One or more agency employee trained and authorized to make approved purchases using the P-Card.

P-Card Use

Use of P-Cards by the COMMISSION will proceed in accordance with rules/procedures outlined in the *State of Oklahoma Purchase Card Procedures* document (OMES Central Purchasing 2016). **Purchases by P-Card are limited to \$5,000 or less for a single transaction; however, state entities may limit any specific p-card to a lower amount.** The \$5,000 limitation does not apply to acquisitions from Central Purchasing, statewide contracts, utilities, interagency payments, or professional services as defined in Section 803 of Title 18 of the Oklahoma Statutes. The P-Cards may be used for walk-in, telephone or Internet purchases.

The COMMISSION's designated State Entity individual shall serve as the COMMISSION's P-Card Administrator. The COMMISSION Executive Director shall approve designated COMMISSION employee(s) to serve as P-Cardholder(s). P-cardholders must be full time or permanent part time (not temporary) employees of the agency. Each P-Cardholder must achieve purchasing approval through RFA by a COMMISSION Approving Official who must be at least one level above the P-Cardholder's position.

The P-Card is an alternate method of purchasing but does not eliminate any of the mandatory requirements that must be followed for any purchase. A P-Card purchase may only be made after the necessary approval process has been completed. If the product or service is available through one of the mandatory sources – State Use Committee, mandatory statewide contract, or OCI (if lowest and best bid) – it must be purchased from that source or a waiver must be obtained.

P-Card transaction information and reports are available via the transaction system (currently “Works”).

A. P-CARD ADMINISTRATOR RESPONSIBILITIES

The designated COMMISSION P-Card Administrator will manage, on a day-to-day basis and in detail, the P-Card Program and Transaction System for COMMISSION. The P-Card Administrator will serve as the primary interface with the State P-Card Administrator and the issuing bank. It is the cardholder’s responsibility to ensure that prices paid using the P-Card are fair and reasonable. The cardholder shall protect the security of the P-Card and card account number at all times.
2. Cardholders should regularly review the transaction system for posted account information. The cardholder’s review will be to validate that posted purchase transactions are accurate. These regular reviews will help with security by early identification of unauthorized use.

Cardholders shall obtain an electronically generated memo statement upon closing of the bank’s monthly billing cycle from the Transaction System. The memo statement shall be reconciled by the cardholder and submitted (along with the transaction log and all supporting documentation) to the cardholder’s

Approving Official.

4. Statewide p-cardholders will use the designated card for purchases from established statewide or state use contracts.

To indicate concurrence with the reconciled statement, the Approving Official shall sign and date the memo statement. The memo statement, P-Card transaction log, and all supporting documentation shall be submitted to the Agency P-Card Administrator in a timely manner.
2. The Approving Official shall immediately notify the Agency P-Card Administrator of a change in the employment status of a cardholder. If a cardholder leaves State employment, the Approving Official shall return the destroyed P-Card to the P-Card Administrator.

2. Use of the P-Card is limited to the person whose name is embossed on the P-Card.

Individual card limits below \$5,000 may be established based on individual's routine purchasing needs. Purchases from statewide contracts issued by the State Purchasing Director, utilities, interagency payments, and certain professional services as defined in Section 803 of Title 18 of the Oklahoma Statutes are exceptions to the \$5,000 limit, but must be approved by the COMMISSION's designated P-Card Administrator.

E. PROHIBITED USES

If choosing to utilize the P-Card for utility payments, the annual cumulative convenience fee totals may not exceed the amount of the P-Card rebate for those purchases.
 - c. Interagency payments; and
 - d. Certain professional services as defined in Section 803 of Title 18 of the Oklahoma Statutes.

In addition, the cardholder must complete a Stolen Card Notification form and provide it to the P-Card Administrator.
