**District Dispatch Code**  
**NEW!!**

Codes are listed in the District  
Dispatch Code email attachment.

**Board Member**  
designated by the  
District to serve as main  
point of contact for  
watershed dam issues.  
See details on the  
2025 Watershed  
Board Member Guide

**District  
Employee**  
deals with dam  
issues (most likely  
the same person as  
Lead OKIE  
responder).

#### Watershed Aide

3 possible answers:

- 1) List OCC watershed  
aide covering your area  
(if you have one).
- 2) List district  
employee with  
specific watershed  
aide title
- 3) If neither applies,  
write N/A.

**Lead OKIE Responder**  
(district employee)  
responsible for  
answering all OKIE  
tickets, reporting  
to Board and ensuring dams  
are protected. In some  
districts, this may be the  
Watershed Aide.

**EM/SN  
responders:**

**2 PEOPLE ARE  
REQUIRED**

**BOTH must  
provide  
their CELL  
NUMBER**

**Back-up Responders**  
take the LEAD role when the  
Lead is out (sick, leave,  
vacation, etc).  
1 Backup responder required.  
2 are recommended.

**ALL RESPONSE TEAM  
MEMBERS**  
are required to have OKIE  
training and must have  
access to the OKIE811 portal.
