#### **CONSERVATION PARTNERSHIP REPORTS**

*Oklahoma Department of Agriculture, Food and Forestry:* Jan Lee Rowlett, Deputy Commissioner. Ms. Rowlett introduced a new ODAFF employee, Ms. Audrey Ausher is the new Public Communications Specialist. She stated that it has been a busy month with several activities

going on. The Market Development team held a reading day “Read an Accurate Ag book” all over the state, this included participation from the Lt. Governor. Three hundred classrooms across the state participated in this event. She noted that Dr. Hall attended a conference in Minnesota this month on Swine health improvement in the US. Ms. Lee reported that the Oklahoma State Fair was fast approaching, and the Made in Oklahoma store would be open again this year. ODAFF also held a two-day “Ag Her Culture conference” for young college and high school females around the state. She addressed questions related to the Emergency Drought Declaration and if we would see that coming out of the Governor’s Office soon.

*USDA-Natural Resources Conservation Service:* Trey Lam for Brandon Bishop, Acting State Conservationist. Mr. Lam stated that Mr. Bishop was not able to attend due to another engagement but sent in a report for the Commission. Mr. Bishop will be the acting State Conservationist until September 26, 2022, at which time Amanda Mathis, the Assistant State Conservationist, for Arkansas will take over the position for 120 days. The applications for the permanent position have been closed and the selection process has begun. Mr. Lam reports that NRCS has made nine hires in the past month, all in nine different teams. NRCS has also had four exits from the agency.

*Oklahoma Association of Conservation Districts:* Trey Lam for Sarah Blaney, OACD Executive Director. Mr. lam reports that Ms. Blaney could not make the meeting but sent in a report. Ms. Blaney has been appointed to and attended the Equity in Agriculture Committee Meeting for the 2023 Farm Bill and the National Rural Coalition in Washington DC. She and Jean Margrett Lam took four CARE Champions to the SAVE Farm in Manhattan, Kansas. SAVE is a Veteran owned farm that teaches military veterans different farming and business skills. Both Ms. Blaney and Ms. Lam attended the Nation-to-Nation meeting. During the NRCS Chief’s visit, he was able to attend a reception with the CARE Champions in Boley. OACD also participated in the rededication event for Upper-Elk 23D with Congressman Lucas. Ms. Blaney thanked the Commission for being able to make the visit happen. Mr. Lam adds that Ms. Blaney and two CARE champions traveled to Maryland to make a presentation to other state association of conservation district executive directors on the CARES program, and others are now interested in adopting it. He also adds that Ms. Lam and four OACD Board members were able to attend the NACD South Central Meeting in Baton Rouge, LA. Joe Caughlin has been asked to serve on a committee to review South Central board selection for NACD. Finally, he reports that there will be five field days in September in addition to the Leadership Class Session 3 in Sulphur.

## **STATUS REPORTS**

### **OKLAHOMA CONSERVATION COMMISSION MEMBERS**

Mr. Priess – Explained his absence from the NACD South Central Meeting but is thankful that others from Oklahoma were able to attend.

Mr. Forst – They received 6 inches of rain in their county and then 15 inches soon after. It was much needed after the drought during the summer.

Mr. Crawley – Expressed how happy he was that so many Oklahomans were able to make it to the NACD South Central meeting and what an excellent meeting it was. It is still pretty dry in his region, but they have had a little bit of rain.

Mr. Herriman – He stated that it is “Drier than Slapout, Oklahoma” in Nowata right now. He attended a CARES field day in Wagoner County. There were around 40 people there.

Mr. Herald- They have had some peaceful fall-like days with some rain.

## **OKLAHOMA CONSERVATION COMMISSION STAFF**

*Executive Director: Trey Lam.* Mr. Lam reports that it has been a busy month for the Commission. He states that there was a great meeting with Congressman Cole in Garvin County. They were able to show him one of the corrugated metal pipe repairs and tower replacements on a watershed dam. One of his staffers was able to stay and learn more about the soil health and yard by yard programs. The Commission was able to host the Chief of NRCS at the Upper Elk 23D rededication with Congressman Lucas. He thanked the Conservation Programs Staff for their work on the event. Lam state that the Chief was also able to go see some of the eastern red cedar issues the state has and how important some programs are in their mitigation. Mr. Lam went on to talk about the new and upcoming hires at the agency and the budget request for next year. He also discussed the feral hog tour at the NACD South Central meeting. The LSU research station has developed an effective poison and the next step is FDA approval. Finally, he states that Nation to Nation was a great success, and the Choctaw Nation conservation district was approved.

*Water Quality Program: Shanon Phillips, OCC Water Quality Division Director:* Ms. Phillips stated that there was a report in the packet, and she would be happy to answer any questions. She reports that the Water Quality Division has officially passed two years of auditing for their EPA 319 program and she especially thanks Maryanne Dantzler-Kyer and Ed Crall for all their hard work. Water Quality Division is currently working with the poultry industry and GRDA on nutrient management planning in a timely fashion. The division is hoping to make an offer for the grants manager position in the next week. Finally, she adds that since summer is winding down, the field season is wrapping up and staff are now transitioning to the office for off season duties.

*Office of Geographic Information and Technical Services: Mike Sharp, Director:* Dr. Sharp state that there was a report in the packet, and he would be happy to answer any questions. Dr. Sharp highlights the new lidar data that will become available as it will replace what has been collected in the state over the past 10 years; 25,000 square miles will be covered with this new data. He expressed how important lidar data is for watershed analysis and safety measures.

*Abandoned Mine Lands Reclamation: Trampas Tripp, AML Director:* Mr. Tripp stated that there was a report in the packet, and he would be happy to answer any questions. He speaks about the first unpaved roads training held in Chandler this month. He estimated there were around 70 people in attendance. They are completing the vegetation on some of the other AML projects and continuing work of the divisions non-coal inventory. Mr. Tripp also discussed the extent of the unpaved roads project and when it could become statewide.

*District Services: Clancy Green, Director:* Ms. Green only wished to add to the written report that there would be a District Teams training this month over district allocations. She announced that Kendall Brookins in now the APO for the District Services Division. Rhonda Bowman was able to attend the NACD South Central meeting and has continued to assist

Wagoner, Muskogee, and Creek Conservation Districts as they are still searching for district administrators. There have been three new employees hired in Comanche, Creek and Garvin Conservation Districts, and there are still vacancies in Adair, East Canadian, Little River, Major, Muskogee and Wagoner Conservation Districts. She adds that there has been a random district annual report from Craig County added to their packet. This is a new idea for the district services report that they will receive at random every month.

*Conservation Programs:* Tammy Sawatzky, Director: Ms. Sawatzky stated that there was a report in the packet, and she would be happy to answer any questions. She begins by thanking the North Fork of Red River and Upper Washita County Conservation Districts for their role in the Upper Elk 23D Rededication event. She also thanks Bryan Painter for taking care of the media. The conservation programs division will be hosting the leadership class this month in Sulphur, OK and talking about the Watershed and Cost-Share programs. She reports that the watershed team was in Okmulgee County last week and will be in Rogers County this week working on all six of their dams. In the coming months, the team will be working on 20 video pipe inspections for potential NRCS projects. The contract for the new dam, Fouché Maline 7 in coming together and bid packets will be sent out soon. The estimate for this rehabilitation project is approximately \$14-\$15 million dollars. She also stated that the goal is to have the PY 25 cost-share guidelines ready in October.

*Assistant Director:* Lisa Knauf Owen: Trey reports that Lisa has been very busy with the implementation of the new Workday system.

To whom it may concern,

I am very interested in continuing my tenure with the Bryan County Conservation District. Due to no fault of my own and confusions about submitting an election form my term was terminated. I would like to be reconsidered to serve as Board Chairman for the Bryan County Conservation Board. I have served on the board since 2015 and I have help promote youth programs in the area schools and have ensured that Bryan County residents are aware of the conservation practices and services that the District provides. I am requesting that I be re-considered to serve as Board chairman so I can continue serving the community with their conservation needs.

Sincerely,

A handwritten signature in cursive script that reads "Beryl Sears".

Beryl Sears.

### **Communications report for September Commission Meeting**

We did it...and now we keep going: On April 1, 2019, OCC Facebook had 1,956 likes after 6 years. By the second week of August 2022, we had topped 5,000 likes in just 3 years, 4 months. Thank you to all you continue to provide informative content to Facebook. As of mid-August, Instagram which began in February 2020 was just 14 followers short of 500. Again, now it's time to keep moving forward.

Took new Commission photo and provided to District Services Director for posting on OCC website.

In one week worked with 10 Conservation District on outreach, events posted to social media, etc.

Calendar postings included Pontotoc County Conservation District and Johnston County Conservation District "Mechanics of Prescribed Fires"; Cherokee County Conservation District event. Also posted four of the five Area Meetings with locations.

Shared social media posts of Instagram reels from Blue Thumb.

Shared CARE project photos provided by OACD.

Social media posts of Blue Thumb volunteers from Edmond North, Phyllis Ward and Gloria Vass were recognized at Oklahoma Conservation Commission.

Social media posts of Garvin Conservation District: Congressman Tom Cole visit. A flood control dam where deteriorated corrugated metal pipe was replaced was featured on this tour that involved OCC, NRCS and Garvin CD.

Social media posts of Oklahoma County Conservation District: Congressman Cole staffer, Sofia Diero visit. Urban Conservation was stressed on this tour.

Social media posts of Oklahoma County Conservation District: Banner presentation by Ben Pollard.

Highlighted a new project on social media in which OCC has partnered with the American Farmland Trust to explore the economic effects of soil health conservation practices, and two case studies so far are Nowata CCD director Scotty Herriman and Mark Nault of Blaine County.

Worked on specific media coverage for Upper Elk and following stops

Worked on and sent news release to all media

Nation to Nation – Photos, social media, news release

Power Point for Trey for Nation to Nation

Met with ODAFF Counsel for Executive Order 2022-06 Compliance and sent to OCC General Counsel and District Services Director.

Have taken on the role of Chair of the NASCA Communications Committee and working with NASCA on a communications strategy.

Sent October Oklahoma Farm & Ranch feature on new OCC Area II Commissioner Robert M. Priess.

Provided to NRCS Chris Stoner examples of stories regarding a site that is about to begin rehabilitation. ARS was wanting to do something for their dam in Woodward that work is about to begin on.

Worked on Management items for VET committee subgroup. Worked on condensing Management for overall VET committee.

Edited Soil Health newsletter

Special social media request from Executive Director: Was asked by OCC Executive Director to request photos depicting the drought conditions in Oklahoma. Sent out a request for photos and information for Facebook. We reached 28,387 people, 278 Likes and 87 Shares. Four posts had a reach of 3,100 or more.

  - q. OCLWA Board (08/17)
  - r. Many conference calls with various Division and agency staff throughout month
2. Prepared WQ Draw
3. Paid invoices
4. Performed many administrative tasks
5. Worked on numerous IT related issues
6. Responded to numerous internal and external info requests throughout the month

## **Soil Health Education Program**

- Whole team attended USDA Climate Hub workshop “Economics of Climate-Smart Agriculture” in Enid, 7/26/22. Meg and Blane presented results of first two OCC-AFT soil health economic case studies.
- On-farm consultations with producers: Ryan Pyle, Geary (Meg and intern Jake). Craig Nabors, Stillwater (Meg, Jake, Greg Scott, Blane). Keith Koch, Corn (Meg, did Haney/WORMS data collection). Mark Nault, Okeene (Meg, Haney/WORMS data). Luke Jessup, Snyder (Meg). Judy Ellis, Hominy (Meg, Jake, Blane). O’Connor Ranch, Nowata (Blane). Charles Oldham, Agra (Greg Scott).
- Meg attended the Soil & Water Conservation Society International Annual Conference in Denver, and presented along with AFT the results of our OCC-AFT case studies.
- Meg, Blane, Jake and Greg Kloxin attended and helped facilitate OCC-Oklahoma Grazinglands Coalition workshop “Grazing Management Fact or Fiction?” in Claremore on 8/5/22.
- Meg and Blane attended virtually the Soil Health Institute Annual Meeting.
- Meg and Greg Scott met with representatives from the Chickasaw Nation, LAWA, Noble Research Institute and others in Ada to discuss effective WORMS/Haney reporting for producers.
- Blane and Jack presented the rainfall simulator at OACD CARE Project field days in Wagoner and North Tulsa.
- Blane, Meg and Greg Kloxin attended the Kearny KS CCD “Bottom Line Conference”.
- Blane taught a plant ID workshop to high school FFA students at Caney Valley/Nowata.
- Blane presented at Marshall CCD’s “Conservation Reaching Everyone” event.
- Jimmy and Greg Scott taught an educator workshop at Jimmy’s ranch in Leedey. They also participated in Noble Research Institute’s strategic planning process.
- Greg Scott attended Southern Plains drought early warning system partners meeting.
- Jimmy spoke at events in Hutchinson KS, Shawnee OK, Monte Vista CO, and Lakeland, Alberta. He attended a No Till On The Plains board meeting, OACD area meeting planning, RIPE-FAN meeting, and Kingfisher CCD meeting. He spoke on the Green Cover Seed podcast.
- Greg Kloxin prepared and posted a job description/opening for the Soil Health Team Program Coordinator position.

## **Monitoring**

- Continued routine water quality monitoring for the Rotating Basin Project 2.5 (RBP 2.5) (Upper North Canadian, Upper Arkansas and Cimarron River Basins) cycle
- Completed summer 2022 macroinvertebrate collections for the Rotating Basin Project 2.5 (RBP 2.5) (Upper North Canadian, Upper Arkansas and Cimarron River Basins) cycle
- Completed summer 2022 macroinvertebrate collections for the Rotating Basin Project 1.5 (RBP 1.5) (Upper South Canadian and Grand Neosho Basins) cycle
- Continued routine water quality monitoring for the Rotating Basin Project 1.5 (RBP 1.5) (Upper South Canadian and Grand Neosho Basins) cycle
- Continued monthly water quality sampling at 3 stream sites in the Little Beaver Creek watershed in support of the Little Beaver NRCS National Water Quality Initiative (NWQI)
- Continued support for the monitoring of Holi-Tuska Creek in support of the New Spiro Lake Project in LeFlore County

- Continued subsampling macroinvertebrate collections in preparation for identification by the taxonomist
- Continued fish collections on Rotating Basin Project 1.5 and 2.5

## **Wetlands**

- Completed approximately 10 wetland determinations.
- Responded to citizen requests for locating restorable wetlands through the Wetland Registry hosted on the Wetlands Program Website.
- Conducted mitigation plan review for potential wetland mitigation properties for an *In-Lieu-Fee* program and wetland mitigation banks.
- Continued coordination with Oklahoma State University (OSU) on a floodplain wetland mapping project.
- Continued revising protocol for Restorable Wetland Identification Protocol (RWIP) to improve the ability of the method to locate sites with a high potential for restoration feasibility.
- In coordination with OSU, continued drafting a guidebook and training program for the Oklahoma Rapid Assessment Method (OKRAM), a protocol that can be used to determine wetland condition.
- Continued field assessments for the National Wetland Condition Assessment Intensification Project, to complete a state assessment of wetland health and continue to refine OKRAM.

## **Technical Writing & Records Management**

### **Staff conducted the following activities:**

- Fulfilled multiple information requests
- Entered sampling information
- Performed routine quality assurance on monitoring data
- Continued analyses to track trends in stream health across the state using the last 20 years of Rotating Basin Program monitoring data.
- Continued design and testing of data sheets for use on electronic notebooks for the collection of Rotating Basin Program field data.
- Participated in the Assessment to Implementation Workgroup and sub workgroups to determine best practices and improvement of the uses of monitoring data collected by the Blue Thumb and Rotating Basin Monitoring Programs.
- Continued fish crew lead audits to ensure and document that fish and habitat collections are conducted according to SOPs.

## August 2022

### Field work

Field work has been less fishy and more buggy this past month. We've had plenty of fish collections, but bug collections really kicked off as students returned to school and people came back from vacation. Check out some of the cool things we've done this month!

## Education, Education, Education

We've rarely had this many education events during the summer, but we suppose that's what happens when folks have been cooped up inside due to a pandemic for the past few years! All over the state, Blue Thumb has been busy educating. Check out a few of the many events that we've done this month!

# Craig County Conservation District

*Annual Report July 1, 2021–June 30, 2022*

The Craig County Conservation District is a local subdivision of state government. The district was formed in 1939 to ensure local people are involved in conservation activities.

The main goal of the district is to provide services to land users in protecting and conserving natural resources and to provide a link to state and federal conservation agencies and programs.

A board of five conservation district directors (three elected and two appointed) governs the conservation district.

The district has cooperator agreements with 521 producers in the county.

The board of directors submits this annual report to inform the public of this past year's conservation accomplishments.

We invite all citizens to become familiar with the activities of the Craig County Conservation District and to visit our office and get acquainted with our staff.

We also invite people to attend our monthly board meeting held on the first Wednesday of each month at 1:00 p.m. December-April, and 7:00 a.m. May-November.

**Mission Statement:** *To provide and administer programs to help people conserve, improve, and sustain our natural resources and environment. It is also our mission to carry out our Civil Rights Responsibilities.*

10' John Deere No-Till Drill

## ***Providing Equipment and Services to Producers in the District***

The Craig County Conservation District rents conservation equipment such as no-till grass drills, chicken litter spreader, and burn equipment to local land owners.

The Danko burn trailer was purchased through a grant with the U.S. Fish and Wildlife Service. The trailer was purchased in 2011 and was custom built to the exact needs of the district. The burn trailer was rented out 4 times and covered over 1,468 acres.

The litter spreader was purchased through a grant through the Oklahoma Conservation Commission in 1998. The district was approved for the grant and was able to select the exact spreader to fit their needs. The litter spreader was rented 4 times and spread 2,100 tons this year.

The 10' Truax was purchased through an approved grant with the U.S. Fish and Wildlife Service. Once the grant went through the district was able to purchase the exact drill they wanted in 2009. This particular drill has three seeds boxes, with an agitator on the large box for native fluffy seeds. This drill has the capacity to plant native or improved grasses and crop species. The Truax was rented 2 times and covered 42 acres.

The 15' John Deere is a rental equipment through an agreement that first started in 1999 with Barton County John Deere, in 2020 they sold and now we have an agreement with Heritage Tractors. The district pays Heritage \$15.00 per acre and is able to keep \$2.00 for locally owned funds. The John Deere drill rented out 4 times and for a total of 570 acres.

10' John Deere is rental equipment through an agreement with Heritage Tractors in 2021 as well. The 10' rented out 4 times for a total of 220 acres.

During the 2021-22 season district equipment was rented to 18 landowners and practices were applied to more than 2,300 acres.

Services and programs provided by the conservation district and NRCS are offered on a nondiscriminatory basis without regard to race, color, national origin, religion, gender, marital status or physical disability.

CCCD owned building.

## *District Owned Building and Warehouse*

Through locally earned funds, the district was able to purchase property. The district then worked with Welch State Bank to get into a contract for a lease to purchase building in 1998. The district is able to lease out the office space to FSA (commodity and farm loan), NRCS and RD.

The district has also built a shop/warehouse in 2004 to help store equipment, store NRCS ATV/UTV, any needed supplies and has the room to work on any of the equipment. This shop was built with locally earned funds.

The district owned warehouse.

## *Watershed Program*

There is one watershed project in Craig County, Pryor Creek Watershed Site No. 29. The Craig County Conservation District is a sponsor for this project and has the operation and maintenance responsibilities.

The conservation district makes an annual inspection of the flood control dam and provides maintenance work on the dam including: brush control by spraying the dam each year, repairing erosion problems and maintaining a good fence around the watershed. This year the dam was sprayed primarily for blackberry bushes. The primary goal of the district's watershed program is making sure the dam functions as it was designed for controlling downstream flooding which provides protection to landowners and our natural resources. Maintaining the integrity of the dam is our primary goal to insure this structure functions properly and also remains safe.

Pryor Creek Watershed Site No. 29 is located in Southwest Craig County.

## *Oklahoma Conservation Cost Share Program*

- The conservation district administers the Oklahoma Conservation Cost Share Program for Craig County. This year the district received \$30,300 for the program, which funded eleven contracts.
- The Oklahoma Legislature established the program in 1998. It is an annual program requiring funding from the legislature. Since the beginning of the program 324 contracts have been developed in the county providing \$473,069.79 in cost share funds for conservation practices such as cover crops, grass planting, ponds, terraces, waterways and watering facility systems. Landowners provided \$535,495.01 for their share of the cost of the conservation practices that totaled \$1,008,564.80.
- The conservation district board obtains input from citizens to determine which conservation practices will be included in the program each year.

## *RCPP Project*

The Craig County Conservation District is currently in an Agreement with the Oklahoma Conservation Commission for the purpose of providing services that are of mutual interest to both parties, concerning the middle and lower Neosho River Resource Conservation Partnership Program Project. (RCPP Project) The purpose of this agreement is to contract assistance from the District for the Neosho Basin RCPP Project. Many of the streams, rivers and water bodies have concerns about the watershed in the Middle and Lower Neosho Basin. Water quality problems and impairments related to excess nutrients, sedimentation and bacteria are some of the concerns related to the Neosho River Basin. We are working cooperatively with landowners to install conservation practices on cropland and grasslands in the watershed that contribute to nutrient, sediment and bacteria related water quality impairments in downstream waterbodies.

Services and programs provided by the conservation district and NRCS are offered on a nondiscriminatory basis without regard to race, color, national origin, religion, gender, marital status or physical disability.

RCPP Project: Land Smoothing

## ***RCPP Project Continued...***

Available through a grant the Oklahoma Conservation Commission and the Craig County Conservation District currently have two, We currently have two active state RCPP contracts. Use exclusion is the practices within these contracts for a total of 72 acres and obligated amount of \$9.789 These contracts are for keeping cattle off the field for an allotted amount of time.

The district is now taking care of all preliminary contract paperwork for application and payment process, due to the lack of there not being a person in the position currently.

## ***Information and Education***

The district carried out a variety of conservation education activities during the year including:

- Host Environmental Education Day for 4<sup>th</sup> and 5<sup>th</sup> graders - during this event we invited 4<sup>th</sup> and 5<sup>th</sup> grade students within the district to come to the Craig County Fairground. We had a series of 8 different booths. The booths were on a variety of topics including: plants, soils, water quality, wildlife, wildlife trapper, grown for you trailer, Indian culture and have the local drug dog for the ice breaker. The district staff gathers donations to provide participants with a free lunch.
- Earth Day Programs for all county schools. At Will Rogers Elementary, Cowles, Welch, Bluejacket, Ketchikan and the homeschool coop. school. On national day we go to each individual school and visit with the children about different kinds of natural resources, conserving water and how to help keep the environment healthy and clean. Each child will go home with a Earth Day bracelet, that they got to prepare for the visit and a Earth Day T-Shirt.
- Sponsored a county fair poster contest for all county FFA and 4-H members. Local winner, Lea Hency, a senior at Craig County High School won first in the senior division at the local, area and state level at the Oklahoma Association of Conservation Districts contests.

## ***Information and Education Continued....***

- The Annual Agriculture Trade Show was successful with 203 producers and booth participants present. Brian Pugh presented about year-round grazing.
- Provided news releases to county papers to help keep landowners informed of available conservation programs and assistance.
- Continued a Facebook District page to allow those who are interested to see what we are working on, available programs and any outreach meetings within the area. There are 193 likes on our page.
- The major project for this year is contains premium topsoil donated by Moorehead Construction, the seed mix contains diverse variety that is beneficial to a wide range of pollinators, the seed mix also contains species which will bloom all throughout the growing season. The district held an appreciation dinner for all persons involved within the project. This 20' x 40' was the size of the butterfly plot. A place was donated for this plot at the city lake.

Craig & Ottawa County

## *Spotlight on Directors*

**Robert Willy**— Chairman of the board. Mr. Willy is an outstanding director. He always attends all meetings of the district and is always the first to arrive and the last to leave to make sure everything is done correctly. He is also the Chairman of the Craig County Fair Board. Mr. Willy has been on the district board for 37 years. He has been a cooperater for over 50 yrs. He operates a cow calf operation, along with a small pecan orchard. His farm is mostly bermudagrass, where he previously sold bermudagrass sprigs.

**Charles Bowlin** has been a cooperater with the Craig County Conservation District for 23 years and has been a cooperater for 27 years. Charles retired from IBM after working for 31 years and has ran cattle throughout his working career.

**Nancy Cordray** was appointed to the Craig County Conservation District Board of Directors in 2015 and has been a cooperater for 6 years. Nancy worked for Conoco for 31 years and ran her cow/calf operation full time since 2004.

**Dale Tullis** was appointed to the Craig County Conservation District Board in 1984 and has been a cooperater for 36 years. He has been farming/ranching for 55 years. Dale was gracious enough to serve also on the FSA board for 20 years.

**Jacob Mount** has been a cooperater since 2016 and was appointed to the board in 2020. Jacob is a husband/father and is a full farmer/rancher who grew up in Welch.

Services and programs provided by the conservation district and NRCS are offered on a nondiscriminatory basis without regard to race, color, national origin, religion, gender, marital status or physical disability.

## ***Our Partners Natural Resources Conservation Service***

### ***USDA Conservation Programs***

The conservation district works closely with the Natural Resources Conservation Service (NRCS) in carrying out conservation work in the county. The NRCS staff provides technical assistance to the conservation district and to county land users. The NRCS also administers several federal cost share programs.

Listed below are accomplishments through NRCS cost share and assistance in 2021.

- ❖ Fourteen Environmental Quality Incentive Program (EQIP) contracts were developed for a total of \$368,729.39 cost-share assistance.
- ❖ Six Conservation Stewardship Program – Grassland Conservation Initiative contracts have been approved for funding of \$16,560.
- ❖ Two Conservation Stewardship Program (CSP) contracts were developed for a total of \$206,348.
- ❖ Assisted Craig County Conservation District with State Cost-Share Program Year 23 & 24. The Cost-Share program practices are currently being completed.
- ❖ The Vinita Field Office staff assisted with the Local Work Group Meeting, held in October 2021.
- ❖ Assisted with keeping the district Facebook page up to date with current events.
