For team 9, Laura Schnapp, Soil Conservationist, has accepted a position with Natural Resources Conservation Service in McIntosh, MN, started on March 28th. Macee Hammack,

Public Affairs Specialist, accepted a position, and is leaving the Natural Resources Conservation Service as of April 1st. An administrative position is open at the state office. The Natural Resources Conservation Service will be accepting up to fifty applications for the position. Natural Resources Conservation Service is working on an agreement with the Oklahoma Conservation Commission to put an employee in place in Texas County. Texas County is needing assistance with the Conservation Reserve Program.

- COVID update – Visitors are allowed to visit local Natural Resources Conservation Service offices without setting an appointment ahead of time.

- Watershed projects – A final inspection has been scheduled the week of April 15th for the Upper Elk 23D, Beckham County; the Lower Bayou is in the design phase, phase 1 has been completed, phase 2 will be at 90% review by the end of May; putting together watershed plans on the Brushy Peaceable, each site has to be evaluated.

- Program updates – The Conservation Stewardship Program (CSP), has received 464 applications and the deadline was March 31st; Environmental Quality Incentive Program (EQIP), has received over 2,200 applications. The applicants come from many different backgrounds which opens a lot of opportunity for this program.

Oklahoma Association of Conservation Districts: Sarah Blaney, OACD Executive Director, reported on the following items-

- Oklahoma Black Historical Research Project – Participated in the conference with Trey Lam, Jamey Wood and Jean Lam. Ms. Blaney moderated the United States Department of Agriculture panel.

- Conservation Day at the Capitol – The event will take place on April 7, 2022. There will be an award presentation at 9:00am. Mike Thralls scholarships will be presented at the event. A breakfast is being hosted for the legislature. Ms. Blaney encouraged everyone to attend.

- Leadership Class – The first session will be on April 18-19, 2022. The focus will be the History of Conservation and Grass Root Advocacy. The event will take place at the Oklahoma History Center and the Wyndham Grand Hotel in downtown Oklahoma City.

- Legislative Session – The bills for Gross Production Tax Sunset Extension, Healthy Soils Act, Nutrient Management Planning, Heirs Property Act, Conservation District employee raises are all being reviewed by the legislative committee.

- Legislative meetings – A meeting with Steve Carson from Senator Lankford's staff has been set to take place in Elk City. Participants will tour the Upper Elk Creek Site 23D dam rehab project. Ms. Blaney is also working with staff from Representative Mullin's office to setup a meeting for Conservation discussion.

- National Land and Range Judging – The event will take place on May 3-5, 2022.

- Field day – Hosting a CARE Champion field day with Muskogee Creek Nation for Josh Emerson. A wildlife biologist will be participating along with soil health staff from Temple.

OKLAHOMA CONSERVATION COMMISSION MEMBERS

Mr. Herald – Mr. Herald asked Rep. Grego if he had anything he would like to say at the Commission meeting. Mr. Grego advised staff to be brief on Conservation Day at the Capitol because legislators are in bill discussions.

Mr. Herriman – stated a drought was unusual for Nowata County. Mr. Herriman thanked Ed Crall for his service at the Oklahoma Conservation Commission.

Mr. Crawley – stated Pittsburg County is in a drought. Landowners are running out of hay for their livestock.

Mr. Campbell – participated in the 2022 Commodity Classic. Mr. Campbell stated that he learned a lot at the conference. Mr. Campbell represented the Oklahoma Association of Conservation Districts in soil health.

Mr. Forst – stated that Jefferson County needs rain.

OKLAHOMA CONSERVATION COMMISSION STAFF

Executive Director: Mr. Lam reported the following items:

Mr. Lam stated that there have been discussions of a shared conservation planning position between the Oklahoma Conservation Commission and Natural Resources Conservation Service with the Chickasaw Nation. There is a possibility of creating multiple shared positions. Mr. Lam participated in a Climate Smart Commodity discussion. Funding is being made available by the Federal Government. The Oklahoma Association of Conservation Districts and Oklahoma State University will apply for available funding. Mr. Lam stated since this program is aligned with the Oklahoma Conservation Commission's goals the Commission will support the agreements put in place with the Oklahoma Association of Conservation Districts and Oklahoma State University. Mr. Lam participated in GIS Day at the Capitol and the water quality retreat in the same day. The GIS event went well, and Mr. Lam recognized water quality for projects they are currently working on. Mr. Lam presented at the Rural Caucus luncheon; there was discussion on the drought program. Funding is set aside prior to any drought event and is not released until a drought is declared. Mr. Lam participated in the State Technical Meeting with Mr. Wood and the meeting went well. Mr. Lam is continuously receiving updates on the legislative budget to keep staff informed of changes.

Water Quality Program: Shanon Phillips, OCC Water Quality Division Director, Ms. Phillips stated that there was a report in the packet, and she would be happy to answer any questions. Ms. Phillips stated March has been a busy month and expects April to be even busier. Ms. Phillips participated in a great meeting covering the poultry project. Ms. Phillips thanked Natural Resources Conservation Service, Grand River Dam Authority, and Conservation Districts to help ensure the meeting was a success. Water quality will be setting up a conservation planning meeting soon. Ms. Phillips stated that reservations have been received for funding for the poultry litter transfer program. There have been about \$20k reservations and it is possible to receive about \$30k more reservations. Water quality will be holding interviews for summer interns. Ms. Phillips stated that twenty-three applications have been received for the Soil Health Urban Conservationist Position in Tulsa; thirteen applications have been received for the Soil Health Director Position at the Oklahoma Conservation Commission. Ms. Phillips noted that water quality hoped to fill these positions soon. Ms. Phillips stated that Ed Crall will be retiring. Mr. Crall's last day will be April 30th. Ms. Phillips recognized Mr. Crall for his time served and some of the positions Mr. Crall has held in his time at the Commission.

Office of Geographic Information and Technical Services: Mike Sharp, Director, stated there was a written report in the packet, and he would be happy to answer any questions. Mr. Sharp stated that GIS Day at the Capitol was a success. The event gave the agencies an opportunity to network with each other. Mr. Sharp noted that the Office of Geographic Information (OGI) is operating the state repository for NG911 data. This data comes from the various Public Safety Answering Points (PSAPs) across the state. Currently the state repository has PSAP data from 10 PSAPs that has passed validation to the state standard. The PSAP data contains various data layers such as address points, road centerlines, and several emergency service boundaries. The OGI will start uploading the address points into the National Address Database (NAD) very soon. The OGI is also working with Google to upload the road centerlines into Google Maps which should greatly improve the accuracy of road data being used by Google in their mapping applications. The OGI hopes that in the future much of the NG911 data will be available to the public.

Abandoned Mine Lands Reclamation: Robert Toole, Director, stated that a written report was in the Commissioner's packet. Mr. Toole summarized the report noting that Abandoned Mine Lands staff are continuing to inventory non-coal (hardrock) abandoned mines. Thirteen inventories were completed in March and three had been initiated. In addition to the non-coal inventory work, Abandoned Mine Lands staff have been working on the financial management required by the supplemental appropriation as well as contract packages for two projects that supplemental funds would allow to be completed. Additionally, Abandoned Mine Lands staff have been working with the Office of Surface Mining Reclamation and Enforcement to provide the information required by the Stipulation associated with litigation. Mr. Toole explained that non-coal is any mining operation that isn't a coal mining operation.

Conservation Programs: Tammy Sawatzky, Director of Conservation Programs reported on the following items -

- Watershed staff – The staff have cleared 5-6 sites in Logan County. The staff will clear sites in McClain County soon.

- Participated in Wagoner County Watershed Symposium. Mr. Lam and Ms. Stewart did a presentation; there were about thirty participants. The event was at a venue right by a watershed dam.

- Logan County – The log jam has been cleared in Deer Creek. The contractor will start burning soon. Ms. Sawatzky had an opportunity to interview with KFOR over the log jam in Logan County.

- Upper Elk 23D – The project has been successful and should be completed on time. The final inspection is scheduled for April 20th.

- Cottonwood 54 – Conservation is working on final payment with contractor. Starting on vegetation and as soon as vegetation is done this project will be complete.

Assistant Director: Lisa Knauf Owen reported on the following items:

Ms. Owen stated that last week the bid packets were completed and submitted for the conservation district liability insurance policy. Ms. Owen also submitted the workers compensation bid packet to risk management. Ms. Owen worked with Abandoned Mine Lands and Office of Finance at OMES to complete the budget revision for \$2.1 million in supplemental appropriation that has been received by the Commission. The budget revision was submitted on March 25th. Ms. Owen stated that half of the funds from the United States Fish and Wildlife Service

for prescribed burning have been obligated. Some counties in the state have done prescribed burning in the last month. Ms. Owen thanked Rhonda Bowman out of Wagoner County for covering Muskogee and Creek Counties outside of Ms. Bowman's area of responsibility. Ms. Owen spoke highly of Ms. Bowman's work ethic. Ms. Owen noted retirements coming up for the following employees of 30 plus years of service: Teresa Boswell, Creek County on April 1st; Eugene Kester, Adair County; Donna Hanebrink, Latimer County; Greg Robertson, Kiamichi. Ms. Owen stated that Ms. Green has reviewed the Joint Plans of Operations format and sent new guidelines to districts. The final draft due date for joint plans is June 15th. Mr. Painter is trying to help gain more publicity for events; Mr. Painter covered Ag Day at the Capitol; and also presented a communications plan to the National Land and Range Judging Steering Committee. Oklahoma Department of Agriculture notified the Commission that effective July 1, 2022, they will no longer be handling the financial management processes for the Commission. The Commission is researching how to move forward with agency financial management.

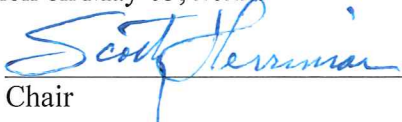

NEXT MEETING

After discussion, the Commissioners agreed to move the next regular meeting of the Oklahoma Conservation Commission to Tuesday, May 03, 2022, at the Arcadia Conservation Education Area/ODWC Outdoor Education & Training Center. 7201 E. 33rd Str., Edmond, Oklahoma at 9:30 a.m.

ADJOURNMENT

There being no further business, Mr. Herriman declared the meeting adjourned at 10:49 a.m.

Approved by the Oklahoma Conservation Commission on May 03, 2022.

Dear Mr. Lam:

Enclosed please find James R New Jr. s forms OCC-3B along with her Cooperator agreement. This is the only individual that the Board nominated at their meeting on March 14, 2022. Mr. New made 10 out of 17 meetings. The Board knows this falls short of the 75%. Most of the meeting he missed were weather related or COVID related. The Board feels the Mr. New is the best person for this position.

Should you have any questions, please do not hesitate to call me.

Thank you,

*Christine Rose

RE: Reappointment of Nancy Perrin

Dear Mr. Lam,

For the purpose of reappointment, Mrs. Nancy Perrin has not met the required 75% meeting attendance rule. Mrs. Perrin has been on this board for a number of years. During COVID is the first time Mrs. Perrin has not met the 75% rule. We value Nancy as a board member and we are recommending her reappointment.

The Kiowa County Conservation Board of Directors respectfully request the 75% rule be waived for Mrs. Perrin so that she can continue to serve the producers of Kiowa County as a Director of the Conservation District.

Thank you for your time in this matter,

Sincerely,

Justin Krieger

The Pawnee County Conservation District would like to recommend Jake Ward for reappointment as a board member. Although he has missed some meetings when in attendance, he is very active. Mr. Ward is a young, full-time farmer/rancher, and family man and does his best to attend meetings. He also represents the Eastern part of our county. Please take this in consideration.

Thank you for your time.

Trey Lam
Executive Director
Oklahoma Conservation Commission

Trey,
This letter is regarding the meeting attendance of Ronald L. Walzer during his current re-appointment term.

Mr. Walzer did not meet the criteria of attending 75% of the required meetings, he attended 14 out of 21 meetings. The reason for missing the required meetings is due to Mr. Walzer contracting Covid 19 during this time. Also, during this time, some of our other board members were infected with Covid 19 which caused us to have lack of quorums, therefore resulting in no meetings during those months.

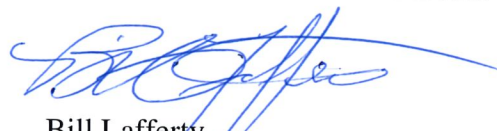

The South Caddo Conservation District Board of Directors would respectfully request this requirement be rescinded for Mr. Walzer in this circumstance due to these uncertain times that we are living in and dealing with while continuing to provide service to our producers.

Thank you,

Oklahoma Conservation Commission and Commissioner,

It has come to the attention of the Wagoner County Conservation District Board of Directors concerning Mr. JW Edwards lack of mandatory attendance required for reappointment. Mr. Edwards has only attended 62% of the meetings making him ineligible for reappointment. However, the Wagoner County Conservation District recognizes the hardships faced by Mr. Edwards over the past 2 years. Due to the pandemic and not being technologically savvy, Mr. Edwards was unable to dial into the teleconference board meetings that were being held at that time. Mr. Edwards also had health related issues over the past couple of years preventing him from being able to attend board meetings, even once they went back to face-to-face meetings. Prior to the pandemic, it was rare for Mr. Edwards to miss a monthly board meeting and if Mr. Edwards would have had the technological skills and capabilities to call into the monthly teleconference board meetings, he would not have missed those either. Because of the pandemic putting a hindrance into a lot of people lives including Mr. Edwards the Wagoner Conservation District strongly feels the need to keep Mr. Edwards as a Wagoner County Conservation District board member and be reappointed back to the board.

Thank you for considering his reappointment and we look forward to hearing from you.

Sincerely,

George W. Stunkard, Chair
Wagoner County Conservation District

Conservation District Issues:

- Responded to issues and questions for or on behalf of the following conservation districts: Arbuckle CD, Cleveland County CD, Dewey County CD, East Canadian CD, Garvin County CD, Hughes County CD, Love County CD, Murray County CD, Seminole County CD, Sequoyah County CD, South Caddo CD, Stephens County CD, Tulsa County CD, Upper Washita County CD, Wagoner County CD, Washita County CD
- Responded to questions or issues by conservation districts regarding the following topics: encroachment agreements for wind projects and oil and gas project, grow houses

below dam, development around flood control structure, agreement terms, Master Conservancy by-laws and revocations, consent of Junior easements drafts, Call Okie question, Open Meeting Act questions and actions, release of easement, EPA dams, and FSA POA form use

Rehabilitation and Repair Projects:

- **Upper Black Bear Creek Site 62** – The City of Perry has been clearing land rights for this site. The City has filed eminent domain on three property owners: Bales, Vann, Lake Farms. All other landrights have been acquired. Of the three cases moving forward in the Court, Bales and Lake Farms are working on settling terms on a permanent easement for their properties. The remaining landowner, Vann, is continuing.
- **Sallisaw Creek Site 33** – The case rescheduled its hearing to April 4 at 10 am. The hearing will progress the landowners’ petition for judicial review of the decision by the OWRB. The District has been approved by the court as an “Intervenor” which has allowed the District to push this case forward.
- **Lower Bayou 12** - Working to confirm easements and refining the mitigation easement to then sit down and review with the landowner.

Other Flood Control Issues:

- **Bear-Fall Coon Creek Site 20** – Actively working on scheduling a meeting date with the landowners and their engineer and attorney to discuss the location of his home below the dam and the results of a breach study done on the dam. Waiting on dates from the engineer.
- **Caddo Creek Sites** – The Encroachment Agreement between the District and Ringling Solar/Hectate for the location of the solar farm facilities as well as payment to the District for the damages to the multiple flood control structures by the landowner that cost the District almost \$210,000 in repairs shall be heard by the Arbuckle CD Board on April 4.
- **Little Wewoka Creek Site 1** – Waiting on the Muscogee Creek Nation to coordinate discussions with the landowners; email sent mid-January.

AML:

- General administrative correspondence and reviews

- Meetings to discuss hardrock and mining land reclamation and federal funding availability
- Draft legislative language on mining land reclamation
- McGirt - AML issues
 - Correspondence and discussions with OAG
 - Reviewed Stipulation drafts and final filing in Defendant's Muscogee Creek Preliminary Injunction
 - Review Joint Motion for Scheduling and draft order; Joint Motion for Briefing Schedule
 - Review of OSMRE letter and draft response
 - Email correspondence review
 - Updated timeline of all the legal filings and actions

General Commission Issues:

- ❖ Contracts and Agreements: 2
- ❖ Open records: 2
- ❖ Document and Media Drafts & Reviews: 4
- ❖ Research Projects: 1
- ❖ Bond
- ❖ Other small projects: 2

The Best Volunteers Around

Winter bug collections wrapped up this month, and what a month it was! There were a lot of cold, snowy days, but our volunteers are the best of the best and continually braved all the weather that Oklahoma threw at them. The next step after collecting bug samples will be for the volunteers to pick and sort through their sample. This is done inside in a controlled climate, so a lot of volunteers will be fairly happy that they won't have to go out in wintry weather for it!

Fresh Meat!

This month we held a training for new volunteers down in McAlester. While it was a small group, lots of good discussions were had as they learned about stream ecology concepts, water law, water conservation, and so much more. They also seined for fish and bugs, and went through all the chemical tests to become fully-fledged monitoring volunteers.

Education, Education, Education

In addition to having a workshop to show people how to have a functioning landscape right in their own backyards, the Yard by Yard Community Resiliency Project was featured in “Oklahoma Today” magazine! Cheryl Cheadle has been a lead on this project since its inception, and we couldn’t be more excited for the project!
