

AGENDA
OKLAHOMA CONSERVATION COMMISSION
Agriculture Building Board Room • 2800 N Lincoln Blvd • Oklahoma City, OK
Monday, December 4, 2023 – 9:30 a.m.

1. Call to Order
2. Roll call
3. Pledge of Allegiance
4. Discussion and possible approval of the November 6, 2023 regular meeting minutes.
5. Discussion and possible approval of Claims and Financial Statement Summary (Exhibit#1)
6. Presentation of Commission Agreements (Exhibit #2)
Discussion and possible approval of the following amended agreement:
 - a. Oklahoma Water Resources Center at Oklahoma State University (OCC-610) to provide funds for the development of a customized version of a Hydrologic and Water Quality System (HAWQS) for Oklahoma (OK-HAWQS). The final customized version of this application will facilitate ready production and parameterization of calibrated Soil and Water Assessment Tool (SWAT) model for any party conducting critical watershed assessments across the state. **Amendment 6:** Extends the date and adds funds to the agreement.
 - b. East Canadian County Conservation District (OCC- 695) to provide funding for support of the WA position to perform O&M on watershed dams. Funds can only be used for Commission approved expenses such as vehicle, skid steer, side by side and trailer repairs not charged to Comdata card and hand tools. **Amendment 2:** Adds funds to the agreement.
7. Discussion and possible approval of the following new agreements:
 - c. Johnston County Conservation District (OCC-829) to provide funding to the district for an unpaved roads project in Johnston County Commissioner District 3.
 - d. Checotah Conservation District (OCC-830) to provide funding to the district for an unpaved roads project in McIntosh County Commissioner District 3.
8. Discussion and possible approval of Out of State Travel Requests (Exhibit #3).
 - a. National Association of Conservation Districts annual meeting – February 10-14, 2024 – San Diego, CA
 - b. High Plains Journal - Soil Health U – January 17-18, 2024 – Salina, KS
 - c. No Till on the Plains winter meeting – January 22-24, 2024 – Wichita, KS

9. Discussion and possible approval of Conservation District Director appointments (Exhibit #4).
10. Discussion and possible approval of the Soil Health Implementation Program (Exhibit #5)
11. Public Comments
12. New Business
13. Break (at option of the Chair)
14. Partnership Reports:
 - a. Oklahoma Department of Agriculture, Food and Forestry
 - b. USDA-Natural Resources Conservation Service
 - c. Oklahoma Association of Conservation Districts
15. Status Reports:
 - a. Oklahoma Conservation Commission Members
 - b. Oklahoma Conservation Commission Staff
 1. Trey Lam, Executive Director
 2. Shanon Phillips, Water Quality Director
 3. Mike Sharp, Office of Geographic Information and Technical Services Director
 4. Trampas Tripp, Land Management Division Director
 5. Clancy Green, District Services Director
 6. Tammy Sawatzky, Conservation Programs Director
 7. Lisa Knauf Owen, Assistant Director
16. Next Meeting: **Monday**, January 8, 2024, Oklahoma Department of Agriculture Board Room, 2800 N Lincoln Blvd., Oklahoma City, Oklahoma at 9:30 a.m.
17. Adjournment

All items on this agenda, including but not limited to any agenda item concerning the adoption or approval of any resolution, contract, agreement, or any other item of business, are subject to revision or amendment, including additions and/or deletions, without exception. Any revision or amendments will be limited and rationally related to the topic of the agenda item. The Board may defer, strike, continue, table, and/or refer any agenda item to its Executive Director, staff, attorney, and/or refer back or appoint a committee for the purpose of gathering more information the Board may need to take action on any agenda item at a subsequent special or regular meeting of the Board.

MINUTES

CALL TO ORDER

The Oklahoma Conservation Commission met Monday, November 6, 2023, in the Agriculture Building located at 2800 N. Lincoln Blvd in Oklahoma. The meeting was called to order at 9:30 a.m. by Chair Clay Forst. He stated this was a regular scheduled meeting held in accordance with the Open Meeting Law, Title 25, Oklahoma Statutes, Sections 301 and following as amended. The agenda for this meeting was posted at 4:00 p.m. Wednesday, November 1, 2023, at the front entrance of the Oklahoma Agriculture Building, 2800 N. Lincoln Boulevard, Oklahoma City, Oklahoma, as well as on the agency's website conservation.ok.gov.

ROLL CALL

Bert Bitseedy, Administrative Assistant, took roll call and the following members were in attendance:

Clay Forst, Chair, Area 4 Member
Dan Herald, Vice Chair, Area 1 Member
Gary Crawley, Area 5 Member
Grant Victor, Area 3 Member

Absent:

Robert Priess, Secretary, Area 2 Member

Others in attendance were:

Trey Lam, Executive Director
Lisa Knauf Owen, Assistant Director
Bert Bitseedy, Administrative Assistant
Jeannie Parsley, Comptroller
Janet Stewart, General Counsel
Trampas Tripp, Land Management Division Director
Andrea Moseley, Land Management Division Administrative Programs Officer
Mike Sharp, Office of Geographic Information and Technical Services Director
Clancy Green, District Services Director
Brandon Welborn, District Services Administrative Programs Officer
Wendie Sharp, Watershed Operations & Maintenance Program
Jake Searock, Public Information Officer
Tammy Sawatzky, Conservation Programs Division Director
Paige Porter, Conservation Programs Administrative Programs Officer
Tom Goode, Watershed O&M Program
Meg Greski, Soil Health Programs Coordinator
Taylor Marshall, Oklahoma Association of Conservation Districts
Gilbert Guerrero, USDA/NRCS
Rick Randall, Woodward County CD
Robin Gunter, Woodward County CD
Craig Barron, Central North Canadian River CD

Kade Griffin, Blaine County CD
Jacob Harrel, Dewey County CD

MINUTES OF PREVIOUS REGULAR MEETING

A motion was made by Mr. Herald and seconded by Mr. Victor to approve the minutes of the October 9, 2023, regular Commission meeting as written and the special meeting as written. Those voting aye were: Herald, Crawley, Forst, and Victor. Nay votes: none. Motion carried.

CLAIMS/FINANCIAL STATEMENT

Commissioners reviewed the claims register, p-card statement, revenue summary and allotment budget / available cash report as provided by Ms. Parsley in Exhibit #1. Ms. Parsley stated there was a total of \$3.33 million paid in total claims and payroll. Ms. Parsley stated there is a report in the packet and she would be happy to answer any other questions. After discussion, a motion was made by Mr. Crawley and seconded by Mr. Victor to approve the financial reports as presented. Those voting aye were: Herald, Crawley, Forst, and Victor. Nay votes: none. Motion carried.

PRESENTATION OF AGREEMENTS

Ms. Owen presented seven new agreements for consideration listed as items “a-g” on Exhibit #2. After discussion, a motion was made by Mr. Herald and seconded by Mr. Victor to approve the new agreements as presented. Those voting aye were: Herald, Crawley, Forst, and Victor. Nay votes: none. Motion carried.

OUT OF STATE TRAVEL REQUESTS

Mr. Lam noted that the one request was for a ratification of out of state travel (Exhibit #3) due to the travel date being so close to the Commission meeting. After discussion, a motion was made by Mr. Victor and seconded by Mr. Herald to ratify the request for out of state travel. Those voting aye were: Herald, Crawley, Forst, and Victor. Nay votes: none. Motion carried.

CONSERVATION DISTRICT DIRECTOR APPOINTMENTS

Ms. Green presented to Commissioners recommendations of appointment for Conservation District Directors as listed in Exhibit #4. After discussion, a motion was made by Mr. Herald and seconded by Mr. Crawley to approve the district director appointments as presented. Those voting aye were: Herald, Crawley, Forst, and Victor. Nay votes: none. Motion carried.

CONSERVATION COMMISSION REGULAR MEETING SCHEDULE

Ms. Owen presented Commissioners with a suggested list of dates for Calendar Year 2024 regular meeting schedule. After discussion, a motion was made by Mr. Herald and seconded by Mr. Victor for approval of the 2024 regular meeting schedule as presented. Those voting aye were: Herald, Crawley, Forst, and Victor. Nay votes: none. Motion carried.

MEETING CO-SPONSORSHIP

Mr. Lam provided information to Commissioners about potential sponsorship of the Governor’s Water Conference and the Oklahoma Association of the Conservation Districts Annual State Meeting. After discussion, a motion was made by Mr. Herald and seconded by Mr. Victor to approve the sponsorship of the meetings as presented. Those voting aye were: Herald, Crawley,

Forst, and Victor. Nay votes: none. Motion carried.

No public comments.

NEW BUSINESS

No new business

CONSERVATION PARTNERSHIP REPORTS

Oklahoma Department of Agriculture, Food, and Forestry: ODAFF staff were not in attendance.

USDA-Natural Resources Conservation Service: Gilbert Guerrero, Assistant Conservationist for partnerships, introduced Jeanne Hamilton as the new State Conservationist and noted she was not able to attend the meeting due to beginning her role and making efforts getting out across the state and visiting each county. Mr. Guerrero stated Ms. Hamilton will be focusing on working to make improvements in staffing, customer service, outreach, and program delivery. He also reported the 2023 accomplishments, with completing a total of 1,424 program contracts (CSP Renewal, CSP General, CSP GCI, and EQIP), a total of \$53,616,290 for a total of 590,275 acres. He mentioned NRCS hiring 44 new employees, including a new Urban Conservationist, RCPP Coordinator to assist with outreach, education, and implementation of the Chief's goal to improve delivery to non-traditional producers and increase ability to implement the Regional Conservation Partnership Program in Oklahoma. He stated that the 2024 Outlook for EQIP allocation of \$58,568,444 and CSP with a total of \$26,485,000. He mentions there will be some staffing position being advertised and some being filled. The ACTNOW will make new efforts in Oklahoma for 2024, the goal to take simple practices that do not require additional inventory and design work, from application to contact in an expedited manner. The practices include seasonal high tunnel, cover crops, conservation crop rotation, no-till reduced till, nutrient management, pasture and hayland planting, range planting and prescribed grazing. The IRA will be focusing on the Climate Smart Ag/Forest practices.

Oklahoma Association of Conservation Districts: Taylor Marshall, Grants Manager, mentioned that Joe Caughlin, Jean Lam, and Sarah Blaney were attending the Farm Bill Listening Session, and were not able to attend the Commission meeting. She mentioned Lawton Area IV Meeting had 125 registered, Woodward Area I had 157 people registered. She stated they are awaiting signature of the Climate Smart Agreement. She mentioned the month of October OACD hosted the CARE Advisory Committee Farm Bill Advocacy Meeting for minority Farmers. They had purchased two no till drills and two sprayers. Ms. Phillips and Ms. Blaney are exploring a funding opportunity with ODEQ, \$500 million for gas reduction. Ms. Marshall mentioned the State Meeting Planning will be held after the Commission Meeting today.

STATUS REPORTS

OKLAHOMA CONSERVATION COMMISSION MEMBERS

Mr. Forst- stated that he attended the Area IV Meeting and felt that it was very informative. He is glad his area has received some much needed rain.

Mr. Crawley-stated that his area had received 5" of rain and water is back in the ponds, things are looking up.

Mr. Herald- stated it was good fall weather and getting a good harvest.

Mr. Victor- stated good fall weather and receiving good moisture, good crops, and good harvest. Cutting soybeans, wheat is coming up and receiving a late harvest in recovering of crops. There was loss of Bermuda grass, which is now in recovery. All is looking better.

OKLAHOMA CONSERVATION COMMISSION STAFF

Executive Director: Trey Lam reported that he had participated in a discussion on the NRCS Quapaw flood control project in Meeker, OK for the rehabilitation plan. He mentioned he attended the first Fighting Fire with Fire training in which Mr. Tripp will be explaining in more detail. He also attended the kickoff of the Cedar Eradication Project that honored the Peach Family at Canton Lake.

Water Quality Program: Shanon Phillips, OCC Water Quality Division Director, Ms. Phillips stated the report is in the packet. She handed out another part of the report from soil health that was not in the packet provided, she mentioned there is a program that the soil health will be starting in January, which will be mentioned in the Area Meeting in November. She stated she would be happy to answer any other questions.

Office of Geographic Information and Technical Services: Mike Sharp, Director, Dr. Sharp stated the report is in the packet and he would be happy to answer any questions.

Land Management: Trampas Tripp, Director. Mr. Tripp stated three additional grants for the unpaved roads program had been awarded for the first round in McIntosh, Johnston, and Custer Counties. The FY24 unpaved roads training schedule is with OSU LTAP:

- Nov. 15 - McAlester
- Nov. 29 - Bartlesville
- Dec. 14 - Woodward
- Jan. 17 - Lawton

Logan and Lincoln County have also requested another training.

He stated that the four new cedar technicians were hired, Craig Barron (Central North Canadian River CD), Jake Harrel (Dewey County CD), Kade Griffin (Blaine County CD) and Rick Randall (Woodward County CD). The first Fighting Fire with Fire training was held in Greenfield, Oklahoma on October 18, 2023, and had 62 in attendance with 22 from the fire department and PBA. An incentive of 41 drip torches were provided to the Fire Departments and PBA's that attended. The torches were donated by Invenergy. The special project in Okemah will begin soon and the Clear Boggy Creek Log Jam project was completed on September 26, 2023. He stated the report is in the packet and he would be happy to answer any questions.

District Services: Clancy Green, District Service Director, Ms. Green introduced Brandon Welborn the new Administrative Programs Officer for District Services. She stated that district services will be busy with preparing for tax season with 1099s and employee W-2's. The division received two Chevy Equinoxes for the district coordinators to utilize. With the potential for a federal government shutdown, she has put out information and plans for how districts should prepare. New district hires include the 4 Cedar Eradication Technicians; currently there are 3 district manager vacancies and 1 conservation planner position vacancy. She mentioned the report is in the packet and would be happy to answer any questions.

Conservation Programs: Tammy Sawatzky, Director. Ms. Sawatzky stated she was in attendance for the emergency drought commission meeting on September 19, 2023. She participated in a meeting with Representative Kevin Wallace in the city of Meeker about the update on the Quapaw Creek Site rehabilitation project design. She mentioned the on-site meeting with

Sequoyah County CD Board for the surveying of the areas for rehabilitation construction easement but unfortunately the landowner wanted to renegotiate, and they were unable to proceed with the survey. She stated she has been working on cost-share plans and area meetings throughout the month. She mentioned the report is in the packet and would be happy to answer any questions.

Assistant Director: Lisa Knauf Owen stated that the finance completed the FY25 budget request. The water quality division and Ms. Owen attended a meeting with the Texas Land Trust, National Fish and Wildlife Foundation, and working with them to receive a grant and partnership. She also stated that the Commissioners should have their name@ok.gov emails now functional. Ms. Owen also noted that she had received notice from OMES that they do not intend to increase the office rent above the increase we received this fiscal year.

NEXT MEETING

The Chair noted that the next regular meeting of the Oklahoma Conservation Commission is set for Monday, December 4, 2023, at the Oklahoma Department of Agriculture Building, 2800 N. Lincoln Blvd., Oklahoma City, Oklahoma at 9:30 a.m.

ADJOURNMENT

There being no further business, Mr. Forst declared the meeting adjourned at 10:19 a.m.

Approved by the Oklahoma Conservation Commission on December 4, 2023.

Chair

**STATE GUIDELINES
FOR THE
SOIL HEALTH IMPLEMENTATION PROGRAM (SHIP)**

**Allocation Period
Begins: January 1– March 1, 2024**

**Oklahoma Conservation Commission
in cooperation with
Oklahoma's 84 Conservation Districts**

Approved by the Conservation Commission on (insert date)

I. PURPOSE

Soil health focused conservation in rural as well as urban settings is the use of best management practices that restore and maintain a soil's capacity to function as a biological system, increase its organic matter, and improve its structure, and increases water and nutrient holding capacity. A large and active community of soil micro and other organisms is the foundation of soil structure, function, and ecosystem health at all trophic levels and is therefore one of the primary goals. This often results in increased resilience in both land and operation as natural system dynamics are restored, input costs are reduced, and product quality often improves.

The Conservation Commission (Commission) hereby establishes the Soil Health Implementation Program (SHIP). The Soil Health Implementation Program will offer an integrated multi-practice approach to conservation through direct conservation planning and close mentorship from the ~~Conservation~~ Commission Soil Health Team. Through this program, the Commission will accomplish the following objectives:

1. Work with agricultural producers in cropping, livestock, and urban operations to provide technical assistance and planning to implement or complete a system of soil health focused conservation designed to improve land and operational resilience,
2. Make funds available to qualifying landowners and/or operators that will assist them in implementing the planned conservation practices that will improve soil health,
3. Collect soil health data necessary to monitor changes on participating farms and continue building the state's soil health database, and
4. Build producer mentor networks and enable greater education and outreach in promotion of soil health focused conservation.

While the SHIP will touch most common resource concerns in some way, the primary focus will be on soil and water. Inferior and even poor land management practices can contribute to degradation in natural resources in multiple ways. The more prominent concerns that will be addressed by this program include:

- soil erosion caused by wind and water,
- unprotected soil, decreased infiltration, compaction, and other degraded physical properties,
- soil health degradation caused by a loss of organic matter and function as a biological system,
- water quality degradation due to excess runoff of nutrients, sediments and other pollutants, and
- plant and forage health and quality.

The Commission herein establishes the list and description of SHIP policies. Any exceptions from these established guidelines shall be approved by the Commission.

ALLOCATION OF FUNDS

The Commission allocates \$1,000,000 in cost share funds to the SHIP. Each approved applicant can be eligible for up to \$40,000 over a three-year program engagement for implementing soil health conservation practices in accordance with an approved SHIP conservation plan. All practices must be completed, and cost share payments disbursed within three-years of their signed SHIP conservation plan.

II. POLICIES

Program Period

The SHIP will begin on January 1, 2024 and continue until funding is exhausted. Current plans are to request funding annually for SHIP as an integral component of the base Soil Health Program budget. The SHIP, therefore, will maintain indefinite program activity depending upon recurring funding.

Allocation Period

The allocation period is defined as the period the Commission Soil Health Team will obligate program funding. The initial allocation period will be January 1 – March 1, 2024. Depending upon program engagement from this point, subsequent allocation periods will be opened until remaining funds are obligated.

Eligibility Requirements

The SHIP is for individuals interested in the adoption of best management practices identified through planning that complete a system of conservation focused on soil health principles. All landowners/operators selected for participation are required to commit to a three-year engagement for technical and financial assistance to accomplish their conservation plan goals.

Applicants must be a district cooperator with an approved cooperator agreement.

Fields or property designated for implementation cannot be enrolled in other programs (e.g., EQIP) accomplishing the same practice implementation.

Applicants must agree to maintain the conservation practice(s) for the expected life specified by the practice standard and/or the recommendation of the Commission Soil Health Team consultant.

Applicants that lease the land must submit a landowner consent form with their application. For highest consideration of viability for SHIP, it is preferred that lease terms cover the length of the program period enrolled. For those with annual leases, applicants who document multi-year engagement of the property to be considered for the program will strengthen consideration.

Applicants must agree to soil health testing/monitoring conducted by the Commission Soil Health Team over the course of their program involvement.

SHIP participants must agree to contribute to the mentorship of other producers in soil health focused conservation. This may include hosting field days (no more than one per year), participating in economic studies, or participating in education and outreach activities.

Conservation Commissioners, Conservation Commission staff, Conservation District employees or the spouses of any of these people shall not be eligible to participate in the SHIP.

Conservation district directors are eligible to participate in the SHIP under the following conditions:

1. Only two conservation district board members can apply and participate.
2. Individual conservation district board members applying cannot discuss any element of the SHIP including but not limited to practices, rates, average costs, selection criteria, application approval/disapprovals, cost-share payments, and extensions.
3. Individual conservation district board members applying for the SHIP must abstain from voting/approving any elements of the program.
4. Individual conservation district board members cannot use their position as a board member to improve or elevate their individual chances of becoming a successful applicant.

Technical Representative(s)

The Commission Soil Health Team will serve as the SHIP technical representatives. Their responsibilities include:

- conducting the application review and selection process,
- conducting field visits as necessary to determine landowner/operator needs,
- developing conservation plans with design and schedule of practice installations,
- determining compliance with SHIP practices standards and specifications,
- certifying practice implementation in accordance with the conservation plan ,
- preparing necessary payment documentation for conservation districts to process a claim for reimbursement , and
- confirming landowner/operator receives payment(s).

Eligible Soil Health Implementation Program Conservation Practices

All conservation practices listed below are eligible to applicants based on needs outlined in the SHIP conservation plan developed with and approved by a Commission Soil Health Team member. Conservation practices reflect those as referenced from NRCS national conservation practice standards and shall be implemented according to these standards and specifications unless otherwise authorized by a Commission Soil Health Team member. If it becomes necessary to add practices, the Commission will reference the same NRCS national standards and specs document and include and implement them accordingly.

Priority Practices:

325 - High Tunnel System

Definition: An enclosed polyethylene, polycarbonate, plastic, or fabric covered structure that is used to cover and protect crops from sun, wind, excessive rainfall, or cold, to extend the growing season in an environmentally safe manner.

Purpose:

- Improve plant health and vigor.

327- Conservation Cover

Definition: Establishing and maintaining permanent vegetative cover.

Purpose:

- Reduce sheet, rill, and wind erosion and sedimentation
- Reduce ground and surface water quality degradation by nutrients and surface water quality degradation by sediment
- Reduce emissions of particulate matter (PM), PM precursors, and greenhouse gases.
- Enhance wildlife, pollinator, and beneficial organism habitat.
- Improve soil health.

328- Conservation Crop Rotation

Definition: A planned sequence of crops grown on the same ground over a period of time (i.e., the rotation cycle)

Purpose:

- Reduce sheet, rill, and wind erosion.
- Maintain or increase soil health and organic matter content.
- Reduce water quality degradation due to excess nutrients.
- Improve soil moisture efficiency.
- Reduce the concentration of salts and other chemicals from saline seeps.
- Reduce plant pest pressures.
- Provide feed and forage for domestic livestock.
- Provide food and cover habitat for wildlife, including pollinator forage, and nesting.

329 – Residue and Tillage Management, No Till

Definition: Limiting soil disturbance to manage the amount, orientation and distribution of crop and plant residue on the soil surface year around.

Purpose:

- Reduce sheet, rill and wind erosion and excessive sediment in surface waters.
- Reduce tillage-induced particulate emissions.
- Maintain or increase soil health and organic matter content.
- Increase plant-available moisture.
- Reduce energy use.
- Provide food and escape cover for wildlife.

336- Soil Carbon Amendment

Definition: Application of carbon-based amendments derived from plant materials or treated animal byproducts.

Purpose:

- Improve or maintain soil organic matter.
- Sequester carbon and enhance soil carbon (C) stocks.
- Improve soil aggregate stability.
- Improve habitat for soil organisms.

338 – Prescribed Burning

Definition: Planned fire applied to a predetermined area.

Purpose:

- Manage undesirable vegetation to improve plant community structure and composition
- Manage pests, pathogens, and diseases to reduce plant pressure
- Reduce wildfire hazards from biomass accumulation
- Improve terrestrial habitat for wildlife and invertebrates
- Improve plant and seed production, quantity and/or quality.
- Facilitate distribution of grazing and browsing animals to improve forage-animal balance.
- Improve and maintain habitat for soil organisms and enhance soil health

340 – Cover Crop

Definition: Grasses, legumes, and forbs planted for seasonal vegetative cover.

Purpose:

- Reduce erosion from wind and water.
- Maintain or increase soil health and organic matter content.
- Reduce water quality degradation by utilizing excessive soil nutrients.
- Suppress excessive weed pressures and break pest cycles.
- Improve soil moisture use efficiency.
- Minimize soil compaction.

382- Fence

Definition: A constructed barrier to animals or people.

Purpose:

- Provide a means to control the movement of animals, people, and vehicles to accomplish specific conservation objectives.

386- Field Border

Definition: A strip of permanent vegetation established at the edge or around the perimeter of a field.

Purpose:

- Reduce erosion from wind and water and reduce excessive sediment to surface waters (soil erosion).
- Reduce sedimentation offsite and protect water quality and nutrients in

- surface and ground waters (water quality degradation).
- Provide food and cover for wildlife and pollinators or other beneficial organisms (inadequate habitat for fish and wildlife).
 - Reduce greenhouse gases and increase carbon storage (air quality impact).
 - Reduce emissions of particulate matter (air quality impact).

393 – Filter Strip

Definition: A strip or area of herbaceous vegetation that removes contaminants from overland flow.

- Purpose:**
- Reduce suspended solids and associated contaminants in runoff and excessive sediment in surface waters.
 - Reduce dissolved contaminant loadings in runoff.
 - Provide suspended solids and associated contaminants in irrigation tailwater and excessive sediment in surface waters.

484 - Mulching

Definition: Applying plant residues or other suitable materials to the land surface.

- Purpose:**
- Improve the efficiency of moisture management
 - Reduce irrigation energy used in farming/ranching practices and field operations
 - Improve the efficient use of irrigation water
 - Prevent excessive bank erosion from water conveyance channels
 - Reduce concentrated flow erosion
 - Reduce sheet, rill, & wind erosion
 - Improve plant productivity and health
 - Maintain or increase organic matter content
 - Reduce emissions of particulate matter

512 – Pasture and Hay Planting

Definition: Establishing adapted and compatible species, varieties, or cultivars of perennial herbaceous plants suitable for pasture or hay production.

- Purpose:**
- Provide or increase forage supply during periods of low forage production
 - Reduce soil erosion
 - Improve water quality
 - Improve air quality
 - Improve soil health

516 – Livestock Pipeline

Definition: A pipeline and appurtenances installed to convey water for livestock or wildlife.

- Purpose:**
- Convey water to points of use for livestock or wildlife
 - Reduce energy use

528 – Prescribed Grazing

Definition: Managing the harvest of vegetation with grazing and/or browsing animals with the intent to achieve specific ecological, economic, and management objectives.

Purpose:

- Improve or maintain desired species composition, structure and/or vigor of plant communities.
- Improve or maintain quantity and/or quality of forage for grazing and browsing animals' health and productivity.
- Improve or maintain surface and/or subsurface water quality and/or quantity.
- Improve or maintain riparian and/or watershed function.
- Reduce soil erosion and maintain or improve soil health.
- Improve or maintain the quantity, quality, or connectivity of food and/or cover available for wildlife.
- Manage fine fuel loads to achieve desired conditions.

533 – Pumping Plant

Definition: A facility that delivers water or wastewater at a designed pressure and flow rate.

Purpose:

- Remove excessive subsurface or surface water
- Provide efficient use of water on irrigated land
- Transfer of livestock waste or liquid byproducts as part of a wastewater transfer system
- Reduce energy use

550 - Range Planting

Definition: The seeding and establishment of herbaceous and woody species for the improvement of vegetation composition and productivity of the plant community to meet management goals.

Purpose:

- Provide or improve forages for livestock
- Provide or improve forage, browse, or cover for wildlife
- Reduce erosion by wind and water
- Improve water quality and quantity
- Restore hydrologic function
- Increase and/or stabilize carbon balance and sequestration

570 – Stormwater Runoff Control

Definition: Measures or systems to control the quantity and quality of stormwater runoff.

Purpose:

- Minimize erosion and sedimentation during and following construction activities

- Reduce the quantity of stormwater leaving developing or developed sites
- Improve the quality of stormwater leaving developing or developed sites

614 – Watering Facility

Definition: A watering facility stores or provides drinking water to livestock or wildlife.

- Purpose:
- Supply daily water requirements.
 - Improve animal distribution.
 - Provide a water source that is an alternative to a sensitive resource.

642 – Water Well

Definition: A hole drilled, dug, driven, bored, jetted, or otherwise constructed into an aquifer for agricultural water supply.

- Purpose:
- Address the need for adequate livestock water quality and quantity
 - Provide water for terrestrial wildlife
 - Provide irrigation water

Ancillary practices (used only to facilitate priority practices above):

314 – Brush Management

Definition: The management or removal of woody (nonherbaceous or succulent) plants including those that are invasive and noxious.

- Purpose:
- Create the desired plant community consistent with the ecological site or a desired state within the site description.
 - Restore or release desired vegetative cover to protect soils, control erosion, reduce sediment, improve water quality, or enhance hydrology.
 - Maintain, modify, or enhance fish and wildlife habitat.
 - Improve forage accessibility, quality, and quantity for livestock and wildlife.
 - Manage fuel loads to achieve desired conditions.
 - Pervasive plant species are controlled to a desired level of treatment that will ultimately contribute to creation or maintenance of an ecological site description “steady state” addressing the need for forage, wildlife habitat, and/or water quality.

342- Critical Area Planting

Definition: Establishing permanent vegetation on sites that have, or are expected to have, high erosion rates, and on sites that have physical, chemical, or biological conditions that prevent the establishment of vegetation with normal seeding/planting methods.

- Purpose:
- Stabilize areas with existing or expected high rates of soil erosion by wind or water.
 - Stabilize stream and channel banks, pond and other shorelines, earthen features of structural conservation practices.

- Stabilize areas such as sand dunes and riparian areas.

355- Groundwater testing

Definition: Testing the physical, biological, and chemical quality of groundwater from a water well or spring.

Purpose:

- To determine the suitability of a groundwater supply source for livestock watering, irrigation, wildlife, or other agricultural uses.

561 – Heavy Use Protection

Definition: Stabilization or protection of an intensively used area.

Purpose:

- Reduce soil erosion
- Provide a stable, noneroding surface for areas frequently used by animals, people, or vehicles
- Protect or improve water quality

Average Cost

The SHIP will use a standard average cost (unit cost) for conservation practices based on Oklahoma NRCS EQIP payment rates. These average costs will be reviewed and updated by the Commission Soil Health Team as necessary based on NRCS cost updates and/or best professional judgement to maintain or improve incentive for adoption.

Maximum Program Payment

The Commission sets the maximum program payment over a three-year period at \$40,000 per participant.

Application Process

The Commission and conservation districts will advertise SHIP and accept applications throughout the open allocation period. Interested individuals can apply at their local conservation district or by contacting a Commission Soil Health Team member. Applicants that lease the land must submit a landowner consent form with their application. Each applicant is limited to one application and must be a district cooperator. Conservation districts must submit all applications received in their offices to the Commission Soil Health Team for review and approval.

Review and Approval Process

The Commission Soil Health Team will review and rank all applications using a preset ranking tool completed through a phone interview process. Applicants with top scores will be chosen for participation. Approved applicants and their conservation district will be notified no later than 45 days from the close of the allocation period. Commission Soil Health Team members will schedule an initial consultation with each approved participant to develop their SHIP conservation plan.

The Commission Soil Health Team will work to balance program participation across the state by selecting highest scoring participants from all five conservation district areas.

Fulfillment of this objective depends upon extent of representation by districts submitting applications. The goal is to engage five producers from each area (25 total) with at least two of the total comprising urban producers.

SHIP Conservation Plan

Successful applicants must complete a SHIP conservation plan to be eligible for program participation. The SHIP conservation plan comprises a three-year engagement to accomplish implementation of a conservation system focused on improving soil health. Participants will agree to continued consultation, allow necessary soil health monitoring, and be open to planned field days (no more than one per year) throughout their program engagement.

All SHIP conservation plans must be signed and dated by the participant and an OCC Soil Health Team representative before any program related work begins. An agreement becomes effective on the last date of signature.

Completion Dates

Approved applicants will be required to complete all conservation practice implementation by the date specified within their SHIP conservation plan. Participants and their assigned Commission Soil Health Team member will mutually decide on a schedule of practice implementation over the three-year period of engagement.

Payment Process

Districts of program participants will be asked to prepare an OSF3 for reimbursement once a Commission Soil Health Team has verified the practice(s) was(were) implemented in accordance with the participant's SHIP conservation plan through onsite visit(s) and signed and submitted to the district the Certification of Completion and Acceptance documenting such.

SHIP reimbursements will be made to the conservation district by EFT. The conservation district will issue a district check to the applicant for the approved payment amount.

Conservation districts must provide an IRS Form 1099-MISC to any applicant receiving \$600 or more in payment(s) from the district during a calendar year. In accordance with IRS regulations conservation districts must file a copy of each IRS 1099-MISC form along with IRS Form 1096 with the Internal Revenue Service. Neither the conservation district nor the Commission provides tax advice; the applicant may wish to consult with an independent tax advisor regarding any potential tax consequences.

Participants are only eligible for reimbursement for practices implemented according to their SHIP conservation plans as verified and signed off on by an OCC Soil Health Team member. The SHIP conservation plan comprises a three-year engagement to accomplish a conservation system focused on improving soil health. Those participants who fail to complete the practices as planned or cancel their conservation plan before the three year timeline will forfeit remaining potential for reimbursement but will not have to pay back

monies received for practices already implemented and for which reimbursement has been received.

III. ADMINISTRATIVE GUIDELINES

District Reporting and Accounting

1. Conservation Districts will work cooperatively with the Commission Soil Health Team to prepare SHIP claims including back-up documentation.
2. Conservation districts will be responsible for submitting the claim to the Commission for payment.
3. Conservation districts will be responsible for making payments to participants.

Commission Reporting and Accounting

The Commission Soil Health Team shall conduct the following reporting and accounting procedures:

1. Receive and review SHIP claims for payment.
2. Maintain a SHIP allocation and expenditures tracking system. The system should allow for reporting by:
 - a. Conservation district
 - b. participant
 - c. conservation practice
 - d. agreement number
 - e. agreement date
 - f. payment date
 - g. amount paid
 - h. amount allocated

GENERAL COUNSEL DECEMBER 2023 SUMMARY

Meetings Attended:

- ✿ **November 1** Principal Staff Meeting – OKC, OK
- ✿ **November 3** Environmental Law Conference – Tulsa, OK
- ✿ **November 6** Commission Meeting– OKC, OK
- ✿ **November 8** Meeting with WEAVER Inc. - OKC, OK
- ✿ **November 9** Area 2 Meeting - OKC, OK
- ✿ **November 15** NRCS and OCC PDM Meeting – Stillwater, OK
- ✿ **November 15** Employee Handbook Update & Revision Meeting – TEAMS
- ✿ **November 27** Rules and Rule-making User Training 1 – TEAMS
- ✿ **November 27** Meeting with NRCS on Bitter Creek 2
- ✿ **November 28** Rules and Rule-making User Training 2 – TEAMS
- ✿ **November 30** Principal Staff Meeting – OKC, OK

Conservation District Issues:

Responded to issues and questions for or on behalf of the following conservation districts:

East Canadian CD, Grady CCD, Latimer CCD, Le Flore CCD, Logan CCD, Love CCD, North Fork of Red River CD, Oklahoma CCD, Rogers CCD, Sequoyah CCD, and Woodward CCD

Responded to questions or issues by conservation districts regarding the following topics:

Airport expansion, Realtor call to discuss limitations of the land being sold in and around Rush Creek 105, Call with an attorney to discuss easements and development around Bitter Creek 2, Questions regarding next steps regarding damages caused to Fourche Maline Creek Site 1 from the construction of a road by a landowner, Non-disclosure agreement and contract regarding Google project, Okie ticket question, responded to questions on drafted easements and process of contacting landowners to review and sign, call with Realtor and possible homeowner regarding the sale of the house that is below auxiliary spillway flow at Timber Creek Site 7, a contract regarding retired senior volunteers, conflicts between the district and the Commission, site and survey visit for Sallisaw Creek Site 33, and sharing of link to the new Land Management Rules.

Rehabilitation and Repair Projects:

- ❄️ **Sallisaw Creek Site 33** –Site visit with landowners, their attorney, and the surveyor. Landowners wanted to change to the ingress/egress access to an unrealistic approach through the neighbor’s property.
- ❄️ **Lower Bayou Site 12** – Completed the drafting of easements with maps for the acquisition of additional land rights; assisted the district in finding contact information for the landowners; currently working on clarifying the easements regarding the temporary and permanent ingress/egress on 2 landowners.
- ❄️ **Boiling Springs Site 1** – Gearing up to start evaluating land rights; awaiting a completed Real Property Work Map

Other Flood Control Issues:

- ❄️ **Fourche Moline 1** – The district needs to take action against the landowner to repair the damage to this site due to the construction of a road, awaiting a letter from NRCS regarding the damages and recommended course of action(s)
- ❄️ **Little Wewoka Creek Sites 1 & 6 and Little Deep Fork Site 1** – Easements granted by the BIA for only 50 years have expired. I spoke to the BIA and the solicitor general’s office about reacquiring easements for these 3 sites. I need to follow up on these sites

General Commission Issues:

- ❄️ Worked with the Attorney General’s Office regarding Tar Creek Resolution and request for funds
- ❄️ Reviewed the OMES Master Service Agreement and sent concerns to OMES
- ❄️ Worked on updating the Employee Handbook
 - ❄️ Draft completed on the Code of Conduct Policy
 - ❄️ Draft completed on new Progressive Discipline Policy
 - ❄️ Research started on new PMP process through Workday
- ❄️ Worked with The Nature Conservancy attorney on agreement regarding wetland conservation
- ❄️ Correspondence with the Governor’s Office regarding Executive Order 2020-02 regarding travel to California and our ability to attend the NACD meeting
- ❄️ Completed the placement of an employee suggestion box on our website
- ❄️ Reviewed Contracts and Agreements: 3
- ❄️ Research Projects: 4
- ❄️ Document Reviews: 1
- ❄️ Draft Letters & Documents: 5
- ❄️ Land Management Rules and Rulemaking documentation – have been published in the Register. Next step is the hearing scheduled for December 19th.
- ❄️ Request for Land Management Rules - 2

OKLAHOMA CONSERVATION COMMISSION - FINANCE TEAM – OCT-NOV 2023 ACTIVITY REPORT

Jeannie Parsley, Financial Manager/Comptroller III

- Monthly Financial Statements reporting for Commission Meeting
- Monthly reporting to OMES: Reconciliation of Clearing Accounts (2)
- Completed and submitted FY25 Budget Request PowerPoint Presentation for Senate
- PCard Administration with review of all transactions, build voucher and reports
- Training for 2 new PCard Users; 2-year refresher training for 23 PCard Users and Approvers
- Created two new PCard User accounts; deactivated two PCard User accounts
- Daily Purchasing, General Ledger, and Query activity in PeopleSoft Financial
- Created Purchase Orders and Change Orders as required
- Meetings: Principal Staff, Full Staff, Commission, Workday, daily meetings with Finance Team
- Attended Four Area Meetings in Lawton, Oklahoma City, Okmulgee, Okemah
- Transfer funds from OST to the agency
- Ongoing staff training
- Oversight of Purchase Orders and Authority Order management
- Oversight of Claims/Voucher Processing
- Oversight of Fleet Management
- Completed SEAT Security Training

Donnell Carter, Accountant II

- Over 300 claims were reviewed, processed, and generated claims jackets (Form 15-A)
- Prepared daily voucher batch slip (Form 25-B) for submittal to OMES
- Scanned daily batch of processed claims and supporting documentation for digital archive
- Processed incoming checks and prepared the agency's Deposit Detail Report; scanned incoming checks for upload to OCC remote deposit account
- Attended monthly Principal Staff meeting
- Attended monthly Commission meeting
- Attended Area 2 Annual Meeting in Lawton
- Attended Area 4 Annual Meeting in Oklahoma City

Patricia Foy-Binkley, CPO, Administrative Programs Officer

- Handled ePro requisitions, purchase orders and change orders as requested
- Closed outstanding purchase orders to release available funds
- Researched policy and assisted staff with purchasing and fleet-related questions as needed
- Monthly Fleet Report prepared and submitted to OMES
- Updated agency vehicle lists for new/transferred vehicles and driver assignments including new vehicles and surplus vehicles, updated
- Processed documents for new vehicle deployment, assignments of Fleet PIN, and maintained documents/files fleet-related
- Mansfield Fuels/Comdata monthly invoice tasked and approved for payment
- Attended Area 2 Annual Meeting in Lawton

OKLAHOMA CONSERVATION COMMISSION
WATER QUALITY DIVISION
NOV MONTHLY SUMMARY
Shanon Phillips, Director
November 21, 2023

Illinois River Riparian Easement Report

Water Quality Division, Oklahoma Conservation Commission
Report for Brooks Trammell

Purpose and Scope of Program

- Long-term lease agreements restrict the use of riparian corridors along streams in the Illinois River Watershed. This program was intended to supplement the Conservation Reserve Enhancement Program (CREP) by covering gaps in riparian areas not covered by the rigid qualifications in CREP and therefore allowing landowners the opportunity to enroll contiguous reaches to effectively manage property by whole corridor riparian exclusion.

Routine Programmatic Responsibilities

- Programmatic administration and tracking: Enrolled contracts and properties are reviewed, and participants paid annually if meeting contract requirements. District and NRCS staff in the Adair, Cherokee, and Delaware County Conservation Districts are integral to this program and help complete most activities.

Annual Status:

- Currently, twenty-one (20) contracts/properties have been reviewed and payment made or are in process for annual payments, totaling 1,093 acres of exclusion, with an expected payout of \$66,601.50.
- Adair County accounts for most of the contracts, with seventeen (17) participants, covering 801.5 acres, with an expected payout of \$48,090. All reviews are complete, with 10 participants paid totaling 536 acres and \$32,196 while payment for 7 participants totaling 264.9 acres and \$15,894 are in process.
- Cherokee County has two (2) current contracts, covering 242.5 acres, both of which have been reviewed and payments made totaling \$15,277.50.
- Delaware County has one (1) remaining contract of 49 acres, which has been reviewed with a payment made of \$3,234.00.

Blue Thumb

Blue Thumb Water Quality Education Program

Water Quality Division, Oklahoma Conservation Commission

Report for Cheryl Cheadle, Candice Miller, Kim Shaw, Briant Nguyen, Rebecca Bond

Compiled activity for October: +1,113

We reached at least 1,113 people through education and outreach events in October.

Ongoing Activities: Bug pickings and Q/A

November Activities:

Blue Thumb Trainings:

We did not hold any Blue Thumb trainings in November.

Other Education and Outreach Activities:

- 11/14: "Your Stream, Your Data, Your Experiences" data webinar (15 attendees)
- 11/15: Creek experience with Piedmont High School students (34 students and 1 teacher)
- 11/17: A video about Blue Thumb was shown at the Keep Oklahoma Beautiful Environmental Excellence Celebration (680 attendees)
- 11/19: Stormwater education for City of Glenpool employees
- 11/28: Program for teens at Bristow Public Library
- 11/30: Education experience for Environmental Science Student Association at OU

(See ***Presentations Given by Staff or Volunteers*** and ***Work in Priority Watersheds*** for additional educational activities)

Presentations Given by Staff or Volunteers:

- 11/2: Rebecca presented at the Area IV Meeting in Lawton
- 11/7: Rebecca presented at the Area I Meeting in Woodward
- 11/9: Rebecca presented at the Area II Meeting in Oklahoma City
- 11/14: Rebecca presented at the Area III Meeting in Okmulgee
- 11/16: Rebecca presented at the Area V meeting in Okemah

Groundwater Screening Events:

There will be a groundwater screening at Blaine County CD in Watonga on November 29.

Meetings and Calls Attended by Staff

- 11/1: Communications Committee meeting
- 11/3: Meeting with national Project WILD staff
- 11/6: Blue Thumb staff meeting
- 11/7: Project WET I & T meeting
- 11/7: Meeting with the City of Glenpool
- 11/8: Blue Thumb data chat with Kim, Karla and Rebecca
- 11/13: Data project meeting with volunteers (Okmulgee Creek)
- 11/15: OCLWA Board meeting
- 11/21: Blue Thumb staff meeting
- 11/21: Tri-County Outdoor Classroom Partner meeting
- 11/21: Friends of Blue Thumb meeting
- 11/22: LTWA Board meeting
- 11/30: NWQMC VM Workgroup meeting

Conferences Attended by Staff:

Staff did not attend conferences in November.

Trainings Attended by Staff:

Staff did not attend trainings in November.

Work in Priority Watersheds:

11/1: IRWP sampling event
11/2: IRWP sampling event
11/15: IRWP sampling event
11/16: IRWP sampling event

Watershed Plan Development:

Staff did not work on watershed based plans in November.

Activities Scheduled for December:

12/1: Watershed Institute webinar entitled ""Defending the Legitimacy of New Jersey Community Water Monitoring Data"
12/4: Commission meeting
12/5: Blue Thumb staff meeting
12/5: Project WET I & T meeting
12/6: Communication Committee meeting
12/7: Internal meeting about the Integrated Report
12/7: NWQMC VM Webinar Subcommittee meeting
12/7: Crow Creek Community meeting
12/7: Tulsa Home and Garden Show planning meeting
12/8: Visioning meeting for Lake Francis Education Center
12/13: Full staff meeting
12/13: Cheryl will present to the Central Oklahoma Stormwater Association
12/13: Planning meeting with Project Learning Tree about climate workshops in the spring
12/14: IRWP Conservation Partners Happy Hour
12/19: Blue Thumb staff meeting
12/19: Muscogee Nation Conservation Evening
12/20: OCLWA Executive Committee meeting
12/21: Water Quality Managers meeting

CD: Conservation District

I & T: Information and Technology

IRWP: Illinois River Watershed Partnership

LTWA: Lake Thunderbird Watershed Alliance

NWQMC: National Water Quality Monitoring Council

OCLWA: Oklahoma Clean Lakes and Watersheds Association

OU: University of Oklahoma

VM: Volunteer Monitoring

WET: Water Education Today

Management Staff

Meetings and Calls Attended by Staff:

11/1: CPRGOK Planning Meeting with ODEQ, virtual
11/2: IRWP Q3 Board Meeting; Cave Springs, AK
11/2: Ozark Bat Conservation Meeting
11/6: November 2023 Commission Meeting
11/21: Climate Smart Meeting with ODWC
11/27: OK Source Water Collaborative Meeting
11/27: IRB/OKHAWQS Meeting

Presentations Given by Staff:

- No presentations were given by staff in Nov 2023

Trainings Attended by Staff:

- No trainings were given by staff in Nov 2023

Conferences Attended by Staff:

11/2: Area IV Meeting; Lawton, OK
11/5-11/9: National NPS Managers Workshop; Minneapolis, MN
11/7: Area I Meeting; Woodward, OK
11/9: Area II Meeting; OKC, OK
11/14: Area III Meeting; Okmulgee CCD
11/16: Area V Meeting; Okfuskee CCD
11/29-30: Gov's Water Conference

Other Activities:

- Paid Invoices
- Performed many administrative tasks
- Worked on numerous IT related issues
- Responded to numerous internal and external information requests throughout the month

Soil Health Education Program

OCTOBER 25 - NOVEMBER 21, 2023 MONTHLY SUMMARY

Greg Kloxin, Program Director

Meg Greski, Program Coordinator

Team members: Greg Scott, Blane Stacy, Marcus Long, Josh Anderson, James Blom, Jack Titchener

People we interacted with this month: approx. 1560

Farm and ranch producer visits/consults (some including WORMS data & Haney test sample collection)

- Chad Deal, Eric Falkenberg, Jeff Hiner (Laverne)
- Noah Eubanks (NE OK)
- Jeremiah Fraunberger (Delaware)
- 8 producers enrolled in General Mills project (Garfield/Grant counties)

Urban site visits and Yard by Yard certifications

- Seeding at Lambert Park (Tulsa)

- Andrew Leighton (Tulsa)
- Tyler (Tulsa)
- Beth (Tulsa)
- Karen Curtis (Tulsa)
- Julie Bailey (Sand Springs)
- Andrew Herbert (Tulsa)
- Richard Kotarsky (Tulsa)
- Stephen Clayman (Sperry)
- Charles Sissler (Tulsa)
- McClain High School (Tulsa): installing greenhouse
- Jackie (OKC)
- Melinda (Noble)
- Ron Brewer (OKC)
- Kristy Dunford (OKC)
- Kathy McClure (OKC)
- Michael Ochman (OKC)

Meetings/calls attended:

- SH team members had a Zoom meeting with Dr. Brian Arnall at OSU to discuss a contract for OCC's soil sampling needs.
- James and Greg K met virtually with General Mills project leadership to discuss progress. James has enrolled the maximum number of participants allowed by funding, and fall plantings on those farms are mostly completed.
- Greg K and Meg had a Zoom meeting with Caleb Stone and Steve Glasgow, state NRCS leaders, to discuss ongoing collaboration.
- Meg attended virtual OCC Communications Committee meeting, led by Jake Searock.
- Meg attended OACD state annual meeting planning session.
- Meg attended a Zoom board meeting of the Oklahoma Grazing Lands Coalition.
- Meg listened to an NRCS training call about applications of their Soil Carbon Amendment practice.
- Greg K attended a virtual meeting of the OK Flood & Drought Task Force.
- Greg K attended an NRCS call about expansion of Climate-Smart Ag cost-share opportunities.
- Blane had a call with NEO A&M to plan upcoming student competitions and events.
- Josh attended OK Farm Bureau's resolutions meeting in Norman and state annual meeting.
- Josh attended participant meetings for National Grazing Lands Coalition/Noble's 3M research project on grazing lands.
- Josh attended the OK Cattlemen's Association's fall gatherings in Byers and Tishomingo.
- Marcus attended OSU Extension's urban ag advisory meeting.
- Marcus went to a meeting of the Oklahoma Native Plant Network.
- Marcus attended a planning call for the Tri-County Outdoor Classroom hosted by NRCS.

Presentations given:

- Greg Scott presented the rainfall simulator at the D4 Conference to 4 state agencies involved in public area/highway maintenance. Goal is to convince ODOT and partners to use native species and compost on roadsides instead of high-maintenance Bermuda grass. Meg also attended.
- Marcus presented the rainfall simulator at the OK Compost Conference in Choctaw. An attendee later contacted Greg Kloxin with positive feedback. Blane, James, Greg K and Jack also attended.
- SH team members presented at all 5 OACD area meetings about SHIP (Soil Health Implementation Program, our new cost-share program), to be rolled out January 1 pending Commission approval.
- Greg Scott met virtually with ODOT representatives for further discussion about compost use on highway sides and improving infiltration of stormwater.

- Greg Scott and James presented on grazing management at the Noble County Cattlemen's Association meeting in Perry.
- Marcus presented to a Boy Scout troop about growing pollinator plants.
- Marcus presented to a class at Metro Technology Center (Springlake Campus) about small-scale no-till gardening and urban farming.

District events attended:

- Greg Scott put on a ranch wildlife management workshop in Weatherford, on the ranch of Deer Creek board member Shane O'Daniel.
- Meg attended Harper CCD's board meeting to discuss SHIP.
- Blane attended Caney Valley CD's locally led meeting.
- James visited offices of Garfield, Grant and Kay CCDs
- James attended board meetings for Garfield and Noble CCDs.
- Marcus attended Oklahoma CCD's board meeting.

Other education & outreach activities:

- James attended the Oklahoma Ag Expo in Norman, organized by the Oklahoma Ag Retailers Association and various commodity groups.
- Marcus and Josh attended the Oka Institute's water conference.
- Greg K toured an aquamation system at McElyea & Owens Funeral Group in Shawnee, which can be used to turn animal mortalities into soil amendments.
- Greg K went to the National Nonpoint Source Training Workshop in Minnesota.
- Marcus attended the Prairie Restoration Field Day at Tinker AFB.
- Marcus helped OKC Beautiful prepare 3 sites around the city for tree planting.

Monitoring

- Continued routine water quality monitoring for the Rotating Basin Project 2.5 (RBP 2.5) (Upper North Canadian, Upper Arkansas and Cimarron River Basins) cycle

November 13-15 Staff sampled 26 sites in RB 2.5 Basins

November 27-29 Staff sampled 31 sites in RB 2.5 Basins

- Continued monthly water quality sampling at 3 stream sites in the Little Beaver Creek watershed in support of the Little Beaver NRCS National Water Quality Initiative (NWQI)

November 28 Staff sampled 3 sites in the Little Beaver watershed

- Continued routine water quality monitoring for the Rotating Basin Project 3.5 (RBP 3.5) (Lower Arkansas, Lower North Canadian and Lower South Canadian Basins) cycle

November 6-8 Staff sampled 30 sites in the RB 3.5 Basins

- Staff initiated recon for new sites for the Rotating Basin Project 4.5 (RBP 4.5) (Upper Red and Washita River Basins) cycle

Wetlands Report

Wetlands Program

Water Quality Division, Oklahoma Conservation Commission

Report for Brooks Tramell, Sarah Gilmer, Jeff Tibbits and Dan Dvoretz

Routine Programmatic Responsibilities

- **Wetland Determinations:** Review potential impacts to wetlands and aquatic resources from publicly funded project
- **Mitigation Plan Review:** Review documents for *In-Lieu-Fee* and Mitigation Banks as a member of the Oklahoma Interagency Review Team (IRT)
- **Respond to Citizen Requests:** Deliver wetland information to the public, primarily in response to requests through the Wetland Registry hosted on the Wetlands Program Website
- **Wetland Conservation:** Beginning November 2023, OCC launched a new effort to deliver wetland conservation practices. This effort is a collaboration with the Nature Conservancy (TNC), International Crane Foundation (ICF) and the Playa Lakes Joint Venture (PLJV). The collaborative workgroup is called the Partnership for Oklahoma Wetland Restoration (POWER). Conservation practices will depend on availability of funding from active grants.

Active Grant Projects:

- **Floodplain Mapping Project:** This project is funded by a US Environmental Protection Agency (USEPA) 104(b)(3) Wetland Program Development Grant (WPDG) to update National Wetlands Inventory (NWI) maps along the Arkansas River between Keystone and the Salt Plains, as well as the Canadian River between Eufaula and Canton.
- **Oklahoma Rapid Assessment Method (OKRAM) Integration:** This project is funded by a WPDG to refine development of OKRAM, a condition based assessment tool for wetlands. Project highlights include (1) collection of an additional 30 OKRAM assessments at wetland types under-represented in our dataset, (2) compilation of 300+ OKRAM assessments into a database and publicly available web application, and (3) analysis of dataset to refine method.
- **Restorable Wetlands Identification Protocol (RWIP):** This project is funded by a WPDG to continue to develop and refine a desktop screening tool that can be used to identify wetland restoration opportunities. Project highlights include (1) remapping of restorable polygons using higher resolution datasets in 30 watersheds, (2) attributing restorable polygons with restoration feasibility resulting from hydrologic modification in 30 watersheds, and (3) data sharing through a web application.
- **OKRAM Guidebook:** This project is funded by a WPDG to develop guidance materials for OKRAM, to help promote usage of the method. Project highlights include (1) a detailed OKRAM guidebook, (2) digital training materials and an in-person training delivered in 2024, and (3) coordination with the United States Army Corps of Engineers (USACE) to help promote usage of OKRAM in CWA programs.
- **National Wetlands Condition Assessment (NWCA) Intensification:** NWCA is a component of the National Aquatic Resource Survey (NARS) conducted every 5 years. OCC is the lead contractor for data collection in Oklahoma. NWCA is funded by Clean Water Act 106 money. The most recent NWCA was completed in 2021, with a state intensification to enhance sample size to 50 wetlands in 2022. OCC will analyze data and summarize findings on the condition of Oklahoma wetlands in a report in 2023.

Meetings and Calls Attended by Staff

- 11/14 Funding opportunity planning meeting with PLJV
- 11/15: Wetlands Program Staff Meeting
- 11/29 Noble County Conservation District Board Meeting
- 11/29 Kickoff meeting with TNC on potential grant collaborations

Presentations Given by Staff

- 11/3: Presented on the Restorable Wetlands Identification Protocol and restoration opportunities in the Illinois River Watershed at the Lake Frances Wetlands Opportunities Workshop

Trainings and Conferences Attended by Staff

- 11/3 Lake Frances Wetlands Opportunities Workshop
- 11/15 USEPA and Department of the Army Waters of the United States webinar

Accomplishments by Project

Wetland Determinations:

- Completed 2 wetland determinations

Mitigation Plan Review

- None completed in November

Citizen Requests for Wetland Information

- Responded to 4 requests for information about wetlands and streams submitted through the Wetlands Program Website, e-mail and phone.

Wetland Conservation

- Onboarded Jeff Tibbits, OCC's new Wetland Conservation Coordinator
- Began compiling information for a large North American Wetlands Conservation Act (NAWCA) grant due in February
- Began assembling a wetland restoration strategy document to help prioritize conservation efforts in Oklahoma and identify funding sources

Floodplain Mapping

- No work was done on this project in November

OKRAM Integration

- No work was done on this project in November

RWIP Refinement

- Established priority HUC-8 watersheds for next RWIP application and began assembling necessary datasets

OKRAM Guidebook

- No work was done on this project in November

National Wetlands Condition Assessment

- No work was done on this project in November

Other Accomplishments

Grants

- Submitted a National Fish and Wildlife Foundation (NFWF) Southern Plains Grasslands (SPG) grant proposal to complete grassland restoration following eastern red cedar removal along riparian corridors and surrounding wetlands in the North Canadian Watershed.

Technical Program Report

Technical Program

Water Quality Division, Oklahoma Conservation Commission

Report for Karla Spinner, Sarah Gilmer, Joseph Dyer, Brooks Tramell and Dan Dvoretz

Meetings and Calls Attended by Staff

- 11/1 OCC Communications Committee Meeting
- 11/1 ODAFF Laboratory Meeting
- 11/2 Technical Programs Staff Meeting
- 11/2 Ozark Bat and Karst Meeting
- 11/9: Area II meeting- Oklahoma Association of Conservation Districts
- 11/14: Area III meeting- Oklahoma Association of Conservation Districts
- 11/16 Area V meeting- Oklahoma Association of Conservation Districts

Presentations Given by Staff

- No Presentations given in November

Trainings and Conferences Attended by Staff

- No trainings attended in November

Quality Assurance Accomplishments

Data Requests:

- Responded to 3 requests for water quality data

Data Quality Assurance/Quality Control (QA/QC)

- Completed Quality Control (QC) checks on approximately 10 data collections
- Entered approximately 14 data collections into the water quality database

Other QA/QC duties

- Continued water quality field audits for monitoring staff (2 completed).
- Completed a draft of the Basin 4 Cycle 4 Rotating Basin Quality Assurance Report
- Began compiling data for the Basin 5 Cycle 4 Rotating Basin Quality Assurance Report
- Compiled all fish data from Summer 2023 and shared with the Oklahoma Department of Wildlife Conservation
- Completed QA review of macroinvertebrate subsampling and processing by Connors State College Staff

Data Dashboard Usage

- The stream data web application logged approximately 50 hours of active use in November.

Analytical and Reporting Accomplishments

- Completed draft assessments for the 2024 Integrated Report assessments due to Oklahoma Department of Environmental Quality (ODEQ) at the end of the year

- Continued drafting a grant proposal to identify the road crossings in the Kiamichi River watershed that pose the greatest threat to fish passage.
- Continued analyses to improve biological assessment models for wadeable streams in Oklahoma.
- Continued developing an R-shiny data dashboard to support the Rotating Basin Report with interactive data analysis and visualization.

Blue Thumb in Pictures

November 2023

Mickey (Rebecca took the photo) Susary Bill Brian Adam Lillian Briant Kim

Final Regional Trip for the Year

Nine volunteers and three Blue Thumb staff members enjoyed the “Kite Trail” at the Wichita Mountains on October 28. The regional trips were part of the celebration activities held in 2023 to recognize thirty years of Blue Thumb!

BELOW: Briant and Cheryl worked with the Pushmataha Conservation District to offer a stream ecology lesson for 4-H students in late October. The students met aquatic larval insects and fish that live in the Kiamichi River.

Bistow (Creek County) Public Library invited children to become water drops and take an “Incredible Journey” through the water cycle. Blue Thumb was happy to assist! (photos to the left)

Blue Thumb Volunteer Cheyanne Olson, assistant professor at Rogers State College, Claremore, participated in a field day for girl scouts on October 14. Cheyanne engaged some of her own students to help the girl scouts gain knowledge of the life in Cat Creek, Rogers County. They also did fish printing and scouts received a lesson about reducing nonpoint source pollution through an EnviroScape demonstration. Forty scouts and six adults participated.

**Jamie Walters
on Salt Branch,
Mayes County**

**Alejandra Nolte (and
friend) on Haikay Creek
Tributary, Tulsa County**

New Blue Thumb Sites

- 1) Baron Fork, Adair County (Laura Embry and Nicole Lupardis)
- 2) Coweta Creek, Wagoner County (Hayden Blan)
- 3) Maynard Bayou, Cherokee County (Rhonda Stanley)

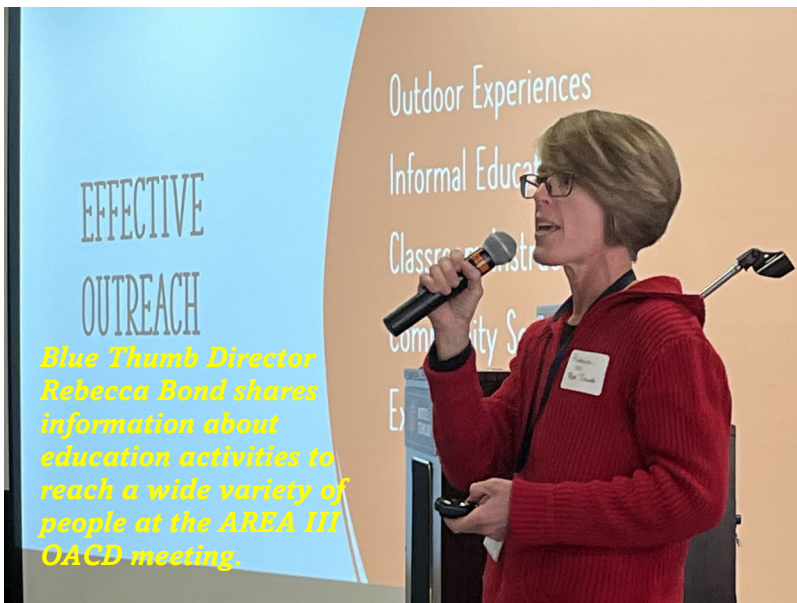

**Third and Final Data
Webinar of 2023**

Blue Thumb staff began planning for data webinars in 2022. Our goal with these has been to help volunteers to better understand the data that they collect and even take important steps to use the data for education within the watersheds where they monitor. ***“Your Stream, Your Data, Your Experiences,”*** was held on 11/14/2023.

**Blue Thumb Participation
in OACD Area Meetings**

Blue Thumb Water Quality Education Program staff members provided not only the 2024 highly sought after Blue Thumb calendars at the meetings, Director Rebecca Bond also provided a presentation: ***“Beyond Natural Resource Days.”***

**Blue Thumb Director
Rebecca Bond shares
information about
education activities to
reach a wide variety of
people at the AREA III
OACD meeting.**

**Briant Nguyen with the
brand new 2024 Blue
Thumb calendar**

Blue Thumb receives Visionary Leadership Award. Keep Oklahoma Beautiful recognized the Blue Thumb Water Quality Education Program during their Environmental Excellence Banquet on 11/17/2023. Both volunteers and Oklahoma Conservation Commission staff members attended the celebration. Another project in which Blue Thumb takes a lead role, the Crow Creek Community, was a finalist for a team builder award. Above names in blue reflect OCC staff, names in purple are Blue Thumb volunteers.

Blue Thumb and Illinois River Watershed Partnership

Blue Thumb staff members and volunteers met with Suzanne of the Illinois River Watershed Partnership four times in November to complete benthic macroinvertebrate surveys of nearly a dozen streams that contribute water to the Illinois River, Oklahoma's most popular scenic river.

- 1) Candice, Cheryl, and Suzanne (IRWP) and Jeffrey (Tulsa County Blue Thumb volunteer) remove living creatures from stream water at Peavine Hollow.
- 2) Candice is the primary Blue Thumb staff member to work with the IRWP to arrange timing and secure volunteer help for the sampling events (Flint Creek).
- 3) Cheryl striking a mighty pose at Caney Creek as she prepares to disturb substrate so to dislodge the creek bugs.

**OKLAHOMA CONSERVATION COMMISSION
OFFICE OF GEOGRAPHIC INFORMATION & TECHNICAL SERVICES DIVISION
MONTHLY SUMMARY**

**Mike Sharp, State Geographic Information Coordinator & Director
November, 2023**

OGI & TS Activity

- Worked on various hardware and software support issues for OCC non-OMES computer systems.
- Followed up on and provided assistance regarding OMES helpdesk tickets submitted by OCC and District staff.
- Routine server, software and anti-virus and anti-spam maintenance on OGI computer systems.
- Provided support on various office IT issues.
- Provided support on various conservation district IT issues.

Geographic Information System (GIS) Activity

- Provided GIS services to Land Management, WQ, District Services, Conservation Programs, Soil Health and Administration.

Office of Geographic Information/State Geographic Information Council

- Worked on OKMaps servers, software and data.
- Compiled parcel data for statewide parcel data layer.
- Worked on NG911 IT systems configuration and backup.
- Provided support to OKMaps users.
- Provided GIS support to OCC Watershed Dam Easement Initiative
- Worked on Non-Coal Inventory.
- Worked with Pinnacle Business Systems and Covenant Technology Partners to work on updating Active Directory Services including migration from legacy servers to virtual servers.
- Prepared minutes and agenda for the November Geographic Information Council.
- Chaired the November Geographic Information Council meeting on November 3.
- Worked on 911 Grants
- Met with Land Management Division staff and Quapaw Nation staff concerning reclamation activities in Tar Creek area.
- Participated in conference call with EPA and Land Management staff concerning future work in Tar Creek area.
- Worked on Red Cedar identification in North Canadian River Watershed.
- Created Digital Elevation Models (DEM) for Water Quality Wetland group.
- Held NG911 training class in OKC.
- Worked with OKMaps contractor to make NG911 Address Points and Road Centerlines available to the public through OKMaps.

Land Management Division Report

December 4, 2023

DIVISION ADMINISTRATION

- Advanced state-wide non-coal AML inventory
- Prepared OCC meeting packet financial report
- Updated claims database
- Submitted pcard reports
- Code pcard transactions
- Staff participated in webinar trainings
- Update GIS webpage
- Statewide Non-Coal AML database management
- APO completed required trainings for computer access and P-Card authorization
- Budget & Financial Management: Budget management & reporting
- Personnel Management: Reported time; approved time; assigned tasks & directed staff
- Equipment Management: Submitted vehicle logs; updated & maintained equipment inventory; researched replacement equipment; assisted staff with computer issues
- Operations Management: File management; monitored flow of operations, target dates and deadlines
- Prepared & submitted OCC Activity Report
- Participated in OCC Management meetings
- Onboarding of cedar eradication technicians
- Work in conjunction with NRCS on training for planners
- Work with Janet Stewart on Land Management Program rules and Right of Entry for programs
- Converted old AML grant files to digital format
- Work on FY25/26 budget request
- Coordinate with ODAFF AMES on NMP steps
- Attended and presented at Area Meetings
- Processed track loaders/equipment and input into the inventory
- Participated in Communication Committee Meeting
- Participated in Commission Employee Handbook Organizational Meeting

PROGRAM MANAGEMENT

Unpaved Roads Program:

- Logan County District 1 Project completed
- Communicated with numerous counties about projects and applications
- Work is progressing on FY23 grant projects
- McAlester Training November 15th
 - 22 in attendance
- FY24 training schedule with OSU LTAP
 - Bartlesville November 29th
 - Woodward December 14th
 - Lawton January 17th
- Lincoln County and Logan County requesting ESM class for their employees
- New Spiro Lake Unpaved Roads Project moving forward
- McClain County District 2 visit
 - Referral from NRCS from previous WRP interest
- Updated training power point for upcoming courses

Terry Peach North Canadian Watershed Restoration Program:

- Caterpillar hosted training on equipment for techs 11/13
- Brush Free Zone Establishment initiated
 - Boiling Springs Community
 - Canton Trailer Park
- Jake Harrel, Dewey CCD, working on CDL Class A completion
- Prescribed Fire Training December 8th at Chester Community Center
- Coordinating with Rural FDs and PBAs with implementing Prescribed Fire in the watershed
- Central North Canadian River CD agreed to distribute grant checks to Rural FDs/PBAs that are in the watershed and attend training

Conservation and Nutrient Management Planning:

- Staff completed CD/Cart training in Stillwater.
- Staff attended board meetings at Arbuckle, Ellis, Lincoln, Garvin, Kiamichi, Seminole, LeFlore, Pontotoc, Kiamichi, Bryan,
- Conducted field visits for State Cost-Share in multiple counties for contract signatures and practice certification with NRCS.
- Developed 14 State Cost Share Conservation Plans.
- Nutrient Management Planning:
 - Now accepting plan requests for all plans.
 - 9 plans request total as of 9/21/23.
 - 9 plans completed, 8 approved by ODAFF.
- Staff attended/completed trainings:
 - Prescribed fire training Greenfield FD
 - RUSLE II, WEPS, WIN-PST
 - USDA Information Security Awareness Training
- Outreach Events:
 - Pushmataha Locally Led Meeting

Special Projects:

- Okemah Drainage Project. (City of Okemah Funds)
 - Notice to Proceed October 20th
 - Pre-Construction held on site 10/27
 - Work initiated November 2nd, delay due to AT&T line locates
 - Material has been removed from channel, site nearing approval for concrete
- Murray County Dam Assistance
 - Site visit with to provide TA on a dam with significant leak that repair attempts have been made

Land Restoration:

- Gilbreath Copper Mine (Jackson County)
 - Phase 1 project size 171 ac.
 - Aerial Data Services Inc. completed aerial/bathometric survey.
 - Conceptual design phase started
- Howerton Tar Creek Project (Ottawa County)
 - Two project areas, 30 acres of restoration, and 16 shafts.
 - Project design and specifications completed
 - Met with EPA, ODEQ, and Quapaw Nation to discuss project and new requirements for cleanup under the ROD standard
 - Developing a site monitoring and material testing plan to incorporate with the Project Specifications
 - Project should go to CAP after January 1st
- Underhill Picher Site (Ottawa County)
 - 25 ac. site in Picher
 - Aerial Data Services Inc. completed aerial survey and bathymetric collection
 - Conceptual design phase initiated
- Rock Crusher Barrier Project(Nowata County)
 - 1,120 ft. of DH along old Hwy 169.
 - Waiting on Nowata County to receive deed transfer from ODOT to move forward with barrier installation

Vegetation and Maintenance

- Taloka Creek (Haskell County) – Permanent vegetation planted October 10/20/23, fertilize in spring.
- Fowler (Haskell County) – Maintenance completed, project will be released.

State Wide Non-Coal Inventory

- Updated AML Non-coal Inventory progress worksheet and map.
- Identified potential mines not listed under MRDS system.

Inventories initiated & ongoing:

- Pontotoc County

Boiling Springs Area

Canton Area

**OKLAHOMA CONSERVATION COMMISSION
DISTRICT SERVICES STAFF
SUMMARY OF ACTIVITIES FOR NOVEMBER 2023
Monday, December 4, 2023**

Division Director, Clancy Green

- Provided new month district services update to all districts
- Discussed district statuses, updates, and concerns with ADCs; provided guidance and assistance as needed
- CPM Program – attended in-person session, completed and submitted capstone project, attempted to stay-up-to date with assignments and deliverables
- Discussed district staffing and operational concerns with Trey, Lisa, ADCs, and district boards
- Worked with ADCs to develop LRP resources and presentation; presented LRP training at Area Meetings with assistance from ADCs
- Sent LRP email to all districts
- Onboarded B. Welborn and began training on tasks and procedures
- Sent new hire information to incoming district employees
- Generated COBs for new employees
- Decaled new vehicles with assistance from Brandon; completed preparations for deployment of units
- Discussed BSO login/linking process with Lacie
- Participated in call with OMES security provision regarding security concerns on shared district email box
- Completed service credit/longevity determination for district employee
- Drafted 2023 tax instructions and reviewed IRIS system
- Reviewed division expenditures and tracked against budget
- Assisted with cedar technician onboarding, questions, and document reviews
- Attended
 - Principal Staff Meeting
 - Communication Committee meeting
 - Area 1, 2, 3, and 4 Meetings
 - November 6 OCC Meeting
 - State meeting planning session
 - Statewide Financial Policy training
 - Awards and Recognition Committee meeting
 - OMES CPO Brown Bag Webinar

Administrative Programs Officer, Brandon Welborn

- Completed onboarding processes
- Continuing training on procedures and duties
- Received P-Card and Core access
- Assisted with decaling new vehicles for deployment
- Assisted with LRP presentation sessions at Area Meetings
- Attended
 - November 6 OCC Meeting
 - Area 2, 3, 5 Meetings
 - State meeting planning session

Area 1 District Coordinator, Lacie Landers

- Received and logged 2024 meeting schedules and meeting change notices
- Assisted with onboarding and payroll reviews for Cedar Technicians
- Facilitated scheduling Cedar Technician group meeting
- Worked with districts to ensure BSO & ID.me accounts were properly linked
- Worked with District Services Team on LRP/JPO training planning & presentation
- Attended
 - District Services meetings
 - Area 1 and 4 Meetings
 - Texas CCD board meeting
 - Texas CCD Locally Led Work Group meeting
 - Ellis CCD board meeting
 - Woodward CCD board meeting
 - Open Meeting/Open Records seminar
- District Updates
 - Dewey CCD – assisted with special meeting filing questions
 - Ellis CCD – assisted with payroll form rounding issues and discussed LRP with board members
 - Garfield CCD – discussed sick leave and offered additional assistance in interim
 - Major CCD – assisted with records disposal questions
 - Texas CCD – assisting in interim until new district manager is hired, assisted with board meeting, work group meeting, taxes, OKTap and BSO accounts, and office organization, assisted with scheduling and conducting district manager interviews; prepared offer letter
 - Woodward CCD – assisted with claim procedure review and OACD area meeting items

Area 2 District Coordinator, Tammy Curry

- Assisted multiple districts with procedural questions
- Received and logged 2024 meeting schedules and meeting change notices
- Worked with districts to ensure BSO & ID.me accounts were properly linked
- Worked with District Services Team on LRP/JPO training planning & presentation
- Sent Area 2 LRP meeting note card responses to Area 2 districts
- Attended
 - District Services meetings
 - Area 1, 2, and 4 Meetings
 - Lincoln CCD board meeting
 - Murray CCD board meeting
 - Oklahoma CCD board meeting
- District Updates
 - Lincoln CCD – continued training of new district manager; assisted auditor with FY22 record issues/inquiries
 - Murray CCD – training/onboarding of new district manager, prepared for and attended board meeting, assisted with LAWA/ARRA/district meeting preparation
 - Oklahoma CCD – filed FY23 audit documents, prepared for and attended board meeting, assisted with cost-share; assisted with district manager interviews, contacted applicants, prepared offer letter

Area 3 District Coordinator, Rhonda Bowman

- Worked with District Services Team on LRP/JPO training planning & presentation
- Worked with districts to ensure BSO & ID.me accounts were properly linked
- Attended
 - District Services meetings
 - Area 3 and 5 Meetings
 - Wagoner CCD board meeting
 - Wagoner CCD Wildlife Depredation outreach meeting
- District Updates
 - Rogers CCD – continued training new administrative assistant, assisted with payroll/preclaim reviews and other questions, as needed
 - Wagoner CCD – continued training new district manager, assisted with outreach event planning and execution

Area 4 District Coordinator, Amy Weathers

- Worked with District Services Team on LRP/JPO training planning & presentation
- Worked with districts to ensure BSO & ID.me accounts were properly linked
- Prepared district LRP area meeting packets
- Attended
 - District Services meetings
 - Area 2, 4, and 5 Meetings
 - North Caddo CD board meeting
- District Updates:
 - Grady – reviewed updated payroll forms
 - Assisted employees with questions from: Tillman, North Caddo, Deer Creek, Comanche, Cotton, West Caddo, South Caddo, Grady, North Fork of Red River, and Jefferson

Area 5 District Coordinator, Lisa Grey

- Worked with District Services Team on LRP/JPO training planning & presentation
- Worked with districts to ensure BSO & ID.me accounts were properly linked
- Handled OACDE Area 5 Representative duties including supervising speech contest and assisting with youth awards and forwarding area winning entries to state contest
- Attended
 - District Services meetings
 - Area 3 and 5 Meetings
 - LeFlore CCD/NRCS Poteau staff meeting
 - Johnston CCD board meeting
- District Updates
 - Haskell CCD – assisted with LRP questions
 - Hughes CCD – assisted with LRP questions
 - Johnston CCD – assisted with board meeting, offboarding of district manager, and hiring process for new district manager, assisting in interim until new district manager starts
 - LeFlore CCD – assisted with Soil Health education day at 1 school, assisted with floodplain easements
 - Little River CD – assisted with payroll questions
 - Okfuskee CCD – assisted with Area meeting planning, assisted with questions about youth contests and state cost share

General Administration

- Provided district assistance as needed and requested
- Processed preclaims and claims; filed paperwork as needed
- Updated district directory, district employees team w/ new employees
- Updated website as needed/requested
- Processed mail as needed/requested
- Ran OPERS and Longevity reports, checked longevity payments and annual leave balances, verified personnel action forms in database
- Core queries/reports as needed/requested
- Processed director appointments/mailed documents
- Reviewed payroll and preclaim updates for districts
- Posted district vacancies to OCC website and Indeed; responded to Indeed inquires
- Reviewed P-Card reports and packets
- Provided new hire information to employees and HR as needed
- Reviewed vehicle logs
- Reviewed, filed/uploaded, and tracked items as needed
- Reviewed/revised district handbook as needed
- Reviewed minutes

New District Hires

- Abbie Alexander, Johnston CCD District Manager, December 1
- Tiara Wright, Oklahoma CCD District Manager, December 6

Current District Vacancies

- Creek CCD, District Manager
- Texas CCD, District Manager (offer has been made)
- 1 Conservation Planner position in Area IV

ADAIR
COUNTY
CONSERVATION
DISTRICT

Adair County
Conservation District

Annual Report July 1, 2022 – June 30, 2023

The Adair County Conservation District is a local subdivision of state government. The district was formed in 1944 to ensure local people are involved in conservation activities.

The main goal of the district is to provide services to land users in protecting and conserving natural resources and to provide a link to state and federal conservation agencies and programs.

A board of five conservation district directors (three elected and two appointed) governs the conservation district.

The district has over 1,275 cooperator agreements producers in the county.

The board of directors submits this annual report to inform the public of this past year's conservation accomplishments.

We invite all citizens to become familiar with the activities of the Adair County Conservation District and to visit our office and get acquainted with our staff.

We also invite people to attend our monthly board meeting held on the second Thursday of each month at 1:00 p.m., at the district office at 468670 HWY 100, Stilwell, OK 74960

Mission Statement: *To provide local leadership in the conservation and wise use of soil, water, and related resources through a balanced cooperative program that protects, restores, and improves those resources.*

Office Hours are Monday- Friday from 8:00 a.m. to 4:30 p.m.

Inman

Providing Equipment and Services to Producers in the District

The Adair County Conservation District rents conservation equipment such as a manure spreader, weed wiper, and a hay haul trailer. The district also provides, custom brush hogging assistance. During the fiscal year, over 200 acres were brush hogged for local producers countywide.

Oklahoma Conservation Cost Share Program

The conservation district administers the Oklahoma Conservation Cost Share Program for Adair County. The district allocation for Program Year 25 was \$38,000.00. During this program, the board of directors approved multiple practices that address lack of water for producers, and fencing was the highest priority. 8 contracts were obligated with 5 approved alternates for an additional \$27,000.00.

The conservation district board obtains input from citizens during a locally led meeting to determine which conservation practices will be included in the program each year.

18-Illinois River Water Quality 319 State Cost-Share Project Annual Contract payments were made to participants for a total amount of \$51,000.00 for use exclusion:2022.

The district also participated in the Emergency Drought Cost-Share YR2 Program that began in the fall of 2022. The district had an allocation year to date total in the amount of \$302,331.61. \$230,242.17 of those funds have been dispersed after 39 participants completed the approved practices and 9 funded agreements are yet to be completed that total \$67,500.00. 22 alternates remain that would total \$165,000.00 if funding is approved.

Watershed Program

There are 18 watershed dams in Adair County. The conservation district works with the USDA-NRCS staff in making annual inspections of these flood control dams and providing maintenance work on the dams including, clearing trees from the dam and earthen spillway, beaver control, repairing erosion problems, maintaining good stands of grass on the dams and earthen spillways, and keeping the inlet tower of the principal spillway cleared of debris.

The primary goal of the district's watershed program is making sure the dams' function as they were designed and remain safe.

Watershed Rehabilitation Planning stages for Scrapper Hollow Site #2 is currently underway. Field visits, monthly team meetings with NRCS staff, engineer staff and district staff have been held in April for a kick-off meeting with all personnel working on project at the District Office followed by a site visit.

Watershed O&M requests were approved by OCC for 7 watershed dams that need brush removal and cleanup. OCC technicians will be assisting the district in the cleanup of the watershed dams.

Day

CARE Project

The Adair County Conservation District entered a cooperative agreement led by the Oklahoma Association of Conservation Districts with the Oklahoma Black Historical Research Project, Texas Agriforestry Small Farmers & Ranchers, and Association of Texas Soil & Water Conservation Districts. The purpose is to increase the number of farmers/ranchers participating in conservation planning and programs to improve soil health, water quality, and the viability of working lands. The CARE project places an emphasis on assisting historically underserved and veteran farmers/ranchers. Working with this targeted group to expand their knowledge of innovative technology, soil health, and invasive species eradication will assist them in sustaining their farms. The project will build the capacity of participating organizations to develop and implement conservation projects and strengthen the technical capacity of conservation districts to assist in both conservation planning and Farm Bill Conservation Programs.

The purpose of this agreement is for the district to work with producers in their selected area to assist with increasing the number of SDA producers applying for and receiving USDA-NRCS assistance.

Information and Education

The district carried out a variety of conservation education activities. District staff delivered educational materials to teachers and over 800 students from local schools during the fiscal year.

Other activities included:

- ❖ Information packets were supplied to teachers about the Okies for Monarchs program.
- ❖ District and NRCS staff provided pollinator posters, pencils, folders, and watershed information to teachers and students who attended the Adair County Fair. A booth table was set up and staff met with students and discussed soil health with local farmers/ranchers/teachers who attended the fair.
- ❖ Worked with OSU Extension staff and assisted with judging 4-H County Speech Contest.
- ❖ District updated way to spread the word on conservation programs with a new Facebook page.
- ❖ District directors also continue to engage with customers and share news or upcoming programs or opportunities for assistance.
- ❖ Worked with CARE Champion and took over fifty surveys from historically underserved farmers/veterans.
- ❖ Attended CARE Field Day in Cherokee County.
- ❖ Completed Major Project FY22
- ❖ Worked with Sequoyah County Conservation District – M.O.U tasks with Watershed Assistance.

District Board Director Spotlight

Vice-Chair Kenneth Snodgrass was recognized at the 2023 Annual OACD State Meeting held in February for 40 years of service for the Adair County Conservation District Board of Directors. Mr. Snodgrass has provided wisdom and continues to serve with integrity, has a heart of gold, and a true passion for serving others and being a part of conservation. "Our staff and fellow board directors are very grateful to have Kenny with us on our journey to conservation success for Adair County. He always greets you with a smile and makes you feel very important and recognizes your efforts and accomplishments no matter how big or small they may seem to you." – A. Mann

District Vice-Chair Kenneth Snodgrass & Chair Marty Hern

(Resource Conservationist Tashina Kirk & Soil Technician Robert Bagby)

The Conservation District shares office space with the Natural Resources Conservation Service, a federal agency in the U.S. Department of Agriculture. The NRCS provides technical assistance to the conservation district, district cooperators, and administers several USDA technical and cost share programs.

USDA Conservation Programs

The conservation district works closely with the NRCS in carrying out conservation work in the county. The NRCS staff provides technical assistance to the conservation district and to county land users. The NRCS also administers several federal cost share programs.

Listed below are accomplishments through federal conservation programs in FY23 for Stilwell Field Office.

- ❖ 13 obligated contracts for \$500,778.00 covering 5672 acres in 2022 for CSP.
- ❖ 15 contracts covering 6,644.5 acres and obligating \$704,823.00 in 2023 CSP Renewals.
- ❖ Will begin working on 12 CSP 2024 renewals in the fall.
- ❖ 1 contract covering 39.1 acres and obligating \$3,520.00 for 2023 CSP-GCI Program
- ❖ 7 contracts for a total of \$454,900 covering 1,241.3 acres in FY23 for the EQIP program. Awaiting 2 more contracts for an estimated amount of \$17,438.00.
- ❖ Awaiting 2- HFRP easements to close.
- ❖ Major Project completed – Pollinator Garden plots

Services and programs provided by the conservation district and NRCS are offered on a nondiscriminatory basis without regard to race, color, national origin, religion, gender, marital status, or physical disability.

**OKLAHOMA CONSERVATION COMMISSION
 CONSERVATION PROGRAMS DIVISION
 Tammy Sawatzky, Director
 December 4, 2023**

Administration- Tammy Sawatzky

- Reconciled O&M and rehab financial records.
- NRCS agreement management for watershed activities and remedial repairs.
- Planned and presented a training session on dam inspections and how to read as built for the Dam Maintenance Team, El Reno, October 31.
- Attended OCC Principal Staff meeting, November 1.
- Attended OCC meeting, November 6.
- Attended all five OACD Area meetings.
- Assisted the Soil Health Team by reviewing and suggesting changes to the Soil Health Initiative Program Guidelines.
- Attended PDM meeting with NRCS staff, November 15.

<u># of Claims Processed</u>	<u>Amount</u>
CPD	
Administration 1	\$15,382.80
Rehabilitation 1	2,799.85
District O&M 7	<u>68,099.91</u>
	<u>\$86,282.56</u>

Watershed Rehabilitation and New Construction

- NRCS rehabilitation and new construction agreement management.
- Administrative, technical and land rights assistance to:

Rehabilitation

- Sequoyah County – Sallisaw 33, Sallisaw 36
- East Canadian County – Uncle John 10
- Town of Wilburton – Fourche Maline 7M
- Town of Meeker – Quapaw 15
- City of Perry – Upper Black Bear 62
- Adair County – Scraper Hollow 2
- Pontotoc County – Upper Clear Boggy 26
- Latimer County – Boiling Springs 1
- LeFlore County – Caston Mountain 1 and 2
- Washita County – Oak 5
- Hughes County – Little Wewoka 12

New Construction

- Love County – Lower Bayou 12

Conservation Programs Field Operations- Tom Goode

- Conservation District Board meetings attended (3):
 - Jefferson County 10/24 Seminole County 10/26 Dewey County 11/1
- Attended OACD Area meetings (4):
 - Area 4-November 2 Area 1-November 7 Area 3-November 14
 - Area 5-November 16
- Participated in monthly NRCS Project Design Maintenance (PDM), November 15.

- Attended Texas Association of Watershed Sponsors (TAWS) land rights meeting, Waxahachie, TX, November 8 & 9.
- Watershed Aide/Team Consultations (2): Stephens County Hughes County
- Attended monthly Commission meeting, November 6.

Cost-Share Program

- Technical and administrative assistance to 22 Conservation Districts:

West Caddo	Konawa	Dewey County	Cherokee County
South Caddo	Adair County	Woodward County	Craig County
McIntosh County	Creek County	Cleveland County	Logan County
Kiamichi	LeFlore County	Shawnee	Ellis County
Rogers County	Kiowa County	Mayes County	Marshall County
Garfield County	Central North Canadian River		
- Processed PY25 cost-share and emergency drought claims.

Program Year 25

51 participants received cost-share payments totaling **\$154,540.34** from **22** conservation districts

Brush Management	582.7 acres
Fencing	16,491 LF
Heavy Use Area Protection	3
Herbaceous Weed Control	36 acres
Pipeline	6,373 FT
Pond	8,007 CY
Pumping Plant	1
Watering Facility	3
Well	6

Emergency Drought

229 participants received cost-share payments totaling **\$1,255,714.74** from **47** conservation districts

Cover Crop	13
Heavy Use Area Protection	2
Pasture Planting	3
Pasture Tap	7
Pipeline	13
Pond Cleanout	177
Pumping Plant	53
Watering Facility	13
Well	35

Administrative Programs – Paige Porter

- Attended Dam Maintenance Team training session on inspections and how to read as builts, El Reno, October 31.
- Teleconferenced Grady CCD Board Meeting updating building information and change order status, October 31.
- Met with new Communication Committee under PIO Jake Searock, November 1.
- Began new divisional tasks and review of organizational platforms for Communication Committee.
- Attended Commission meeting, November 6.
- Received and reconciled CPD vehicle/equipment logs for fleet report and Comdata invoicing.
- Submitted October CPD fleet report, November 6.
- Created 2024 CPD calendar.
- Paid October utility services for Clinton and Pauls Valley watershed shops.
- Facilitated purchasing requests for CPD staff.
- Reconciled and submitted CPD October P-card activity.
- Continued CPD inventory project and maintenance.

- Deployed vehicle floor liners, windshield sunshades, inspection supplies, vehicle fire extinguishers, 5 printers for Watershed Team.
- Compiled and prepared Oct-Nov. CPD report for December Commission Meeting.
- Facilitated Grady watershed workshop contract, communication for CAP, Grady CCD, OCC, contractor, consultant and work site.
- Facilitated intra-divisional vehicle registration protocol (Land Management, District Services and Soil Health.)
- Prepared SOP for fleet registration and tagging in shift of divisional duties to Administration.
- Facilitated annual agency ACCO membership and discussion on utilization of 2024 benefit opportunities (T.Lam, T. Sawatzky, T. Tripp, J. Searock).
- Provided division and program information to J. Searock for creation of ACCO directory ad.
- Began work on update to CPD electronic filing standards and system organization.
- Continued work on transfer of OCC 33 to Tillman CCD and OCC 40 to Creek CCD.
- Attended OACD Area 2 meeting in OKC, 11/9 and Area 5 in Okemah, 11/16.

Geographic Information Systems Projects – Wendie Sharp

- Onboarded new hire, TJ Hathcock, additional GIS Specialist for CPD.
- Trained TJ Hathcock on scanning easement documents and began training on easement mapping processes.
- Continued work on Easement Mapping Initiative for watershed dams.
- As of November 17, a total of 2,254 easements linked to 546 dams have been mapped. *The total from month-to-month can fluctuate due to record modifications.*
- Mapped 14 watershed easement documents linked to 4 watershed dam sites through November 17.
- Prepared a plat of Sandy Creek 27 watershed site for Grady County CD.
- Reviewed dam easement documents from Grady County CDs.
- Reformatted Okfuskee County CD watershed dam easement PDF file names to follow standardized filenames as needed.
- Organized watershed dam easement PDFs for Okfuskee County CD and uploaded to CPD file share structure.
- Mapped encroachment areas, additional ingress/egress areas, and watershed dam road spatial features linked to watershed dam sites. Easement mapping is the primary focus of the project, although other key spatial features noted on easements and other legal documents are being collected to provide a comprehensive view of the watershed dam site.
- Completed online ESRI MOCC Training: Imagery in Action class.
- Attended online supervisor training courses through Workday Learning.
- Provided support on various office IT issues under supervision from OCC Technical Services Division.
 - Helped Bert Bitseedy with her laptop issues.
 - Helped prepare laptops for Land Management Cedar Technicians.
- Worked with OCC TS to validate folder access and user login for CPD GIS new hire.
- Attended Dam Maintenance Team training in El Reno, October 31.
- Attended OACD Area 4 meeting in Lawton, 11/2 and Area 5 in Okemah, 11/16.
- Attended Commission meeting, November 6.
- Attended Texas Association of Watershed Sponsors (TAWS) workshop in Waxahachie, TX and presented “Managing Easement Information in a Digital Age”, November 8 & 9.

Watershed Dam Easement Mapping Project – TJ Hathcock

- Started training under Wendie Sharp on Watershed Dam Easement Mapping Project including data organization structure, easement scanning process, and easement mapping GIS tools.
- Scanned 273 documents linked to 82 watershed dam projects for Custer County CD.
- Completed onboarding items including setting up accounts for OGI/OMES and tasks in Workday.
- Attended OACD Area V Meeting, November 16.
- Completed KnowBe4 security training, November 17.

Watershed Dam Operation & Maintenance – George Moore & Johnny Pelley

- Technical and administrative assistance to 12 Conservation Districts:
Seminole County-Big Wewoka 23 Konawa County-Big Wewoka 43
Washita County- Oak Creek 1 & 5 Custer County-Barnitz 11 & 64
Lincoln County Upper Washita
North Fork of the Red River Grady County
Noble County Sequoyah County
Muskogee County Deer Creek
- Conservation District Board meetings attended (3):
Dewey County 11/1 Konawa County 11/2 Seminole County 11/16
- Answered and advised OKIE811 tickets/emergency response calls in designated districts.
- Managed equipment maintenance and repair for Watershed Program fleet.
- Assisted with planning and presenting a training session on dam inspections and how to read as built for the Dam Maintenance Team, El Reno, October 31.
- Completed video pipe inspection for NRCS of Oak 5, November 7.
- Attended OACD Area meetings (3):
Area 4-November 2 Area 3-November 14 Area 5-November 16
