

# Crossroads Conference 2024

Dear Neighbor,

The Oklahoma Conservation Commission, Oklahoma Association of Conservation Districts, and Garfield County Conservation District are excited to announce the second annual Crossroads Conference to be held July 30, 2024, at Autry Technology Center in Enid, OK. Our vision for this event, held at the crossroads of our nation, is to bring agricultural producers together to support and teach one another at the intersection of multiple production systems, whether crop, livestock, or urban agriculture.

We're excited to build on the momentum of last year's inaugural event, but we can't do it alone. The support of partner organizations and local businesses like you is integral to the success of the Crossroads Conference. We ask that you please review the sponsorship packages below and help us we endeavor to build one of the state's premier regenerative agriculture events.

For more information or to become a sponsor, contact Meg at 580-827-5070 or Calvina at 580-237-4321.

Thank you for your consideration. We hope to see you in Enid!

Sincerely,

Meg Greski, *Soil Health Program Coordinator*  
Oklahoma Conservation Commission
